

Merry Christmas

We wish everyone a Merry Christmas, and after that, if you can stand it, a Happy and Prosperous New Year. We say everyone, and we mean it. We wish all our friends the compliments of the season. This is the season of joy, of contentment, of good feeling towards everybody. It ought to be, particularly in the business world. The days when business rivals went out and struck each other with business methods are passing fast, to say the least. Good feeling is coming, and at Christmas time it is always here. If our store has kept business faith during the year, if it has been true to the highest standard, if it has sold honest goods and sold them at an honest price, it has reasons for a Christmas peace and joy. Such a record we have striven to make during the year nineteen hundred and fifteen.

We submit our record to our customers and business associates. This has been a better year for the Lamorey Clothing Company than any year before. Honest and square dealing has made it so. If you are still on the outside, come in; it will pay you. A Merry Christmas to all.

Lamorey Clothing Co.
Yours for Better Things to Wear

ANTI-KAMNIA TABLETS FOR ALL PAIN

"The efficiency of any drug" says Dr. C. F. Robbins, "is known to us by the results we obtain from its use. If we are able to control pain and disease by means of any preparation, we certainly are warranted in its use. One of the principal symptoms of all diseases is pain, and it is what the patient most often complains of. It is something to relieve his pain. If we can arrest this promptly, the patient is most liable to trust in us for the other remedies which will effect a permanent cure. One remedy which I have used largely in my practice is Anti-Kamnia Tablets. Many and varied are their uses. I have put them to the test on many occasions, and have never been disappointed. I found them especially valuable for headaches of malarial origin, where quinine was being taken. They appear to prevent the bad after-effects of the quinine. Anti-Kamnia Tablets are also excellent for the headaches from improper digestion; also for headaches of a neuragic origin, and especially for women subject to painful certain times. Two Anti-Kamnia Tablets give prompt relief, and in a short time the patient is able to go about as usual. These tablets may be obtained at all druggists. Ask for A-K Tablets. They are also unexcelled for headaches, neuralgia and all pains.

HAIR AND SCALP NEED DAILY CARE

Beautiful Hair is Within the Reach of All. If you value the appearance of your hair, you should treat your scalp as often and well as you brush your teeth, and rub into the scalp pores twice daily a little Parisian Sage. This treatment is not a mere "hair tonic." It is bottled nourishment for the hair roots, and it is simply wonderful what an improvement its use for even a week will make in the appearance of anyone's hair. It never injures, is delightfully cool and pleasant to the scalp, and takes out the dull, lifeless look in the hair, making it soft, fluffy, glossy and beautiful. Two or three applications remove every trace of dandruff, and daily use will prevent its return. The Red Cross Pharmacy and the leading druggists everywhere can furnish you with Parisian Sage—it costs but a trifle.—Adv.
