

ADID THE KIDNEYS

Do Not Endanger Life When a Barre Citizen Shows You the Way to Avoid It

Why will people continue to suffer the agonies of kidney complaint, backache, urinary disorders, lameness, headaches, languor, why allow themselves to become chronic invalids, when a tested remedy is offered them?

Doan's Kidney Pills have been used in kidney trouble over 50 years, have been tested in thousands of cases.

If you have any, even one, of the symptoms of kidney disease, act now. Dropsy or Bright's disease may set in and make neglect dangerous. Read this Barre testimony:

George W. Lander, 92 North Main street, Barre, says: "I had frequently seen Doan's Kidney Pills recommended in the local papers by citizens of Barre, but had no occasion to use them until my back began to bother me about ten years ago. I got a box of Doan's Kidney Pills and they acted as a tonic to my kidneys. I have never needed a kidney remedy since. I can recommend Doan's Kidney Pills as a reliable kidney remedy."

Price, 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Lander had. Foster-Milburn Co., Props., Buffalo, N. Y.—Advt.

ABOUT THE STATE

HAPPENINGS OF INTEREST FROM DIFFERENT SECTIONS

Rev. Stephen Fooks of Rutland, formerly of England, has accepted a call to the pastorate of the Congregational church at Pawlet.

North Bennington may also have a community Christmas tree this year, as Burlington and some other places in the state are planning.

W. H. Taft of Vergennes secured a 375-pound buck in Ripton a few days ago, which had seven points. It was one of the largest deer ever killed in Ripton.

Hilda Ketchum, a Brandon school girl, ran into a telephone pole while sliding down hill there Tuesday. She was injured about the head, as well as internally.

The churches and other institutions of Burlington sent out 150 baskets of provisions for Thanksgiving, each containing a chicken and other necessities for the holiday feast. The high school alone sent out 15.

While sawing wood in Broad Brook (Sharon) Monday, John Gibson of that place was badly hurt when the saw fell and struck him on both arms, cutting one so that 16 stitches had to be taken and eight on the other.

Agricultural work at the Castleton normal school proved very successful this year, there being a potato yield of 400 bushels to the acre. One-quarter of an acre planted with one piece of potato, with a single eye to each hill, yielded 78 bushels, while another quarter of an acre, with two eyes to hill, produced 100 bushels. One of the potatoes weighed three pounds and a half.

Harry E. Rice of Rutland, a brakeman on the Delaware & Hudson road, will probably lose one foot as the result of an accident Wednesday. He was standing on a flat car on which was a block of marble weighing one ton, which when the car was "bumped," slid in such a way as to catch Rice's foot beneath it, and he was held by it until the car could be run some little distance to a derrick, to lift the block. He is 22 years of age and unmarried.

George Smith, a member of the band on the British ship Monmouth, which was sunk by the German fleet off the coast of Chile, was a nephew of Mrs. Fred Fox of Burlington. It is certain the boy, who was but 16 years old, perished, and his name was among the lost as published. Mrs. Fox also has an uncle and four cousins in service on different ships, one stepbrother in the artillery at the front in France, another stationed on the Arctic, a monitor doing active service along the coast, and a nephew, who has recently enlisted at Portsmouth.

Mr. and Mrs. George A. Rumsey celebrated their 50th wedding anniversary at their home in Burlington Nov. 24. They were given a purse of gold by the Winooski Methodist church, more gold by the Champlain Trust Co., of which Mr. Rumsey is vice-president, and \$30 in gold by the family, besides many other gifts. Mr. and Mrs. Rumsey were married in Manchester, N. H., Nov. 24, 1864, and have lived in Burlington since 1866. Mr. Rumsey is 75 and Mrs. Rumsey 71. Mr. Rumsey served in the Civil war one year. Since living in Burlington he has filled several city offices.

The Buick Motor Co., by way of the Boston branch, has sent to Mrs. Helen Robbins of Burlington the sum of \$200 and the manager added his personal check of \$25, towards assisting her financially in recovering from an accident she received in Burlington last August, when she was struck by an automobile driven by one of the company's agents. Witnesses declared that the chauffeur was not to blame for the accident, but Mrs. Robbins suffered a broken leg and a bruised chest and was confined to the hospital with the injuries until about three weeks ago, and the company did what it could towards making amends.

Because someone who attended a dance in the Dunn block in Rutland Tuesday night threw a cigarette onto a mat on the floor, fire smoldered in it and burned through three thicknesses of boards in the floor, being just ready to blaze up when a clubman who had forgotten his coat stopped it on its way to catch an early train and found the incipient fire. The firemen were called and loss which might have resulted in large figures was reduced to a minimum. The Dunn block was badly damaged by fire last spring.

Clarence M. Carpenter, recently of Brandon, was badly injured Wednesday in Detroit, Mich. He was found unconscious in the street by two policemen and taken to the hospital. Two ribs were broken and his chest and head severely injured. On regaining consciousness, Mr. Carpenter could not tell whether he was struck by a street car or an automobile. He is general manager of the Bussier corporation in Detroit and his family moved there from Brandon only a few weeks ago.

Seaver's Dyspepsia Tablets

Have you dyspepsia? If you have, perhaps you want to get rid of it. You can by taking SEAEVER'S DYSPESPIA TABLETS. We do not print any pictures of them before and after taking. You get them by standing before the looking glass. If you don't believe this, try the tablets and you will. We have proved that SEAEVER'S DYSPESPIA TABLETS will cure dyspepsia over and over again. We are ready to demonstrate it in your case, and we will tell you how. Go to the store of the Red Cross Pharmacy, or Frank Roark, or S. C. Voody & Co., Cabot, and get a package. Take it according to directions. If it cures you, step in and tell the druggist so. If it doesn't, step in just the same, and tell him that, and he will hand you right back the ducats you paid him. Do you suppose that offer about what the tablets will do for you? Do you see any way that you can lose any money out of it? But if you really enjoy dyspepsia and want to retain it permanently, let SEAEVER'S DYSPESPIA TABLETS alone, for the tablets won't let dyspepsia alone.—Advt.

Will the party or parties who took the dog from No. 5 Mechanic street, Montpelier, please return him? The dog means more to me than he ever will to anyone else, for he has been my constant companion for four years, the years that I have been ill with tuberculosis and heart trouble. I came to the mountains of the East to be cured, but with this worry I begin going backwards again. I don't believe the party that took him is bad enough at heart to wish to have me suffer as I do now, with the worry. There will be no questions asked if party brings him back. I would like to take him back home with me.

Hoping party will look at this in the right light and bring my little friend back to me.
