

Why Suffer From Migraine or Sick Headache?

Dr. J. J. Caldwell says that this exceedingly distressing disease does not shorten life, but does not appear to be curable. Sufferers from this affliction are condemned to undergo the periodical attacks every few weeks until they are forty years of age, after which the attacks are less frequent, and finally disappear entirely. Palliative measures during the attack are all that it is possible to suggest, while care in the diet is the best preventive measure. An attack may often be prevented by taking two anti-kamnia tablets when the first symptoms appear, and one anti-kamnia tablet every two hours during the attack shortens it, eases the pain and brings rest and quiet. Anti-kamnia tablets may be obtained at all druggists. Ask for A-K Tablets. They quickly relieve all pain.

GOOD TREATMENT FOR OILY SCALPS

Makes Hair Fluffy and Easy to Manage. Men and women whose hair and scalp are excessively oily have long work keeping their hair in good condition. Dandruff and dirt mingle with dandruff, cling to the oily hair and scalp, clog the scalp pores, stiffen the hair roots and make proper cleansing almost impossible. Parisian Sage is an ideal treatment for this trouble. Wash the hair not oftener than once a week, but use Parisian Sage twice daily, pouring a little into the parted hair and rubbing briskly right into the scalp with the finger tips. It drives out dandruff, dissolves the excess oil, and stimulates the scalp into healthy normal action. This simple remedy can be obtained from the Red Cross Pharmacy or any drug counter and is very inexpensive.—Adv.

CHILD'S TONGUE BECOMES COATED IF CONSTIPATED

When Cross, Feverish and Sick, Give "California Syrup of Figs"

Children love this "fruit laxative" and nothing else cleanses the tender stomach, liver and bowels so nicely.

A child simply will not stop playing to empty the bowels, and the result is, they become tightly clogged with waste, liver gets sluggish, stomach aches, the young little one becomes cross, half sick, feverish, doesn't eat, sleep or act naturally, breath is bad, system full of cold, has sore throat, stomach ache or diarrhoea. Listen, mother! See if tongue is coated, then give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated waste, sour bile and undigested food passes out of the system, and you have a well, playful child again.

Millions of mothers give "California Syrup of Figs," because it is perfectly harmless; children love it, and it never fails to act on the stomach, liver and bowels.

Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly printed on the bottle. Beware of counterfeits sold here. The genuine, made by "California Fig Syrup Company." Refuse any other kind with contempt.—Adv.

AMUSEMENT NOTES

"The Only Girl" Will Appear Among Many Girls.

Young girls, pretty girls, girls who can sing and dance, are to play a big part in the production of the latest musical farce comedy, "The Only Girl," which comes to the Barre opera house on Friday night, Jan. 14.

The chorus has been chosen from more than 300 applicants, a fact which disproves the oft repeated statement that there is a dearth of chorus girls. In "The Only Girl" the chorus will play an active part rather than a pictorial background against which is usually painted the action of a musical piece. An endeavor has been made to obtain young women with pretty faces, graceful figures, good voices and nimble limbs, and at the same time to select those who would best fit the types intended by the authors of the piece. The result is said to be satisfactory in the extreme and when the production comes here it will be found to contain brand new faces and a collection of youthful femininity which has not lost its playful enthusiasm. "The Only Girl" is the collaborative effort of Henry Blossom and Victor Herbert and is presented by Joe Weber, under whose direction it ran for nearly one year at the Lyric theatre, New York. The advance sale opens at Drown's Drug Store Wednesday morning.—adv.

"Cabiria," Eleven Reels.

At the Park Theatre Tuesday only, Jan. 11. This film was staged in five countries and required two years for its completion. It required the services of 5,000 people and cost over \$250,000. In one scene alone 700 people were used in the production of Hannibal's historic passage of the Alps. This scene was actually taken in Switzerland's famous mountains. Ernesto Paganini, the heroic slave in "Cabiria," stands six feet 11 inches in height and weighs 260 pounds, and is capable of lifting 500 pounds with ease. Italia Manzini, who plays the part of Sophoniaba, queen of Ciria, is said to be the most beautiful woman in Italy.

This film is claimed by many to be better than "The Birth of a Nation," and in fact has played at the same and higher prices in New York, Boston and other of the large cities.

Barre Opera House.

When Madame Wanda made her initial bow to a Barre audience some seasons ago, she not only established herself a royal favorite, but she played to a record weekly business. And now after an absence of two years this remarkable lady returns. Wanda, like good wine, seems to improve with age. Unassuming and demure of the stage, at the moment she becomes seated upon the platform seems to be guided by some compelling force much stronger than herself. At one moment rearing and prancing like some wild, unbroken horse of the prairie, in an instant most her voice is broken with emotion as she pours out words of sympathy to some heartbroken mother over an erring son or daughter. She has been variously spoken of as the "queen of psychic force," etc. At all events, there will never be but one Wanda. Owing to the many requests, she will remain Tuesday and Wednesday evenings of this week.—adv.

Miss Hattie Stewart of Montpelier spent the week end with her sister, Mrs. M. Dean Bancroft.

Mrs. E. H. House is visiting her sister, Mrs. A. H. Stewart.

There was a large attendance of members present. Following the installation a short program was given, consisting of a piano duet by Misses Kimball and Chatfield, reading by Mrs. L. Chatfield; question, "What has the grange accomplished to be thankful for the past year?" responded to by Mrs. Turner, Leslie Brown and M. J. Corliss; vocal solo, Arthur Brown. Following the program the ladies served cake, sandwiches and coffee. The grange has had a very prosperous year. Beginning the new year with a larger membership and a goodly sum in the treasury, everything points to a pleasant and profitable year for 1916.
