

FITTS' GREAT AUTUMN SALE

Commencing Tuesday Morning, October 7 and Continuing to Saturday Night, October 18
Thousands of dollars worth of Staple and Seasonable Merchandise to be sold at greatly reduced prices.

FITTS' GREAT AUTUMN SALE

We have decided to make this an Annual Event. Without doubt in future years the Annual Autumn Sale will be one of the most important and looked for Merchandising Events of Northern Vermont. There are several good reasons why we have a sale at this time. One is that this is the time that manufacturers of nearly all Ready-to-wear Lines are ready to turn over the balance of their stocks at greatly reduced prices, and we have taken advantage of that opportunity. Another reason is that at this time of the year we always find lines in every department that should be closed. Merchandise that is new and good style, but not favored by our customers, and would be carried through to Jan. if not sold at a reduction; and still another reason; this is the time that the public want merchandise and we are catering to the public. This is the time of the year many towns in the State have their merchants week, and pay your care fare to come and see them. We don't pay your car fare but we can and will save you many times your transportation if you will take advantage of this sale. Only one thing more—we find ourselves with many thousands of dollars more stock than we have ever had before, and we know positively that you will find here the largest and best selected stock and the best bargains ever shown in Central Vermont. **Remember the Date**—Come the first day if possible; if not, come early, as best bargains always go first and there is sure to be a crowd.
