Advance timetable sheets issued by the passenger department of the Central Vermont railroad do not indicate that many changes will be made in the summer schedule, insofar as it affects the arrival and departure of trains in Barre. Two additional main line trains are timed on the advance sheet, but the hours when trains are due to arrive in Barre are quite the same as noted in the winter schedule. The summer timetable does not become effective until June 20, but information of a character calculated to be of service to out-of-the-state people planning to visit Vermont in the early summer is given ample space in the preliminary schedule.

Contrary to expectations, first and second class license establishments were not closed to-day on account of the holiday. Among the licensees yesterday the impression was general that the saloons were expected to close on a day designated by the governor as Arbor day. In times past the day has been treated as a legal holiday, but last night certain of the licensees got in touch with the state authorities and were told that they might remain open as usual to-day. Consequently places up and down North Main street and in the side streets where licenses were granted were opened to-day, as on any other day. One or two licensees, who were unable to open early in the week, plan to be doing business to-morrow.

Everybody is Getting Ready for Summer

This is just the time of the year when everyone is making preparation for the summer season. Clean-up time is now on in earnest. Every lady is cleaning up and fixing up her home, ready for summer. This is the time when she thinks of Lace Curtains and the added beauty they mean to the home. There is no one thing that you put into the home that adds so much to the appearance of the home as a good Curtain at the window. Our full line of Ready-to-Hang Curtains is now in stock, and the values we can show you are the best we ever had. These values were bought before the advance in price of Laces, and we are giving you the benefit of our foresight.

If you have ever had the Ready-to-Hang Curtain, you surely appreciate the beauty of this Curtain and the fine finish which the Ready-to-Hang top gives to the room. See our display of these Curtains in our north show window.

Ladies' Separate Coats

While in the market the first of the week, we were able to pick up some Coat and Suit values that will interest any who want a good Coat value.

The Light Colored and White Chinchilla Coats are very popular this season; so much so that it is hard to get them as fast as the demand is for them. We were able to get hold of some of these Coats in quantities that are the best, and are putting them out at a price that will interest any who want such a garment.

See the special light mixed broken check Chinchilla Coat at \$12.50.

At special prices are about fifty odd Coat values. These are Coats we cannot duplicate, and one we picked up this week at less than the regular price. These are on one rack at prices that will appeal to any who want a premium Coat value.

We have just received some new Coat models in the Tans, Blues and Black. These are fine cloths, made in the newest designs and cloths that are serviceable and new.

Ladies' Tailored Suits

We are now offering you some Suit values that will surely interest many who want a good Suit for the season. These are Suits we were able to pick up when in the market, together with a few odd Suits we had in stock.

At \$25.00 each we have on one rack a lot of Suits that are the best and newest cuts. Are odd Suits we have in stock and some we picked up this week. These are a regular \$27.50 and \$30.00 Suit, in styles and cuts of only one each in a good line of sizes; but more small sizes than of the larger sizes.

At \$25.00 these Suits are extra values. The styles are the best, and the designs are new and different; are qualities that were made to sell at from \$27.50 to \$32.50.

At \$18.00 we have some extra good Suit values in Blues and Black. These are many of them new in design. The cloths are good in quality and fast in color. Materials are Serges, Poplins and Gabardines.

We have some good values in the Black and White Shepherd Plaid Suits—Suits that are new and different.

What Are the Best Things in Wash Goods?

When you can answer this question, you are going to have kinds that are being used by better trade.

You are going to buy quality with style. You are to get just a little better for the price you pay.

If you decide upon our judgment, we recommend without hesitating the following.

There is nothing of better value in our store than our 27-inch Endurance Cloth. This comes in over 25 different colors and styles, in fast colors, and wears better than Ginghams and sells at 15c per yard.

Renfrew Devonshire Cloth comes in over 30 different designs. Sunproof and tubproof; comes 32 inches wide. This cloth is being sold by us at 20c per yard. In other cities at 22c and 25c, and a little later we will have to follow their higher price. Remember, price to-day 20c per yard.

If our goods were bought late, we would have to charge you on all lines more than we are today. Early buying has helped us. It is helping you to better goods at a better price.

There are lots of kinds in our Bargain Basement that if you can use will allow you a good saving.

Spring Millinery was never so pretty as this season. Those who have selected have very pretty Hats. New Shapes, new Trimmings, make these later Hats fully up to early designs. New lot of Misses' Hats just received. Ready for Saturday's rush.

FRECKLE-FACE

Sun and Wind Bring Out Ugly Spots—How to Remove Easily

Here's a chance, Miss Freckle-face, to try a remedy for freckles with the guarantee of a reliable dealer that it will not cost you a penny unless it removes the freckles; while if it does give you a clear complexion the expense is trifling.

Simply get an ounce of othine—double strength—from any druggist and a few applications should show you how easy it is to rid yourself of the homely freckles and get a beautiful complexion. Rarely is more than one ounce needed for the worst case.

Be sure to ask the druggist for the double strength othine, as this is the prescription sold under guarantee of money back if it fails to remove freckles.—Adv.
