

RESINOL BEGINS TO HEAL SICK SKINS AT ONCE

You don't have to WONDER if Resinol Ointment is doing you good. You KNOW it is, because the first application stops the itching and your tortured skin feels cool and comfortable at last. Why don't YOU try this easy Resinol way to heal eczema or similar skin eruption? Resinol clears away pimples, too, and is a valuable household remedy for cuts, sores, burns, chafings, etc. It has been prescribed by doctors for 20 years and contains nothing to injure the tenderest skin. Sold by all druggists.

HOW TO KEEP BABY'S SKIN WELL
The regular use of Resinol Soap is usually enough to prevent those distressing rashes and chafings to which most babies are subject. This is so, first, because Resinol Soap is absolutely pure and free from harsh alkali, and second, because it contains the Resinol medication, on which so many physicians rely for skin troubles.

HAVE ROSY CHEEKS AND FEEL FRESH AS A DAISY—TRY THIS!

Says glass of hot water with phosphate before breakfast washes out poisons.

To see the tinge of healthy bloom in your face, to see your skin get clearer and clearer, to wake up without a headache, backache, coated tongue or a nasty breath, in fact to feel your best, day in and day out, just try inside-bathing every morning for one week.

Before breakfast each day, drink a glass of real hot water with a teaspoonful of limestone phosphate in it as a harmless means of washing from the stomach, liver, kidneys and bowels the previous day's indigestible waste, sour bile and toxins; thus cleansing, sweetening and purifying the entire alimentary canal before putting more food into the stomach. The action of hot water and limestone phosphate on an empty stomach is wonderfully invigorating. It cleans out all the sour fermentations, gases and acidity and gives one a splendid appetite for breakfast.

A quarter pound of limestone phosphate will cost very little at the drug store but is sufficient to demonstrate that just as soap and hot water cleanses, sweetens and freshens the skin, so hot water and limestone phosphate act on the blood and internal organs. Those who are subject to constipation, bilious attacks, acid stomach, rheumatic twinges, also those whose skin is sallow and complexion pallid, are assured that one week of inside-bathing will have them both looking and feeling better in every way.—Adv.

STUBBORN COUGHS, COLDS AND BRONCHIAL AFFECTIONS RELIEVED

With Best Home-Made Remedy—128 Teaspoonful for 25 Cents

If everything was sold in as liberal and fair a manner as E. A. Drown is selling Schiffmann's New Concentrated Expecterant, absolutely no cause for complaint or dissatisfaction could possibly arise from anyone. These druggists say "Buy a bottle of this new remedy and try it for bronchitis, bronchial asthma, whooping cough, severe cough, croup or any bronchial affection, and we will return your money, just the same as we do with Dr. Schiffmann's famous Asthma-Relief, if it does not give perfect satisfaction, or if it is not found the best remedy ever used for any of these complaints." In addition to this guarantee, in order that the public might try this remedy without further delay, these druggists announce that they have decided to make an extra inducement and will sell 200 regular 50 size bottles for half price, 25c, to the first 200 persons who sign and present the coupon below at their store. Although they and the proprietor are losing money on every bottle sold at this price, they both have decided to stand this loss, so as to give those who have not yet used this excellent remedy an opportunity of trying it, at their loss, knowing it will be found

the best medicine ever used by anyone. Even though set in a... of such a medicine at present, it will pay to obtain a bottle now at half price, as no remedy in the family will require it before the winter is over, but you will not have another chance of buying for less than full price.

One bottle makes a full pint (128 teaspoonful) by simply mixing it at home with one pint of granulated sugar and one-half pint of water, and makes a whole family supply, and as much as would ordinarily cost from \$2 to \$3 for the same quantity of the ordinary, old-fashioned, ready-made kind of cough-syrup and also without a guarantee, like this remedy. It is prepared from strictly harmless plants and is so pleasant that children like to take it and it can be given them with perfect safety, as it positively contains no chloroform, opium, morphine or any other narcotic, as do most cough mixtures. Absolutely no risk whatever is run in buying this remedy on the guarantee of the above well known, reliable druggist. If a neighbor or friend would take and pay for half the bottle, the cost of half a pint of this excellent medicine would only cost each about 22 cents.

TWENTY-FIVE CENT COUPON—NO. 1.

This coupon and exp. is good for one (only) 50c bottle of Schiffmann's New Concentrated Expecterant at E. A. Drown's if your name and address is filled in.
