

Quaker RANGES

The Large Ovens Insure Perfect Baking

It will take us but two minutes when you call at our store to show you how the simple but original Quaker flue construction circulates the heat twice around all sides of the oven before it is allowed to pass up the chimney. Do you realize that this means a great saving in coal besides insuring an even oven heat that means perfect results for all baking. If you've had oven troubles we urge you to call at once and see our new Quaker line.

Here At Home

Barre Citizens Gladly Testify and Confidently Recommend Doan's Kidney Pills.

It is testimony like the following that has placed Doan's Kidney Pills so far above competitors. When people right here at home raise their voice in praise, there is no room left for doubt. Read the public statement of a Barre citizen:

George W. Lander, 92 North Main street, Barre, Vt., says: "I had frequently seen Doan's Kidney Pills recommended in the local papers by citizens of Barre, but had no occasion to use them until my back began to bother me about ten years ago. I got a box of Doan's Kidney Pills and they acted as a tonic to my kidneys. I have never needed a kidney remedy since. I can recommend Doan's Kidney Pills as a reliable kidney remedy."

For sale by all dealers. Price, 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's and take no other.

"OW!" Corns? Use "GETS-IT"

"GETS-IT," the New-Plan Corn Cure, Makes Any Corn Shriveled, Vanish.

You'll say, "It does beat all how quick 'GETS-IT' got rid of that corn. It's almost magic!" "GETS-IT" gets every corn, every time, as sure as the sun rises. It takes about two seconds to

"Madam, if you'd use 'GETS-IT' for Corns, You Could Wear Any Tight Shoe Easily!"

apply it. Corn pains stop, you forget the corn, the corn shrivels up, and it's gone! Ever try anything like that? You never did. There's no more fussing with plasters that press on the corn, no more salves that take off the surrounding flesh, no more bandages. No more knives, files or razors that make corns grow, and cause danger of blood poison. "GETS-IT" is equally harmless to healthy or irritated flesh. It "gets" every corn, wart, callous and bunion you've got.

"GETS-IT" is sold at all druggists' at 25 cent a bottle, or sent on receipt of price by E. Lawrence Co., Chicago—Advt.

THE BUSINESS FARMER'S CORNER

The Farmers' Own Department.

Secretary of Agriculture H. E. Houston.

The department of agriculture believes that farming is a business and must be made to yield a profit.

The home is part of the business plant and for this reason the department makes public methods to save money, labor and waste motion.

The work falls into two fields: (a) the protective side; (b) the increased production and increased profit side.

On the protective side, note the department's campaign to aid the farmer to overcome plant diseases, to prevent and stop ravages of insects and other pests and blights and to deal effectively with contagious diseases and epidemics among plants and animals.

On the constructive side, the government's work begins with the actual soil. The bureau of soils has for years been making complete soil analysis and has furnished each county studied with complete maps showing the nature of the soil, the crops best suited and how to treat the soils.

The dairy division conducts work to cut from herds unprofitable cattle, to produce and ship dairy products with greatest profit and to increase values.

Another bureau pays special attention to poultry, showing how to produce, pack, chill and ship eggs and dressed poultry so as to command highest market prices. Other bureaus search the world for new agricultural products which might be profitably raised on American soil.

FOR DANDRUFF, FALLING HAIR OR ITCHY SCALP...25 CENT DANDERINE.

Girls! Girls! Save Your Hair! Make It Grow Luxuriant, Beautiful—A Delightful Dressing.

If you care for heavy hair, that glistens with beauty and is radiant with life; has an incomparable softness and is fluffy and lustrous, try Danderine.

Just one application doubles the beauty of your hair, besides it immediately dissolves every particle of dandruff; you cannot have nice, heavy, healthy hair if you have dandruff. This destructive scurf robs the hair of its luster, its strength and its very life, and if not overcome it produces a feverishness and itching of the scalp; the hair roots fallish, loosen and die; then the hair falls out fast.

If your hair has been neglected and is thin, faded, dry, scraggy or too oily, get a 25-cent bottle of Knowlton's Danderine at any drug store or toilet counter; apply a little as directed, and ten minutes after you will say this was the best investment you ever made.

We sincerely believe, regardless of everything else advertised, that if you desire soft, lustrous, beautiful hair and lots of it—no dandruff—no itching scalp and no more falling hair—you must use Knowlton's Danderine. If eventually why not now?—Advt.
