## The Value of a Trade Mark!

Even with all our experience in buying, we can't always tell merely by looking at a piece of furniture how well the lumber is seasoned and how faithfully the work has been done. So we do not depend entirely upon our knowledge and judgment. We buy only the goods made by factories whose honesty of workmanship and good taste have been proved. We refuse to take any chances with your good will and our reputation.

Look at this list:

- Karpen Leather Upholstered Furniture
- "Restwell" Silk Floss Mattresses

To Wood & Grogore of this city has been awarded the contract for the building of a rock face granite wall from the east gate of the State House grounds to the rear of the building. The bid was \$7 a surface yard for the job, which includes tearing down the old wall and putting in the new one. The amount of the bid will be about \$900. Others who put in bids were E. C. Gitchell and E. M. Buck of Montpelier and one other Barre firm. The wall now standing is in poor condition and does not harmonize with the rest of the surroundings, being made of slate and similar stone. It is proposed to replace it with Barre granite. Work has already been commenced.

A large chorus of pretty girls, some good harmony songsters, and a comedian that is all the same implies, such is the repertoire show of J. W. Gosham, which opened a three days' engagement at the opera house last evening. That it is a first-class show from start to finish was the opinion of those who witnessed the initial performance last evening. Around the German comedian centered most of the frivolity, but he was supported by a good cast of funmakers, who kept this going every minute. The little musical skit entitled "I Should Worry" is all that one could expect. Bob Ott played the leading role as a German and in this he starred. Catchy music and dancing was also noticeable throughout the play. Bob brought the house down with his rendition of "Paper Bag Cooking" and "The Green Grass Grew All Around." He was obliged to respond to several encores. There was a large attendance at last night's show and this speaks well for the remaining three performances. To-night, "The Merry Chaperon" will be given; and on Wednesday night "The Happy Hunters" will be given. Wednesday afternoon at 4 o'clock a special matinee will be given, with the prices for adults 25 cents, children 10c. Each child will be presented a bag of candy.

### Ladies' Warm Furs

This is the weather that makes the most of us think what we are going to have to keep us warm when the cold weather is fairly upon us.

The demand for separate Muffs seems to grow stronger each year, and this season if you were to go to the city any time in the last six weeks you would find that nearly every lady you would meet would be carrying a Muff of some kind.

The Natural Raccoon is just as popular this season as it has been for the last two years, and are shown in plain, medium size and the fancy styles. The price is a little less than last year.

The Opposum is more popular than ever and the price has advanced somewhat but they are finished better than they ever were before.

The Fox is being sold in nearly all shades, the Natural and Isabella taking the lead.

The Leopards, Minks, Seals and Fancy Furs, are in good demand as well as the cheaper Furs, such as Coney and Maribou Furs.

### Ladies' Wool Dresses

The ready-made Dress business is growing larger every season. We have sold double the Wool Dresses this season we ever sold. One of the reasons for this is that you can get a good fitting, all-Wool Dress for but a little more than you would pay for the goods.

At \$5.00 we are putting out as a special, an all-Wool fine French Serge Dress. Is a Dress that is made in the season's best styles, and comes in Blues, Browns and Black. This is a Dress that is worth much more and would cost much more to get made up. See these Dress values in the next three days.

At \$7.50 we have some very good Dress values that are made from a good weight all-Wool Serge and in the season's best style; with a good medium full skirt.

At \$10.00 we can give you a number of different Dress values that are made up in the wools and silks.

In the better grades, both in the silks and wools, we can give you a good assortment of Dresses that we have only one or two of a particular style.

Now is a good time to select your Hoagknit Sweater, as later it won't be possible for us to keep all sizes up. See our special Shaker Knit, extra heavy, for boys, men or ladies, with wide roll collar at \$5.98 each in Maroon, Cardinal, Brown, Green, White, Gray and Navy. These are in great demand.
