### GRANDMA USED SAGE TEA TO DARKEN HAIR

She Mixed Sulphur with It to Restore Color, Gloss, Thickness

Common garden sage brewed into a heavy tea with sulphur and alcohol added, will turn gray, streaked and faded hair beautifully dark and luxuriant, remove every bit of dandruff, stop scalp itching and falling hair. Just a few applications will prove a revelation if your hair is fading, gray or dry, scraggly and thin. Mixing the sage tea and sulphur recipe at home, though, is troublesome. An easier way is to get the ready-to-use tonic, costing about 50 cents a large bottle at drug stores, known as "Wyeth's Sage and Sulphur Compound," thus avoiding a lot of fuss.

While wispy, gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur, no one can tell, because it does so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared, and after another application or two, your hair becomes beautifully dark, glossy, soft and luxuriant.—Adv.

### AMUSEMENT NOTES

Many Attractive Features in Production of "Everywoman."

The incidental and choral music of the dramatic spectacle, "Everywoman," which Henry W. Savage will offer at the Barre

EDNA PORTER in "Everywoman," at the Barre Opera House Friday, October 15

opera house Friday, Oct. 15, are among the most attractive features. There are 26 musical numbers in all, especially composed by George Whitefield Chadwick, dean of the New England Conservatory of Music, of Boston. These include a male quartet, six choruses, solo dances, a trio, three solos and several incidental numbers for the orchestra. To properly interpret the music the organization is equipped with a special symphony orchestra.—Adv.

"The Bohemian Girl" Next Monday.

One of the distinct theatrical novelties of recent years has been the mammoth spectacular revival of "The Bohemian

RUTH ALLAN AS "ALLEN" in Albert Opera Company's Revival of "The Bohemian Girl," at the Barre Opera House on Monday evening, October 18.

Girl" by the Albert Opera Co. This is the reverse of the usual case, as revivals as a rule are lacking in novelty. In this instance the rule does not apply, because of the many innovations introduced by Allan and Sargent Allen, under whose direction in its new form it was originally produced. At the Barre opera house Monday, Oct. 18.—Adv.

WAITS RIVER.

There will be a dance at the new village hall at Waits River Friday evening, Oct. 15. Bill, 50c per couple. Good music.

### INFLUENCE OF WOMEN

"Women are a wonderful influence in the lives of most great men," says the Washington Post, and upon women rests the responsibility for family health. To her they look for help in times of sickness, and the attention of every wife and mother in this vicinity is called to the rare combination of the three oldest tonics known, which Floyd G. Russell, prop. of the Red Cross Pharmacy, guarantees in Vinol,—iron for the blood, beef peptone for strength, and the body-building, medicinal properties of cod livers. It will pay overworked, weak, run-down people, delicate children and feeble old people to try it.—Adv.

### EAT LESS AND TAKE SALTS FOR KIDNEYS

Take a Glass of Salts if Your Back Hurts or Bladder Bothers

The American men and women must guard constantly against kidney trouble, because we eat too much and all our food is rich. Our blood is filled with uric acid, which the kidneys strive to filter out; they weaken from overwork, become sluggish; the eliminative tissues clog and the result is kidney trouble, bladder weakness and a general decline in health.

When your kidneys feel like lumps of lead, your back hurts or the urine is cloudy, full of sediment, or you are obliged to seek relief two or three times during the night; if you suffer with sick headache or dizzy, nervous spells, acid stomach, or you have rheumatism when the weather is bad, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate sluggish kidneys; to neutralize the acids in the urine so it no longer is a source of irritation, thus ending bladder disorders.

Jad Salts is inexpensive; cannot injure, makes a delightful, effervescent, lithia-water beverage, and belongs in every home, because nobody can make a mistake by having a good kidney flushing any time.—Adv.
