

Goto E. A. Prindle's For Andes and Household Ranges. Plumbing and heating job work of all kinds. DEPOT SQUARE

IS YOUR CHILD'S TONGUE COATED?

If Cross, Feverish, Bilious, Stomach Sour, Give "Syrup of Figs" to Clean Its Little Clogged-Up Bowels.

Mother! Don't scold your cross, peevish child! Look at the tongue! See if it is white, yellow and coated! If your child is listless, drooping, isn't sleeping well, is restless, doesn't eat heartily or is cross, irritable, out of sorts with everybody, stomach sour, feverish, breath bad, has stomach-ache, diarrhea, sore throat, or is full of cold, it means that the little one's stomach, liver and 30 feet of bowels are filled with poisons and foul, constipated waste matter, and need a gentle, thorough cleansing at once.

Give a teaspoonful of Syrup of Figs, and in a few hours all the clogged up waste, undigested food and sour bile will gently move on and out of its little waste-clogged bowels without nausea, gripping or weakness, and you will surely have a well, happy and smiling child again shortly.

With Syrup of Figs you are not drugging your children, being composed entirely of luscious figs, senna and aromatics it cannot be harmful, besides they dearly love its delicious taste. Mothers should always keep Syrup of Figs handy. It is the only stomach, liver and bowel cleanser and regulator needed, a little given to-day will save a sick child to-morrow.

Full directions for children of all ages and for grown-ups plainly printed on the package. Ask your druggist for the full name, "Syrup of Figs and Elixir of Senna," prepared by the California Fig Syrup Co. This is the delicious tasting, genuine old reliable. Refuse anything else offered.—Advt.

"Oh, Girls! Do Try GETS-IT For Corns"

The New-Plan Corn Cure—No Fuss, No Pain, Sure and Quick.

You never used anything like "GETS-IT" for corns, before! You're sure at last that every stubborn corn that you've tried so long to get rid of is a "goner."

"How I Did Suffer from Corns for Years! 'GETS-IT' Got Them All in a Few Days!" You apply "GETS-IT" in two seconds, that's all. "GETS-IT" does the rest. There's no more fussing, no more bandages to fix, no more salves to turn the flesh red and raw. No more plasters to get misplaced and press on the corn. No more "pulling," no more pain, no more picking and gouging, no more raws.

"GETS-IT" stops pain, shrivels up the corn, and the corn vanishes. "GETS-IT" never fails, is harmless to healthy flesh. Warts, callouses and bunions disappear. "GETS-IT" is sold at drug store at 25c a bottle, or sent on receipt of price by E. Lawrence & Co., Chicago.

Sold in Barre by C. H. Kendrick & Co., E. A. Brown.—Advt.

Green Cut Bone and Meat

is a splendid cold weather poultry food. Send us your check or money order for \$3.75, and we will ship you a 200-pound barrel, freight prepaid to your railroad station. Carroll S. Page, Hyde Park, Vermont.

ABOUT THE STATE HAPPENINGS OF INTEREST FROM DIFFERENT SECTIONS

Eben E. Stewart, Morrisville's oldest male resident, died Wednesday at the age of 96 years.

The Gwinn Milling Co. of Columbus, O., has presented the St. Johnsbury hospitals five barrels each of flour.

Mr. and Mrs. Theodore N. Vail and Miss Katherine Vail of Lyndon Center start this week for a cruise of two or three months in their yacht in southern waters.

Albany can boast of two lady cabinet makers, Mrs. Edwin Annis has this winter built a bureau, china closet and crockery board, and Mrs. Will Stone has built a kitchen cabinet.

Rev. L. E. Peabody has resigned as pastor of the Advent church in Morrisville to become pastor of the Advent church in St. Johnsbury, where he begins work the first of April.

Rev. Samuel Harvey Emery, pastor of the Congregational church in Chatham, N. Y., died Sunday at the age of 60 years. Mr. Emery was born in Albany, Vt., and was at one time pastor at Bellows Falls.

William Edward Christie, a well-known accountant of St. Johnsbury, died Tuesday of hemorrhages caused by gastric ulcers. Christie was 46 years old, a graduate of McGill university and a widely read and much travelled man.

Will Bundy's two barns in East Burke were burned to the ground Friday, together with 37 sheep, three horses, 30 hens and all the farming tools and wagons. The cause was a fire which started from the fire in unknown, but thought to be incendiary.

A freight train met with an accident at Morrisville Feb. 12, when two cars loaded with logs, one with hardwood lumber and a fourth with tale were thrown over an embankment. Seven other cars were derailed, but not destroyed. The accident was probably caused by a spread rail.

John Devlin, a spectator at the yacht races at Malletts bay Tuesday, was struck by one of the yachts and his leg fractured. The accident resulted when a sudden gust of wind filled the sails just before the race was ready to start, and the yacht swung and ran directly into the crowd of bystanders. A number of others were bruised somewhat but escaped serious injury.

The Eureka Vending Co. has rented a building in Burlington for manufacturing its products. Six thousand square feet on two floors will be occupied and it is expected that operations will be commenced in March with a force of a dozen operatives to be increased to 50 later. The concern will manufacture vendors for sanitary drinking cups, toilet paper, chocolate, chewing gum, etc.

It being impossible to get lumber in Rutland, on account of the lack of snow, the Rutland Manufacturing company has received a carload of lumber from Idaho, which after the handling and the freight was paid was bought at a cheap price than similar material could have been bought within a radius of 50 miles of Rutland. The lack of snow will bring the price of lumber to a high point, and what can be reached in the woods on wheels brings a snug sum.

William Bliss, who is in jail at St. Johnsbury under \$2,000 bonds for the June term of court, charged with forging at least eight checks, has been identified by Miss Edwina Blodgett as the man who entered her sleeping apartment Oct. 14 and robbed her of a \$250 diamond ring and other jewelry. Miss Blodgett identified Bliss out of eight prisoners as the man, and she has maintained since the robbery that she should know him if she ever saw him again, as there was a peculiarity about his head and shoulders. Bliss admits that he was in St. Johnsbury Oct. 14.

Leon Ladue, employed by the Blair Veneer company of North Troy, was drowned in a veneer tank at the company's plant last week Thursday. Ladue was not missed for ten minutes after he fell in and it was only after a continued search and the use of grappling hooks that his body was found. During extremely cold weather, the steam rising from the tanks is so dense as to partly obscure things in their immediate vicinity, and it is supposed that Ladue, in stepping out doors from the mill, failed to see the opening of one of the tanks, and in consequence, unwittingly dropped through to his death. He had lived in North Troy about six months and leaves a wife and two small children.

PREPARING FOR PEACE CONGRESS. Vermont is Interested. Pres. Spooner Placed on General Committee.

St. Louis, Feb. 21.—Dr. C. H. Spooner, president of Norwich university, Vermont's military college at Northfield, has written to James E. Smith, chairman of the executive committee for the fourth American Peace congress, which will be held at St. Louis May 1 to 3, accepting membership on the general committee, which will supervise the making of arrangements for this great gathering at which a majority of the countries of the western hemisphere will be represented.

The state of Vermont is expected to participate actively in the peace congress inasmuch as that commonwealth has long been an active center of the peace movement and is the home of a well known peace organization, the Vermont Peace Society, whose president is the Hon. Frank Plumley and whose secretary is Benjamin W. Gates.

National peace congresses have been held biennially since 1907, when the first, the president of which was Andrew Carnegie, took place in New York. The second peace congress was at Chicago and the third at Baltimore. The fourth, which will be ushered in with the dedication April 30, of the Jefferson memorial, a \$500,000 structure commemorating the greatest peaceable acquisition of territory in the world's history, is expected to set a new mark for effectiveness.

President-elect Woodrow Wilson has been invited to take part in the dedication ceremonies and also in the peace congress, and has replied that "it would be almost a duty for a Democratic president to take part in such exercises" and that he hopes that his official duties as president will permit of his acceptance.

CURES RHEUMATISM Quickly Eases Stiff, Sore, Swollen Joints and Muscles—Drives Rheumatic Pains Away

It is needless to suffer any longer with rheumatism, and be all crippled up, and bent out of shape with its heart-wrenching pains, when you can easily avoid it.

Rheumatism comes from weak, inactive kidneys, that fail to filter from the blood the poisonous waste matter and uric acid; and it is useless to rub on liniments or take ordinary remedies to relieve the pain. This only prolongs the misery and can't possibly cure you.

The only way to cure rheumatism is to remove the cause. The new discovery, Croxone, does this because it neutralizes and dissolves the poisonous substances and uric acid that lodge in the joints and muscles, to scratch and irritate and cause rheumatism, and cleans out and strengthens the stopped-up, inactive kidneys, so they can filter the poison from the blood, and drive it on and out of the system.

Croxone is the most wonderful medicine ever made for curing chronic rheumatism, kidney troubles, and bladder disorders. You will find it different from all other remedies. There is nothing else on earth like it. It matters not how old you are, or how long you have suffered, it is practically impossible to take it into the human system without results. You will find relief from the first few doses, and you will be surprised how quickly all your misery and suffering will end.

An original package of Croxone costs but a trifle at any first-class drug store. All druggists are authorized to sell it on a positive money-back guarantee. Three doses a day for a few days is often all that is ever needed to cure the worst backache or overcome urinary disorders.—Advt.

Louisiana Purchase Exposition company with funds left over from the world's fair and informally presented February 8 to the city of St. Louis to house for all time the possessions of the Missouri historical society, will be the 10th anniversary of the signing by Monroe and Livingston, at Paris, of the treaty by which the United States secured the vast territory the peaceable acquisition of which is celebrated by the Jefferson memorial. This territory, of course, is that known as the Louisiana purchase, extending from the Mississippi river to the Rocky mountains summit, and hence the expenditure of the Louisiana purchase exposition funds for the erection of great and useful Louisiana purchase monument in the shape of the Jefferson memorial has been generally commended as a wise act.

Congressman Richard Bartholdt, of St. Louis, an international figure in the peace movement, has accepted the presidency of the Fourth American peace congress.

"In the midst of war it will be our privilege to raise the voice of peace, at a time, too, when we are about to celebrate the 100th anniversary of peace between the United States and Great Britain," says Congressman Bartholdt in his letter of acceptance.

Although the headquarters of the American Peace society, initiator of the peace congress, is at Washington, D. C., virtually all of the plans for the congress are being made in St. Louis by the executive committee for the congress body of public spirited St. Louisians chosen by the American Peace society for the work. The committee has established headquarters at the offices of the business men's league, the city's foremost commercial organization.

PHYSICIANS ENDORSE VINOL To Create Strength and for Pulmonary Troubles.

Run-down, debilitated people, those who need strength, or who suffer from chronic coughs, colds or bronchitis may find relief in these letters.

Dr. C. L. Dreese, Goshen, N. Y., says: "In cases where the curative influence of cod liver oil is needed, I prescribe Vinol, which I believe to be far more palatable and efficacious than any other cod liver preparation. It is a worthy cod liver preparation in which a physician may have ever confidence."

Dr. L. B. Bouchelle of Thomsville, Ga., says: "I have used Vinol in my family and in my general practice with the most satisfactory results. It is exceedingly beneficial to those afflicted with bronchial or pulmonary troubles, and to create strength."

Dr. W. N. Rand of Evans Mills, N. Y., says: "I want to say that I have used and prescribed Vinol in my practice and it will do all you claim for it and more."

We return your money if Vinol fails to help you. Red Cross Pharmacy, Burt H. Wells, Prop., Barre, Vt. P. S.—For children's eczema, Saxo Salve is guaranteed truly wonderful.—Advt.

MEETING OF THE BOARD OF CIVIL AUTHORITY TO REVISE THE CHECK-LIST.

The board of civil authority will meet in the City Court Room in the City of Barre, Vt., on the evenings of February 19, 20, 24 and 27th, 1913, at 7 o'clock, for the purpose of making additions and corrections to the check-list to be used at the annual city election to be held on the 4th day of March, 1913.

Dated at the City of Barre, Vt., this 11th day of February, 1913. James Mackay, City Clerk.

NOTICE

The subscribers to the capital stock of the Quarry Savings Bank & Trust Company are hereby notified to meet at the banking rooms of the National Bank of Barre, on Saturday, March 1st, 1913, at 9:30 a. m., for the purpose of electing directors and to transact any other proper and necessary business, and to complete the organization of said Quarry Savings Bank & Trust Co.

FRANK J. MARTIN, Judge. Feb. 21-25 Mar. 2.
