

LINOLEUMS

are going up, but our prices remain the same!

Burlap—the foundation of linoleum—is advancing steadily in price, and higher prices for material compel higher prices for the manufactured product. Despite this fact, we have not advanced our retail valuations, but after our present stock is gone we shall have to, because our next purchase will entail heavier cost.

Crackless, chipless. No joints to collect dirt. Noiseless, elastic. Easily cleaned with water and soap. Enduring. The inlaid and tile effects we show—and the colorings—are most attractive. If you delay that intended purchase you'll certainly have to pay a full third more.

Printed Linoleums, 55c and 65c per square yard. A very special for a few days in a dozen or more patterns at 45c per square yard.

Latest Styles in Buffets

We have a particularly handsome collection of Buffets this season. The manufacturers have certainly turned out some beautiful productions. The very "cream" of the new styles are here—ready for your inspection. All priced as low as good store-keeping will allow.

George A. Rorys, a former employe at the Barre Candy Kitchen, who has been spending some time in New York City and Paterson, N. J., returned to Barre yesterday and plans to make an extended stay in town.

The first of a series of weekly luncheons will be served in the Vincinia club Saturday evening. It is probable that the buffet service will begin at 10 o'clock to accommodate them who are kept by business from reaching the club at an earlier hour. All members of the club are requested to attend Saturday evening. The Saturday night luncheon will be a weekly feature throughout the winter and early spring.

Here is how one Barre youngster, witnessing two of his companions embroiled in a pugilistic encounter, wrote out his impressions of the battle, bringing them to The Times for publication: "I saw the boy strike his playmate with his fist. Playmates should not fight. Even if they can't agree it can do no good to fight." Needless to say, the youth who enunciated this beatitude, is nursing no precocious notion of ever wrestling the white championship from Jesse Willard.

Hiram D. Warren, the Montpelier jitney driver who pleaded guilty to operating his auto while in an intoxicated condition, obtained his release from custody yesterday by paying the \$50 fine and costs imposed by the magistrate. Before Warren left for his home in Montpelier, the license number on his car and his driver's license number were entered on the records at the court room. The judge, in passing sentence on the man, intimated that the facts in the case were to be placed before State Secretary Guy W. Bailey with a view to inhibiting him from operating his car again this season, if not for a longer period.

Mrs. Frank Robinson of Montpelier, who was one of the passengers in Hiram D. Warren's jitney, which ran over the edge of a cinder pit on Granite street Tuesday evening, was able to leave the City hospital last night. Mrs. Robinson has not recovered wholly from the effects of the accident, although it is not expected that any untoward complications will develop. Mrs. Frank Ferguson, who was also a passenger in the jitney, and who submitted to a minor operation at the hospital after the accident, remained at the home of her mother, Mrs. Elizabeth Leclair of Summer street, yesterday. Her condition is said to be improving.

Liberation Notice.

This is to give notice that on and after this date I will pay no more bills contracted by my wife, Mrs. Luigi Longo, and all persons are hereby warned not to trust her on my account. Luigi Longo. Barre, Vt., Nov. 2, 1915.

Christmas Handkerchiefs

This may seem early to talk about Christmas Goods. It's none too early to make your special selection. If we had bought late you would not be able to buy from us such a nice line of new kinds as we are showing to-day. The market on select kinds of foreign goods is almost depleted—late orders cannot be filled. This applies to all kinds of foreign goods. This is the season to select early—to plan ahead just a little to save disappointment.

Marshall Field's Handkerchiefs

This means selected from the largest line of Imported Handkerchiefs in this country and while the market is very short. These were bought last spring and will open up to our trade better than our last season's line, and that is saying quite a lot.

All Linen Hemstitched Handkerchiefs at 5c each.

You should see our line of fine Lawn Handkerchiefs, with embroidered corners, to sell for 5c.

Our line of Embroidered Shamrock Lawn Handkerchiefs that we are selling at 10c is far better than our last season's 12½c value.

We make a specialty of Box Handkerchiefs, three in a box, to sell at 15c, 25c, 50c and \$1.00 per box. We had just about one-half enough last season. This season we are going to try to take care of the demand.

Our Hand-embroidered Irish Linen Handkerchiefs are the talk of the town. No other importer is in it with Marshall Field & Co.'s.

New Dress Goods

There is a large demand for goods heavy enough for ladies' suits. Gabardines are one of the best. Navies are very scarce, also Dark Green, on account of imported dyes. Ladies want these two colors. We have just received these two colors.

Shrunk Serges are in great demand and colors wanted that are hard to get. We bought in July nearly enough to carry us to January 1. The price in that time has increased 7½c per yard on the 75c grade. We are still making the same price as before, 75c.

New Silk in wide Black and White Stripes for waists are considered very swell. These are new and come yard wide in a soft finish very heavy silk at \$1.25 per yard.

New Stripes and Checks in yard-wide Messalines and Taffetas that are very new and very scarce.

We are showing an extra value in a yard-wide Plain Taffeta in all colors at \$1.25 per yard. Compare with any \$1.50 Taffeta, same width.

Remember, we parcel post free and give very quick service.

Ladies' Furs and Fur Sets

This is the kind of weather that brings to our minds the need of Furs of all kinds, and those who want Furs will do well to buy them early, as the Fur market is in the worst shape it has been for years. The Furs we have on hand we will sell at prices as cheap as we have sold them for many seasons, but when we come to duplicate on same, the prices will be at an advance of from 25 to 40 per cent. This is due to the scarcity of import Furs and the import dye situation. Many Furs we cannot duplicate at all, this early in the season.

We can give you the regulation size Muff at prices from \$2.00 to \$30.00 each. These are Muffs that are made from all the popular Furs in quantities that we guarantee as to service. We can give you the small Furs to match any of these Muffs at prices that are right.

Ladies' Bath Robes

We are now ready to help you out on your Bath Robe proposition, and the weather is here bringing to our minds the need of warmer clothes. Our Bath Robes are made from the Beacon Falls Robe materials, and the qualities and coloring are the best we have seen.

At \$2.00 we have a Bath Robe that is one of the best values for the money we ever put out. Robe is made from a good heavy Beacon Bath Robe material, and the colorings are very good.

At \$2.50 are some very good Robes that come in all the good colors and are made in a good full style that is well finished.

At \$3.00 we will give you a Bath Robe that is made from a heavy Beacon Blanket; is made in a good style, finished with ribbon.

At from \$3.50 to \$6.00 is a variety of different Bath Robe models; are made from the heavy Beacon Falls Blanket Robes and finished with satin ribbon. These are Robes that are made by one of the best Bath Robe manufacturers in New York and will interest any who want a good Bath Robe value.

When in our garment department do not forget to look over our stock of Ready-Made Millinery—here you will find one of the largest displays of up-to-date Hats to be found anywhere in this section. See the new White Hats for early winter wear. We are receiving now by nearly every express new Hat Shapes. See our display of Children's Velvet and Plush Hats. Here you will find anything you may be looking for at prices that are right.
