ABOUT THE STATE

HAPPENINGS OF INTEREST FROM DIFFERENT SECTIONS On the land of E. L. Hastings, in Townshend, is a pure white squirrel, the only one of its kind in a family of red squirrels.

Curtis Bissett of Charlotte, a laborer, has filed a petition in bankruptcy with Clerk F. S. Platt of the United States court. His liabilities are \$126.73 and he has assets of \$875, nearly all claimed exempt.

The Second United States cavalry at Fort Ethan Allen has received orders to be in readiness to leave immediately for New Mexico, and the soldiers put in a busy day Saturday packing their equipment and making final preparations for departure.

Darwin P. Kingsley, who it was announced is a member of the greater New York committee for relief in Belgium, is a graduate of the University of Vermont, Burlington, in the class of 1881 and is still an active trustee of that institution. He is a native of Alburg.

Jerome A. Crane, who was recently appointed general manager of all the Riker-Hegeman-Jaynes drug stores in Massachusetts and northern New England, was teacher in the Vermont industrial school at Vergennes from 1880 until 1882. In 1897 Mr. Crane applied to Charles P. Jaynes of Boston, who organized the stores, which bear his name, for a position as drug clerk. The application was made in the office which Mr. Crane now occupies as general manager.

Offers Wireless Station to Government. Raymond H. Shaw of Rutland has offered his wireless station and his services to the United States government for use in time of necessity.

After the recent test of amateur stations by the government, when each beginner of this science was asked to take a message sent from Davenport, Ia., and deliver it to the mayor of his city, the commander of the Naval Radio station, at Radio, Va., the government wireless station of the east, sent out a request to each of the best wireless stations, asking if the operators would give either his station or his services or both for the use of the government during times of great necessity.

GIRLS—DO YOU KNOW WHY YOUR HAIR IS UGLY?

Many women do not realize the necessity of keeping the hair and scalp absolutely clean in order to look their best. And yet, with only a few minutes of tonic massage, the hair may be brought to a beautiful, thick, lustrous luxuriance, and that at very little cost.
