SCHOOL TEACHER

Anemic, Run-Down, Nervous—How She Recovered

There are so many cases like this right here in Barre that we are publishing this interesting letter with the hope that some of our customers will try Vinol and get the same happy result that Miss Baez did.

Key West, Fla.—"I am a teacher and became anemic, nervous, run down, no energy or desire to do anything. I could not sleep and had that languid, nervous feeling that made me a burden to myself. I had taken various tonics without benefit. I heard of Vinol and tried it. Soon I had a good appetite, could sleep all night, and it built me up so I have the ambition to do any kind of work."

Mary L. Baez, Key West, Fla. The reason Vinol was so successful in this case is because it is a constitutional remedy that goes to the seat of the trouble. The peptonate of iron contained in Vinol enriches and revitalizes the blood, while the strengthening, tissue-building properties of the extractives of cods' livers and beef peptone aid in building up the tired, overworked, run-down system. Red Cross Pharmacy, Floyd G. Russell, Prop., Barre, Vt.—Adv.

If You Have Catarrh Read This

Breathe Hyomei Four Times a Day and Watch Results—Gives Prompt Relief

The pleasant, most convenient and most scientific method for the treatment of catarrh is Hyomei. Simply put a few drops of Hyomei in the inhaler that comes with every complete package and then breathe its air for a few minutes, four times a day.

It seems remarkable that so simple a way of treating catarrh will effect such quick relief, but the most important discovery of science have always been the simplest. By breathing Hyomei in this way, every particle of air that enters the air passages of the throat and head and goes into the lungs is charged with a healing bacteria that kills the germs and soothes and soothes and soothes all irritation.

The first day's use of Hyomei will show an improvement, and in a short time there should be no further trouble from catarrh. Its action is rapid and lasting.

You take no risk in buying Hyomei. A complete outfit is inexpensive, but if after using you can say that it has not helped you the Red Cross Pharmacy will return your money. What other treatment for catarrh is sold under a guarantee like this?—Adv.
