Harry Parks of King street, returned this morning from Boston, where he has been visiting on business for the past few days.

Arthur Messenger of Norwich is spending a few days at the home of his grandparents, Mr. and Mrs. William M. Stewart, of the Morse block.

The members of the Woman's club visiting Elmwood park are invited to pick a bouquet of nasturtiums for themselves or to give to the sick or to those who grow no flowers.

The civic federation will hold a rummage sale in the emergency room, basement of city building, Saturday, Aug. 28, from 2 to 5 p. m. Contributions are solicited and may be left at Mrs. W. F. Shepard's store, or at the saleroom after 1 p. m. Saturday.

A splendid lot of young cows, two-year-old calves, all extra choice stock; six horses, among them the famous Wilkesdale, with a mark of 2:19 1/4, and the Galway pony, Dolly Sparrow; farming tools and crops to be sold at auction at the Smith stock farm to-morrow. See ad. on page 7. D. A. Perry, auctioneer.

Frank Courtney, who has been employed during the summer at Cushman's and Ward's electrical office, has completed his duties there and left this morning for his home in South Ryegate, where he will visit his parents for a few days. After a short vacation, he will return to this city and begin work for the Consolidated Lighting company.

Mrs. William McDonald and daughter, Jessie McDonald, who have been visiting relatives and friends in the city for a few days, having recently returned from Boston, left this morning for Los Angeles, Cal., where they will join Mr. McDonald and son, Frank, who went there some time ago. A stop of several days is planned to be made by them at Chicago.

No. 943. Forty-five acre farm with as fine a set of buildings as one could wish; just the thing for market gardening and poultry, and only a mile from the city limits, on level road. Good place for granite worker who wants to work in the sheds a part of the time. Present owner runs a milk route which would be included with equipment if desired. Place keeps six cows and team; barn is 60x40 feet, has four stalls; new house of nine rooms, in fine repair; buildings alone cost \$4,000; plenty of wood for the farm. Plenty of water at buildings. Let us tell you more about this property. D. A. Perry Real Estate Agency.

A pleasant surprise in the form of a miscellaneous shower in honor of her approaching marriage to William D. Parry of Montpelier was tendered Miss Margaret H. R. Brown last evening at the home of her mother, Mrs. Margaret Brown, 9 Grant avenue, when 25 of her young lady friends called to shower her with best wishes and also to leave useful household articles. So carefully was the party planned that Miss Brown had no inkling of what was to take place and when she returned after dusk and entered the parlor she was taken unawares with a downpour of packages. After the excitement had subsided, the evening was given over to playing games and singing. Dainty refreshments of ice cream, cake and wafers were served, after which felicitous greetings brought the affair to a close.

The theatrical season at the opera house was opened last evening with the life-dealing nerve-racking production, "A Fool There Was," taken from Kipling's "The Vampire." It was only a fair audience which came to witness the doings of a 'fool' and the workings of a woman with a strong mind playing on the softer senses of man. The strong part taken by Olin Field, as the vampire, was well taken care of and she portrayed such a life as described in the book of the same name. Equally as effective were Edwin Redding as the friend and F. B. Hersome as the husband, while the part taken by Cecile Holmes as the wife was all that could be wished for and was well played. The remainder of the cast were well balanced; and now and then bursts of applause denoted close attention from the amazed audience. The play had a lesson in it which, when heeded, might lead to a lull in divorce courts. The acting was of a high order and this alone made the three acts attractive.

# Clean Up of Summer Dresses!

We are now making prices on a lot of Summer Dresses to clean them up at once to make room for our fall stock which is fast coming into the department. These are odd dresses left from our season's large stock of these desirable dress models. You now have two months' at least to wear these thin dresses. The styles are good, the materials are the best, the price is very small. At 98c are a lot of dresses that are extra values, are worth from \$2.00 to \$3.50, now at less than the price of the material alone.

At One-half price are a lot of odd dresses in both light and medium colors, such as voiles, dimities, linens, and in combinations of different materials. These are values from \$3.50 to \$7.50, now at only one-half price to close.

### Clean-Up Sale of Coats

We are putting prices on a lot of odd Coats to close them at once. These are Coats of different materials—no two alike.

At 98c each are eight Coats that are made of a good quality material. The style, while not the best, is not bad, and the materials are the best. Are qualities that sold at from \$8.75 to \$15.00. The materials would be good to make over into a child's coat. The price is only 98c each.

At \$1.98 are a few Raja Linen Two-piece Suits. These are a good Suit for the next two months' wear. The quality and style are all right. The regular prices were from \$6.00 to \$10.00; now, to close, at only \$1.98. The skirts alone are worth twice that price.

At 98c are a few odd White Skirts that sold at from \$3.00 to \$5.75. To clean up at 98c each.

At one-half price are what we have left in White and Colored Skirts.

### New Fall Skirts

We are now ready with our early fall showing of Ladies' Separate Skirts. While this is early to begin to talk of the new fall materials we find that many like to get the early selection of the new materials as soon as they are in.

The new fall Skirt styles are very attractive this year. The materials are different, and the styles entirely new. These are the M. & C. and Veits Brothers lines of Skirts, which is a guarantee as to quality and style.

The special values we are showing are priced at \$2.98 to \$3.98. Are made from an all-wool Serge and are in the latest style.

Our popular lines and styles are those we sell at from \$5.00 to \$5.75, and these we are showing in a large range of styles and in the season's best materials.

At from \$6.50 to \$10.00, we have some extra values in Novelty and Silks. These are made in extra good styles that are different.

### Silks for Fall of 1915

New Silks, new in make and new in style. These are very beautiful. The most of these Silks come yard wide, so that a garment can be cut with less waste and less seams than from narrow Silks.

Prices on these Silks are very low, selling at \$1.00, \$1.25, \$1.35 and \$1.50—yard wide.

We have a notice this morning that colors of Navy and Cadet in all foreign dyes will be off the market in many kinds before the fall business is fairly under way. German dyes are nearly all at the present time held up. Conditions seem to be growing worse. We do not expect to see another good lot of Navies, Reds and Cadets until the war is over.

If you have Dress Goods to buy, you can now be sure of foreign dyes. Later reliable manufacturers will not pretend to sell these colors. We will not use domestic colors in Dress Goods; we will go without. So, if you buy here, you will get the best or not any.

### Specials for a Few Days

Twice each year we have a Remnant Sale. These Remnants are now on one of our bargain tables. This is an assortment of short lengths from all of our departments, marked so that anyone can make a saving of one-half or more on what they can use.

One table of 50c goods. These are all this season's goods—odd lots that sell now at less than cost. 29c per yard.

### Hoagknit Sweaters

This is the season for Sweaters. We sell nearly as many now as in the winter. Ladies use them on outing trips; they wash perfectly, keep their colors, and are just the thing for cool evenings and rainy weather. We have a special in a Shaker Sweater that we sell in all colors at \$5.98.

Children's and Ladies' cheaper Sweaters from 98c up. Ask for HOAGKNIT SWEATERS and get the best your money can buy.

The increased demand for Ladies' Silk Hose has been encouraged by improved quality. Ask to see 50c Silk Hose Special in black, white and colors.
