Was purified and perfect health restored by that wonderful blood-purifying and health-giving medicine, HOOD'S SARSAPARILLA.

IN THE FIELD OF SPORTS

Charles Edward Brickley, the Harvard fullback extraordinary, celebrated his 22nd birthday at his home in Everett on Monday. He was the recipient of wire after wire of congratulations from friends.

Among the list of regular men lost at Yale this year by graduation are Capt. Ketcham, Pendleton, Dunn, Avary, Ainsworth, Martin, Talbot. The captain of the 1914 team will be elected within two weeks, Wilson and Carter being the logical candidates.

Jack Johnson, the world's heavyweight fighter, has gone into the wrestling field. He is now at Paris and has issued a challenge to meet anyone on the mat in a catch-as-catch-can bout. Joe Rogers, an American, who is taking part in a tournament at Paris and has not yet been defeated, may meet Johnson.

Hardwick and Wigglesworth are the only students at Harvard to have acquired three numerals. Hardwick has won his in football, track and baseball. Wigglesworth took his in football, hockey and baseball. Brickley has won his letter in both track and football.

Ty Cobb's official average for batting during the past season was .390. Jackson of Cleveland was second with .373 and Speaker third with .363 and .345 gave Eddie Collins a ranking of fourth.

Charlie Brickley looms up as the logical man for captaincy of the 1914 team at Harvard. He will find opposition in Trumbull and Hardwick. Brickley's choice seems certain in view of the fact that he has played through the big games both last fall and this fall and has been responsible for their victories.

Carlisle met a tartar in Syracuse on Saturday. Comparative scores give Syracuse a much higher rating than Dartmouth college. Still no Dartmouth follower is prone to abide by the fanaticism of comparative scores.

The management of the Brooklyn club of the National league has announced the release of pitcher Fred Walker, who will go to the Newark club of the International league.

K. C. Ferguson, a sophomore, has been elected captain of the football team at Hobart college for next year.

Lehigh once more managed to climb to the top in the annual Lehigh-Lafayette game, winning by the score of 7 to 0. Since Tom Keady's regime at Lehigh their teams have been successful.

Rutland high school defeated Burlington high school in football at Burlington on Saturday by the score of 21 to 12. The first game between the two teams resulted in a 6 to 6 tie.

At Vermont academy at Saxtons River a dam has been built to flood two acres of surface for a skating rink. A bungalow will be built alongside the pond for the skaters. Vermont academy will be represented by an especially strong hockey team this winter. Intermural games will be held at the school.

Vermont academy defeated Keene, N. H., high in football Saturday by the score of 33 to 13.

Harvard is likely once more to forge to the front next fall. From the regular squad of 18 there will be lost but eight members. The regulars lost are Frank O'Brien, end; Capt. Storer, and Hitchcock.

Brattleboro asserted its claim to the southern Vermont championship Saturday by defeating Middlebury high school by the score of 27 to 0.

Brickley's feat of kicking five field goals against Yale on Saturday has been equaled only once in the history of football. It was back 20 years ago when Lafferty booted five goals against Cornell. His record does not stand out as conspicuously as Brickley's, as Cornell possessed a weak team.

Notwithstanding the showing of Yale during the past season there seems little doubt but that Howard Jones will be retained as head coach of football for another year. Jones worked wonders with the team considering the wretched material on hand. Jones is held in high esteem by Yale men.

Stuffy McInnes, the clever Mackman first sacker, and of basketball fame, has announced that he will not take part in basketball this winter and hopes the fans will not be misled by false advertising. Last winter several teams in Massachusetts would advertise him as sure to appear, of course, drawing a big crowd. Then at the 11th hour they would announce that he would not be able to put in his appearance.

Practice for basketball has been called at Burlington high school. The team will again be under the tutelage of Coach Van Cor. Prospects are especially bright for another strong team. Last winter the Burlington team was runner-up for the state title. Many veterans are left over from last season. For several weeks the practice will be confined to class games.

Two persons, locally known, received their letters in the Harvard-Yale game on Saturday. Cowen of Cambridge, Mass., who passed the summer in Barre, received his "H." "Pie" Way, the former Norwich athlete, played part of the game for Yale and was therefore awarded a "Y."

As a result of Saturday's game the Navy team looms up strong for the big Army and Navy game Saturday. The Navy has a team nearly intact from 1912, while the Army has had a rather checkered season.

In selecting his All-American team, Walter Camp cannot overlook Wilson, the Eli general. Wilson during both the Princeton and Harvard games showed his wonderful ability to lead a team. No Yale player of the past decade could have driven the present Eli team against such overwhelming odds and made as creditable showing as on Saturday.

Sam Agnew, the mainstay catcher of the St. Louis Browns, has signed up to play with the Kansas City club of the new Federal league. He says that he joins the Federals because he can secure bigger money than in the American or National leagues.

HAVE YOU YOUR NEW REGALS?

We take it for granted that you are a wearer of Regals. Most men in Barre are, and once they start wearing Regals, they are Regal men. We may have something to do in getting men to begin wearing Regals, but the credit for keeping them in Regals is due to the shoe itself.

A nice new line for winter just in—bright new styles, all with the usual Regal comfort features and wear.

\$4.00 and up for the acme of shoe comfort.
