

Auction Sale REAL ESTATE

To close the estate of John H. Sprague, late of East Brookfield, the undersigned will sell at public auction, on

FRIDAY, APRIL 28, 1916 at 1 o'clock p. m. at the late residence of the said John H. Sprague, the following described property, viz:

HOME PLACE consisting of about 40 acres of land, in the village of East Brookfield, with a 2-story house and all containing 8 rooms, 2 bathrooms, billiard room and bathroom with set tubs, hot and cold water at sink. The barn, corn barn and sheds are all in fair condition, and both house and barn are supplied with never-failing spring water. The land is suitably divided into mowfield, pasture and orchard; the latter is fenced and can be used for either mowfield or pasture. In the pasture there is a sufficient amount of young thrifty growing pine to make the property especially desirable from the standpoint of investment. This property is located in the well-known fertile valley of East Brookfield, on the main thoroughfare from White River Junction to Montpelier, and is an ideal spot for a home. Within 1/2 mile from church and store and 1/2 mile from school. On R. F. D. and Orange County telephone line. ALSO A LARGE MILL BUILDING, in good state of repair and could be easily adapted to almost any kind of manufacturing. One-half acre of land goes with the building.

DURKEE FARM—This farm contains 17 1/2 acres of land, suitably divided into 3 mowfields and 2 pastures, all of which are productive and fertile. Pastures are well watered and one of them well fenced. On this property there is a large acreage of thrifty growing soft wood and enough old growth spruce, hemlock and fir ready for the saw to more than pay for the whole property. This farm is located on the east hill in the south part of the town of Brookfield, and the timber lot is within 3 miles of the saw-mill at North Randolph and is on a good road, over which a team can always handle a good load. On this farm there is also a good sugar orchard and a small orchard of grafted fruit.

SYKE SMITH FARM—This farm contains 120 acres, located on the East Hill in Brookfield, about 1 1/2 miles from East Brookfield village; 118 acres of this property is fenced with cedar posts and wire (mostly) into 1 pasture, which will take care of from 40 to 50 head of cattle during an ordinary season, and is unusually well watered. On this property there is a splendid sugar orchard that slopes to the south, in which it is estimated that upwards of 1,000 sugar apples could be tapped. There are also several acres of thrifty, young, growing soft wood timber and quite a quantity of pine already large enough for the saw. The other 2 acres consist of a fine orchard, one-half of which is now in bearing and with proper care would yield an abundance of fine grafted fruit of the standard summer, fall and winter varieties. On the other half there has within the past 5 or 6 years been planted 100 young trees of standard winter varieties.

PEAKE FARM—This farm contains 100 acres and is located on the East Hill 2 miles from East Brookfield village, is well watered and well fenced with wire and cedar posts and is all in one field, which will carry 25 head or more of cattle during an ordinary season. Has a good sugar orchard on it of 1,000 or more trees, and a small number of nice fruit trees.

BURNHAM FARM—This farm contains 183 acres and is divided into 2 pastures, both of which are well watered and well fenced with cedar posts and wire. This property is located on the East Hill in Brookfield, about 3 miles from East Brookfield village. Each of these pastures will carry 30 or more head of cattle during an ordinary season. On the larger field there are probably 50 acres, heavily covered with hard wood, which lays within about five miles of the village of Montpelier, and on a good road. There is a considerable quantity of spruce and hemlock which is large enough for the saw. On the smaller lot, there is also a large quantity of old growth spruce and hemlock.

GULF FARM—Consists of what was originally 2 farms and contains 371 acres, the meadows of which lie in the beautiful fertile valley on the main traveled road between White River Junction and Montpelier, and at the Brookfield end of the famous Williamstown Gulf. These 2 farms are capable of keeping 100 or more head of cattle and the necessary teams, and the buildings consist of house and all, horse barn, corn barn and 2 large cow barns. The land is suitably divided into 2 large, fertile mowfields, 3 grand pastures, and woodland, of which there is approximately 100 acres of old growth maple and beech, 50 acres of old growth white birch, 10 or more acres of thrifty young pine. On this farm there is also plenty of nice grafted fruit, butternut, hazelnut, etc.

Montpelier Choral Society. The rehearsal of Montpelier Choral society Tuesday evening was attended by nearly the full chorus and gave evidence of the enthusiasm and finished work that the near approach of the festival always produces.

The final production of the "Swan and Skylark" was covered, together with several details of "Gloria," and "Coronation Hymn." During the intermission Mr. T. R. Waterman of Burlington rendered in an admirable manner a difficult and pleasing tenor solo, which met with such an enthusiastic reception that he was obliged to respond with an encore.

Mr. Coffin announced as the sixth soloist, Marie Stoddard of New York, dramatic soprano, who has had unlimited success on the concert platform in the United States, and will appear here May 21. In addition there will be two of Burlington's musicians to appear at the matinee May 25—Mrs. Elizabeth Bradley, dramatic soprano and Miss Dorothy Parker, pianist.

President Sibley announced that the guarantee fund had now reached \$5,100, and this fact in his opinion, gave ample evidence of the attitude of the community towards the society. He said he felt sure that with the stimulus of such confidence on the part of the public, the chorus would, without a shadow of doubt, demonstrate that the coming festival would be the greatest ever held in this locality.

Miss Glee V. Wood and Mrs. Richard Bradley of Barre will sing a duet during the intermission at the next rehearsal.

ABOUT THE STATE HAPPENINGS OF INTEREST FROM DIFFERENT SECTIONS

John Lowe of Wells River has recently enlisted and will join the Canadian troops soon.

Mr. and Mrs. A. A. Smead observed the 50th anniversary of their marriage at their home in Salisbury Saturday.

Rutland is to have a municipal forest, \$1,000 having been appropriated from the water fund of the city for that purpose.

Mrs. Ida Pratt, who was arrested for bigamy in Winoski, was sentenced to serve not less than 12 nor more than 18 months at the state's prison in Windsor.

Miss Frances Warner of the Burlington high school has resigned her position, effective at the end of the school year, to accept a very large advance in salary at Glens Falls, N. Y.

Miss Ada L. Nason and Francis B. Lunt of Rutland sprang a surprise on their friends when they were married at a farewell reception to Rev. and Mrs. G. A. Osman of the Advent church at Rutland Tuesday evening.

Charles English, the Seton Hall catcher, who died of pneumonia Friday as a result of a cold contracted in the game against Yale, which was played April 12, caught for the Bellows Falls Twin State league team during the season of 1914.

John P. Egan has been granted a second-class license to sell liquor in the town of Middlesex, his location being in his mother's house near the dry-bridge leading from the Montpelier-Middlesex highway to Middlesex Center. There were seven applications for Middlesex's single license.

The Proctor band is celebrating its 31st anniversary with a three-night carnival this week. It was organized in 1885 by A. L. Sanders of Rutland, J. E. Eudo, the present manager, is the only charter member still connected with the organization, although six of the charter members are still living. The band is made up of 28 pieces.

Dan Abruzzese was severely burned Sunday in Brattleboro when he was lighting a peanut roaster, as gasoline, which had leaked from the tank ignited from the match he was using, and the explosion burned him about the face and arms. He had the day before received papers on a new accident insurance policy.

The state of Vermont on Wednesday lost its case against the city of Rutland in which it tried to collect \$2,750, the amount between the minimum fees charged for liquor licenses in 1915 and the fees charged in years prior to that. The liquor licensees paid that amount into the city treasury voluntarily, it was stated in the trial just held in Rutland county court.

Not soon shall pass the memory of Miss Mary Abbie Evans. She was born in Randolph Center, Sept. 20, 1891, the eldest daughter of Rev. and Mrs. W. A. Evans.

Mary graduated from both courses of the state normal school in Randolph Center and after her graduation she became a very successful and popular teacher in Wilmington high school. While here, she was taken with neuritis in her arm and suffered excruciating pain for more than a year. Other complications developed and the end came very peacefully March 21.

As a tale that is told by the evening campfire—as a watch in the night—so swiftly hath sped the span of her days. It was hers to die in the morning when life for her had not reached its coronation. No word may alter the grief and shock of the bereavement of those who loved her.

Mary possessed in unusual measure all the womanly qualities which lend grace and attraction. She was ever gentle and kindly, trusting and unobtrusively good. From her girlhood she had been an earnest Christian and a member of the inner circle of our Redeemer.

It was given her to serve in the mightiest and divinest way—the way of heaven—the way of power. That heaven remains to enrich the lives of those from whose hearts she shall never pass.

Into the great light her spirit has passed, to be with Him "at whose right hand there are pleasures forevermore." There remains to those who loved her the knowledge that her young and beautiful life was not lived in vain, and the blessed hope of our holy faith that when our years are done there shall come glorious reunions in the Father's house.

She passed from earth leaving a loving mother, a devoted sister, Lettie Evelyn, and an affectionate brother, Austin Bishop. (Dr. A. P. Boyd.)

WHERE CAN THIS VALUE BE DUPLICATED?

NO. 1958-44 bond of stock, 15 head of which are pure bred and all registered but one; are included in this money-making farm of 322 acres; 100 acres are in tillage, laying down, tree nursery stock, and practically all machine worked. The fields lay in large tracts and are not cut up by streams or large hills; also rich and deep, while it is especially good grass land, the owner raises more than 30 tons to the acre and as good corn can be raised per acre. Without doubt, the wood on this farm, cut and sold on the premises, amounts to this being in the orchard of 1,000 or more trees; estimated 100,000 ft. soft wood; this farm is capable of carrying for 75 head, summer and winter; pastures excellent, and well watered; the buildings are in good shape and consist of an 8-room house, new barn 32x36 with all the conveniences, and a 20x20 horse shed, better than found on most farms; 4 horses, several sheep, and 50 hens are included also, the whole in position to make money from the start. In considering this place, bear in mind the large acreage, improved, well watered, and if not interested, call your friend's attention to this ad. 241f

NO ELEMENT OF RISK IN EITHER OF THESE, AND A CHANCE TO MAKE YOUR MONEY EARN A LARGER RATE OF INTEREST. CITY BLOCK—Paying over 8 per cent. net; located only a few rods from Main street; and yielding \$72.00 per year; never vacant; a splendid location and the building is practically new. What rate of interest are you receiving on your money? If it is not earning enough, look this up. 241f
