Constable George L. Morris put a padlock on the little store of Nashville Murray at 36 South Main street yesterday and ordered the proprietor to cease purveying merchandise until notified that he may resume business. An attachment placed on the stock and fixtures is said to restrain Murray from advertising any of his wares for sale. The attachment proceedings grew out of a mortgage given on the stock and equipment.

A number of young men of the city gave a very enjoyable St. Patrick's dance in Howard hall last evening. Eighty couples were in attendance and music was furnished by a local orchestra. One of the most enjoyable of the winter series of social affairs following the regular communications of Granite lodge, No. 35, F. and A. M., was a feature of the get-together in Masonic hall last evening. After the communication a substantial dinner with an abundance of side dishes was served, the Masons adjourning from the lodge room to the banquet hall, where the March committee of 30 was given full sway. After dinner C. F. Millar acted as toastmaster and several spicy responses were in order. Vocal solos punctuated the program of speechmaking, songs being rendered by James Palmer, John C. Wylie and James Patterson. Each singer was called upon for an encore. The feature entertainment of the evening came when a number of the committee members indulged in a spirited revival of Shakespeare. An excerpt from one of the bard's greater comedies was used as the vehicle for the presentation, the characters appearing in costume. Those who participated in the comedy were: N. J. Roberts, G. J. Seager, W. P. Scott, A. L. Averill, J. C. Wylie, Sidney Kidd and Raymond Wheaton.

To the Woman Who Cannot Afford to Make a Mistake

Quality is very important to the woman whose new Suit or Coat is to be worn a whole season, or possibly two or more.

Not only is the wearing quality of the fabric important, but expert workmanship in tailoring. Naturally, designers and tailors who are the most careful as to quality may also be depended upon for charming, correct style.

Every garment is marked with the "Daylight" label. IT SERVES A DOUBLE PURPOSE in protecting you. It assures correct style, design, and also is a guarantee to you as to the quality and service of the garment.

These are all points of great importance to the woman who cannot afford to make a mistake. You will pay no more for these garments than for others, and, whatever garment you choose, you'll find the price moderate.

Spring Suits and Coats

We are now in position to show you an extra large line of the new spring Suits and Coats. Never were we able to show you so early in the season so complete a line of the new things.

We bought early and heavier than usual, in order to protect our trade against the advance in price which is sure to come later. Then, too, later it is going to be hard to get the good materials.

The new Suits are very attractive, and the designs and styles are entirely different and new. The Coats have the new flare to the skirt part, and the loose, straight lines give them a grace and style that is sure to please. These we are showing at the popular prices of the season.

The Separate Coat line is complete in style and quality, and the large showing of different models is sure to please all who are looking for the season's best. We are anxious to show you the line.

Silk and Wool Dresses

Every day now brings new Dress models into our department. We will be able to show you the largest line of Afternoon, Street and Evening Dresses that we ever displayed and in a large variety of different models, that are the very latest models.

Messalines, Taffetas, and Wool and Taffeta Combination Dresses will be among the leading materials.

See our special value in a Silk Dress at only \$10.00. These are made in the season's best designs.

See our tasty Evening and Party Dresses at medium prices. We are now carrying a line of Maternity Dresses that are made in styles that are very attractive.

Wash Goods

Our line of Wash Goods is away ahead of our advertising on this line. We cannot tell you half plainly enough just how nice a line we have. After going over the New York market this week, we are very much pleased with our early selections.

Wish that we could take every one of our customers over the large markets. You could then see conditions as we see them—could see what is coming in a very few weeks, that you, here at home, can hardly realize.

When we say plan early purchases, we mean just what we say. If you were in New York, you would know now. Here in Vermont, where we have anticipated conditions, you can buy at old prices. Very soon we, too, will have to take our turn.

Wash Goods

New and popular kinds to see right now at the following prices:

Our line of Waists is now ready for your inspection. The new Wash Silk Waist in Striped Silk and Plain White is of the season's best, and the prices are not more than last season. We bought them early, before the advance in Silks, thus protecting our customers on models and qualities that will be the season's best. See our values in Voile and Muslin Waists.
