A Rutland item says that Deputy Sheriff D. A. Parker on Monday served papers in a divorce case upon Leonard St. John, an inmate of the house of correction at Rutland, in a suit brought by Ethel St. John of Barre, the action being brought in Washington county court. Mrs. St. John petitions for temporary alimony.

William Birnie of Pracham was arrested on North Main street by Special Officer Al K. Curtis late yesterday afternoon. This morning the respondent pleaded guilty to a first offense when arraigned before Judge H. W. Scott and was sentenced to 10 days in the county jail in lieu of paying a fine. Until a few years ago the respondent was variously employed in local granite offices and gained a wide local reputation as a bookkeeper.

Randall G. French of South Barre, who is believed to be Barre's oldest active painter, was taken quite seriously ill yesterday and to-day it was reported that his condition was considered grave, the patient having been threatened with an attack of pneumonia. Interest in a clean-up campaign patterned after the successful campaign of 1914, is being revived around the city and to the end that all may have an opportunity for sharing in their arrangement making a meeting of those interested will be held in the court room at city hall Thursday evening at 7:30 o'clock. Members of the board of aldermen and other city officials who were actively identified with the movement in the spring of 1914 have taken the initiative in calling the meeting and it is one of the encouraging features of the agitation that the first steps of the authorities are being ably seconded by the Barre Woman's club. Present plans, only tentative in nature as they are, do not contemplate any organized effort to clean up the city until May 1, or thereabouts. It is understood that an army of school children will be enlisted in the movement and that every citizen will be asked to co-operate.

A few hundred people went to the opera house last evening to witness Eugene Walter's stage version of "The Trail of the Lonesome Pine," an idol of the Tennessee mountaineers that was widely read some time ago, time as reckoned in the world of best sellers, where the hobby of yesterday's reader may become the nightmare of the fiction reader to-day. A cast well suited to the rather melodramatic adaptation from the novel of John Fox, Jr., pleased the playgoers. There were some very fine scenic effects, especially in the opening act, when a realistic sunset was reproduced on Lonesome. Again in the fourth act, the sunrise effect was quite admirable. Other Company cast, Mrs. Thomas W. Morrison as Dave Tolliver, one of the fighting Tollivers, and Ray Kahan, the animated Lenny Tolliver, acted with discrimination. It is to be presumed that the soft dialect of the Tennessee mountaineers was faithfully reproduced by the Tollivers, Uncle Billy (H. F. Graham), Ole Tom (Eugene L. Brown), and Judd Tolliver, Sam's father (Mark Z. Cook).

Spring Millinery

At Popular Prices

This season, more than usual, ladies are calling for neat, attractive Hats made in the very latest styles, that will wear well and give credit to the wearer of having a five-dollar Hat, and the price is but a little more than half that price.

All are individual Hats—no two alike. When you buy styles like these you usually see several of the same style. No other Hat like yours, if you buy your Hat of us.

If in a hurry, we will take care of you at once. If not, please give us a day or so time. We can please you and at the same time save you a little money.

Munsing Underwear and Black Cat Hosiery

Your next purchase of Underwear and Hosiery will be of the spring and summer kinds. If you have ever used these makes, you need no further advice from us. You are using the very best that your money can buy.

Here is a point to consider: Black Cat Hosiery and Munsing Underwear cost no more than common kinds. They fit better, wear longer, and have that style that ladies so much admire.

There is an increasing demand for SILK HOSE. A few seasons ago, ladies did not expect any great amount of wear from Silk Hose. Then they wore them only occasionally. To-day they are worn every day, and the demand is for more service; and the Black Cat Hosiery has in it that actual amount of wear.

If Black Cat Silk Hose won't stand your requirements, then you are at the last ditch in the Silk Hosiery proposition.

New Wash Goods

Most of these are new goods that have just arrived. Kinds that are really very beautiful for spring costumes.

New Yard-Wide Silk-Edged Crepe De Chine in Apricot, White, Rocky Mountain Blue, Pink, Light Blue, and Navy Blue. These, 50c per yard.

Gabardine, Voile, Yard-Wide, in White, Pink, Apricot and Rocky Mountain Blue.

New lot of Yard-Wide Silk Muslin Pongee in colors of Resada, Nile, Maize, Rocky Mountain Blue, and Light Blue. These are for dresses, and at the price of 39c they are the best Silk buy on the market.

You have no doubt long before now noticed that when we have a new cloth we have a line of best colors; in other words, we have a selected assortment.

New Wash Goods, as fast as they come onto the market, will be seen in our stock.

New Suits and Coats

We are now receiving by nearly every express new models in Suits and Coats, and as the demand for these garments seems to increase every day we are doing all we can to get the merchandise that is right, and the styles that are the latest. We have just received by express from two of our best houses a lot of new models in both Suits and Coats. Some of these are garments that we put in when in New York last week; others are new models that have come out since.

At \$15.00 we have some very good Suit values that are made from a good, fine, all-wool Serge, and in a number of the season's best models.

In the better grade Suits, we can give you a good variety of exclusive models, that are made from the season's best materials, such as Poplins, Gabardines, Whipcoats, Serges, and Venetians.

Our line of Coats is complete in every detail. We have a large display of the season's latest models at popular prices.

The latest things in Neckwear. Styles that every garment demands is the new styled Vestee. These come in scores of styles at prices from 25c up. The popular numbers sell at 50c, beautifully made. It's a wonder to us how they can be made at such a small price.

TALK OF THE TOWN

Alderman O.D. Shurtliff and Mrs. Shurtliff of North Main street returned yesterday from a brief visit in Fairfax, where they were the guests of Mr. and Mrs. M. L. Hicks.

Barre friends of Edward Addy, who is now a resident of Hillsdale avenue in Montpelier, will regret to learn of his serious illness. He has been in a critical condition for several days. Mr. Addy was formerly employed in the granite industry here for several years.

Edward Felt, a conductor on the suburban train of the Montpelier & Wells River railroad, has so far recovered from the effects of a serious operation which he underwent in this city a few weeks ago, as to be able to return to his home in Montpelier. Mr. Felt will not resume his duties for several days.

In their display window on North Main street Hooker & Co. are exhibiting an attractively framed picture of a detachment of Canadian territorialists, which has a local interest, inasmuch as one of the squad is a son of Alexander Cruikshank of this city. Company E of the 2nd battalion, 1st infantry brigade of the Canadian expeditionary force is shown in the picture and a more rugged set of fighting men is seldom seen. The photograph was taken on Salisbury Plain, the well known training ground in England, where many of the divisions are put through their final paces before crossing the channel to see real service. The first infantry brigade, at the time the picture was secured, expected to be leaving for the front within a few weeks.

George Stacy, who was arrested by Officer John W. Dineen on a furnishing charge late Saturday night, appeared before Magistrate H. W. Scott in city court Monday afternoon and reiterated his earlier plea of not guilty. Grand Juror William Wisbart, who instituted proceedings against the respondent, placed one Albert Bulerice on the stand. Bulerice, who is serving a month in the county jail as the result of an indiscretion which he committed last week, made an open statement of Stacy's alleged successful efforts to furnish him with liquor. The court, concluding that enough evidence had been brought out to hold the respondent, bound him over to county court in the sum of \$500, which he was unable to procure. Stacy was taken to the county jail last night. He appeared in court yesterday without counsel.

Card of Thanks.

I wish to thank all my neighbors and friends, who sent me flowers and post-cards while I was in the hospital at Burlington, and especially Cobble Hill grange for the beautiful flowers.

Mrs. Charles Berg.
