ECZEMA ON BABY'S FACE AND KNEES

Very Tiny Red Pimples, Changed To Dry, Scaly Crusts. Kept Hands in Bags.

HEALED BY CUTICURA SOAP AND OINTMENT

"When my little girl was a baby she had patches of eczema on her face and over her knees. The breaking out was like very tiny red pimples at first and soon changed to dry scaly crusts, giving a very rough appearance, and causing her much discomfort, and I kept her hands in bags to keep her from scratching."

"I tried several kinds of salves and liquids which did not benefit her and she looked worse. Then I began to use Cuticura Soap and Ointment and soon after she grew better and was quickly healed. I have always kept the Cuticura Soap and Ointment in the house since." (Signed) Mrs. W. H. Knight, 5 East High St., Newbury, Mass., Oct. 19, 1915.

Keep your face young by daily use of Cuticura Soap and Cuticura Ointment.

NORTH MONTEPELIER

The play given by the Hall association at North Montpelier Wednesday and Thursday evenings of the past week was one of the best home talent plays which has ever been given here. It was a strong play and one that was hard to produce. It was the unanimous verdict of those who saw it that it could not have been better. The parts seemed to be especially adapted to each one, especially the parts taken by the colonel's granddaughter, Claire St. Ives, and Ceresse St. Ives. The colonel's part, taken by an old friend, L. C. Hammett, was without criticism, and the old-time stars, L. D. Coburn and his sister, Mrs. Julia Hollister Clark, did all that was expected of them as usual.

The villain's part, taken by F. E. Bledsoe, district deputy, was splendidly done, as well as that of his mother, Signora D. Palmero. Their plotting to get the St. Ives plantation was admirably well done, and it was through no fault of theirs that it was not carried through. The young lovers, Harold Jeffries (J. Smalley) and friend deserved the good luck that fell to them in winning out in the game, as well as winning the young ladies. Of course it was expected that the sprightly little Jackie would win the race, as well as her lover and Lady me! didn't Ephraim make good? Mr. Ward, the solicitor for St. Ives, looked the joy he felt that the scheming and plotting for the St. Ives fortune had fallen through and that the property had ascended to the rightful heirs. The only regret was that the colonel could not have lived to have seen his plans fulfilled and his beloved granddaughter in possession.

LOOKING BACKWARD 60 YEARS

An Interesting Bit of History Everybody Should Know

One of the interesting places in Lowell, Mass., is the old apothecary shop on Merrimack street, established in 1827. This location is still a drug store, although of course modernized in many departments. The old prescription books, however, have been preserved and form an interesting record covering nearly a century.

Perhaps one of the most interesting books is that of the year 1855. On one of the pages of this book, that dated June 9th, 1855, is written the original prescription for Father John's Medicine. This prescription was compounded for the Reverend Father John O'Brien at the old drug store on that date, and was so successful in treating Father John's ailment, which was a severe cold and throat trouble, that he recommended the medicine to his friends and parishioners. In going to the drug store and

calling for the medicine, they always asked for Father John's Medicine, and in this way the medicine got its name and was advertised.

Father John's Medicine is a safe family remedy for colds, coughs, throat troubles, and as a tonic and body builder, because it does not contain opium, morphine, chloroform, and any other poisonous drugs, or alcohol, but is all pure, wholesome nourishing.

PALE WIVES AND MOTHERS

Many women who had a good color in their girlhood grow pale and colorless when they become wives and mothers.

When the fading color in cheeks and lips is accompanied by a loss of brightness in the eyes and an increasing heaviness in the step, the cause is to be sought in the state of the blood.

A hundred causes may contribute to the condition of thin blood that is known as anemia. Overwork, lack of outdoor exercise, insufficient rest and sleep, improper diet, these are a few of them. The important thing is to restore the blood to normal, to build it up so that the color will return to cheeks and lips, the brightness to the eyes and lightness to the step.

Dr. Williams' Pink Pills are the great blood builder and invigorator. They begin at once to increase the red corpuscles in the blood and the new blood carries strength and health to every part of the body. Appetite increases, digestion becomes more perfect, energy and ambition return.

A pamphlet, "Building Up the Blood," will be sent free on request by the Dr. Williams' Medicine Co., Schenectady, N. Y. If you mention this paper. Your own druggist sells Dr. Williams' Pink Pills or they will be sent by mail on receipt of price, 50 cents per box, 12 boxes, \$4.50.
