

The greatest Time, Trouble and Money saving device ever put in a stove

One Motion Three Positions Three Results and you can only get it in

Crawford Ranges

The Single Damper—an exclusive Crawford invention—with one motion of a Cool Knob—governs fire and oven—and makes good cooking with a Crawford Range automatic.

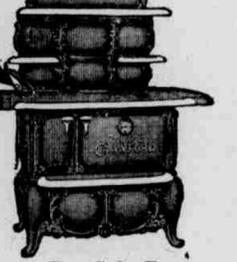

The draft is so perfectly regulated that the fire can be kept as you wish—night and day continuously. The Cool Knob controls fire and oven with one motion.

Saves Time You can't forget. The Single Damper makes "best cooking" a habit. No scorched or underdone food. A Crawford makes a poor cook a good cook—because the "Knob" does the thinking.

Saves Trouble No cold corners in the oven. Even heat. Every ounce of coal puts the heat where it belongs. Less Coal—less expense.

Saves Money The patented Single Damper and 19 other unique and distinctive devices make the Crawford the World's Best Range. Your Dealer will tell you all about them.

Gas ovens if desired: end (Single) or elevated (Double)

EAST MONTPELIER

The main topics in town the past two weeks have been sugaring and the awful state of the roads. Sugaring is nearly over and some have already gathered their buckets. Several heard frogs Sunday and Monday and there is a saying that "a good run of sap comes after the first frogs are heard. The roads are no better yet and in many places all over town are nearly impassable. The worst road is from Adamant to Fairmont station, where the heavily loaded granite teams cut deep furrows that fill with water and mud so that lighter teams nearly lose their wheels out of sight in the ruts.

Several jolly sugaring-off parties have been held lately at each of the sugar-houses of L. P. Young, Harry Vincent, W. A. Hall and C. A. Badger, besides a party of over 100 Sunday, April 9, at the sugarhouse of Russell Collins, and another last Sunday numbering about 60 neighbors and friends. The sugar this year is nearly all off in color, being quite dark, but that it tastes all right is the verdict of the many who have enjoyed the hospitality of those mentioned above.

Frank Davidson is back at F. P. Townsend's after a three weeks' vacation in Boston and vicinity. He is now teaching a young man from Plainfield, Mr. Bean, to take his place, as Frank has decided to try some other kind of work, after about 10 years as all-around man for Mr. Townsend.

RANDOLPH

E. F. Emerson, who has been very ill for several days, following a long period of ill health, was taken much worse Monday afternoon and from that time has been in a comatose state, from which it is thought he cannot rally. The nature of his disease has closely resembled paralysis, but at present the physicians think the cause of his illness may be a tumor on the brain. Mr. Emerson has reached the age of 79 years, and has been in a feeble state for a long time, and unable to attend to business. Mrs. Howe, the sister of Mrs. E. S. Fogg, who lives in Chicago, arrived here Monday night for a short visit with her sister.

Rev. E. W. Sharpe, who was in town Monday to hold a quarterly conference with the official board of the Methodist church, left on Tuesday morning for his home in Brattleboro.

Mrs. Willis Howard, who was called to Old Orchard, Me., by the illness and death of her brother, Wilbur Spaulding, has returned home. Mr. Spaulding's remains were brought to Bethel on Monday for interment in the family lot. Deceased had reached the age of 50 years, and was the son of the late Mr. and Mrs. Romanzo Spaulding of that town.

Charles Kilburn has sold his sawmill business on Central street to John Manchester, who expects to take possession as soon as Mr. Kilburn gets his stock out for the season. The deed has not yet been passed, but the trade is considered good, and Mr. Kilburn is thinking of going to Florida in the coming fall and winter season, to engage in business if a favorable opening is found, and in any case to see the country. Miss Lena Kilburn, the daughter, has been there through the winter.

GROTON

Miss Theresa Carpenter, who was taken suddenly ill a week ago last Sunday, was taken to the Mary Fletcher hospital in Burlington Friday afternoon, as her condition continued to grow worse. The physicians thus far have been unable to diagnose her case fully, but it is thought to be a form of spinal trouble. Miss Carpenter was accompanied to Burlington by Dr. and Mrs. N. A. Caldwell, and her father, S. C. Carpenter.

Mrs. Bertha Carroll, who has been the guest of her sister, Mrs. W. W. Pillsbury, returned to Montpelier Monday. Mr. and Mrs. William Chamberlin and daughter of Lexington, Mass., were in town Sunday.
