CHRONIC COLDS

Are Contracted by Changeable Weather—A Simple Remedy.

Sudden changes are particularly trying for old people or those who suffer from a weakened, run-down condition, chronic coughs, colds or bronchitis, but if such persons would only apply common sense methods in the treatment of their condition, much discomfort and suffering might be avoided.

The most essential thing to do is to build up strength, enrich the blood, increase vital resistance, and to accomplish this nothing equals Vinol, our cod liver and iron tonic.

Mrs. M. J. Grimes of Springfield, Ohio, says: "I was badly run down, nervous and weak, and while in this condition I contracted a heavy cold and rheumatism. Vinol was recommended, and I am happy to say it cured my cold and restored me to health again."

Old people, delicate children, run-down, overworked and tired women, those suffering from bronchitis, chronic coughs and colds, should try a bottle of Vinol. We will return your money if it does not help you. Red Cross Pharmacy, Floyd G. Russell, Barre, Vt. P. S.—For orders of sample, try our Fazo Salve. We guarantee it.—Advt.

Seales and wife, who have been boarding with Mr. and Mrs. Elisha Burgess during the summer, have rented a tenement in the Tracy brick house on Jail street, and will commence keeping house there in the near future. Something New for Barre

We respectfully announce that we have taken the distribution of

Brown's Quick-Fire Charcoal

for this section of country. While this is a new product to many here in Vermont, it is in almost universal use in all sizeable places south and west of us, and we believe will be a welcome addition here. You will find it handy to use, always ready, always sure, quick, safe and cheapest for kindling coal, coke or wood fires.

Ladies, you won't have to depend on the menfolks to keep you supplied or wield the axe when you discover you are out of kindling at critical times, any more; you can also avoid the use of kerosene with consequent danger to person and property. Keep a sack of our charcoal handy by; simply put some paper in stove, shake a layer of charcoal from sack, put on a little coal and light. Don't keep fire from day to day in kitchen range. You get vastly better results from new fire and now you will find it cheapest. Please try it! Only 13c per sack, or 2 for 25c.

CABOT GRANGE FAIR.

Great Display and a Large Crowd Enjoyed It.

People from all over Cabot and adjoining towns gathered in Cabot October 4 to attend the grange fair, which was a decided success. It showed the interest of the people in a progressive work, as well as the arduous labor on their farms, in their gardens, and the housewife's untiring energy by the liberal display of useful as well as fancy work. They were generous in loaning ancient and antique articles, all of which helped to make the day one of pleasure as well as profit. A sumptuous dinner was served in their banquet hall, which refreshed and satisfied the hungry appetites of the big crowd. It is hoped this fair will stimulate and arouse the interest of the townspeople to double their diligence another year and have what may be termed "the Cabot world's fair."

The proceeds of the day amounted to over \$100 net. There were hundreds of articles which were worthy of mention, but space forbids.

BACKACHE IS A DANGER SIGNAL

Kidney Troubles, Bladder, Disorders, Rheumatism, and Serious Diseases Follow.

There are other symptoms, such as pains in the region of the kidneys, nervousness, dizziness, tired and worn-out feeling, weak bladder, or urinary troubles, which are just as dangerous, for the slightest kidney derangement if neglected may develop into the deadly Bright's disease, dropsy or diabetes.

It is not only dangerous, but needless, for you to suffer and endure the tortures of these troubles, for Croxone promptly ends all such misery.

There is no more effective remedy for kidney, bladder trouble and rheumatism, than Croxone, because it reaches the cause. It soaks right into the kidneys, through the walls and linings, cleans out the clogged-up pores, neutralizes and dissolves the poisonous uric acid and waste matter, that lodge in the joints and muscles and cause those terrible rheumatic pains, and makes the kidneys filter the poison from the blood and drives it out of the system.

Three doses of Croxone a day for a few days is often all that is ever needed to relieve the worst backache or overcome disagreeable urinary disorders.

You will find Croxone different from other remedies. It is so prepared that it is practically impossible to take it without results. An original package of Croxone costs but a trifle, and all druggists are authorized to return the purchase price if it should fail in a single case.—Advt.
