Mr. Went-and-Cut-It

—Here's Mr. "Gets-It"

The New Plan Corn Cure That's as Sure as the Rising Sun

"Glad to meet you!" said the razor to the corn. "I'll bleed for you!" says the corn to the razor. Razors and corns love each other.

"Why, O Why, Did I Do It? 'Gets-It' for Me After This—If I Live!" Corns love to be cut, picked, gouged, salved, plastered and soaked out—they grow faster. Mr. and Mrs. Went-and-Cut-It realize it now—they use "Gets-It" instead—it's the wonderful, simple corn-cure that never fails. Stops pain. You apply it in two seconds, it dries at once, the corn is doomed. Nothing to stick to the stocking or press on the corn. It means good-night to plasters, salves, diggers, razors and toe-bundling. You can wear smaller shoes. Your corns will come right off, "clean as the world's biggest-selling health food."

BETHEL

Cavalry Troop Responded Promptly to the Call to Arms.

Yesterday morning at about 1:30 o'clock Dr. F. A. Edmunds received orders from Colonel Ira L. Reeves, commanding the National Guard of Vermont to mobilize the local members of the first squadron of cavalry at Dr. Edmunds' office at 10 o'clock. In order to give the men as much time as possible he began about 2 o'clock systematically to call by telephone on otherwise the 30 men belonging to the local troop, of which he is sergeant. More than half the men were having their first good night's rest since their return from the Norwich university school of instruction at Fort Ethan Allen. They responded so well to the call of their country that when Lieutenant Booddy of Northfield arrived about 11 o'clock to get the men ready for their trip in the afternoon to join the main body of their squadron at Northfield preparatory to the mobilization of the entire National Guard of Vermont at Fort Ethan Allen, nearly every man was in uniform and had his baggage ready for the journey. Meanwhile, pending the receipt of the morning papers a great variety of rumors found circulation, one being that war had been declared between the United States and Mexico. The street scenes of the day recalled those of 18 years ago when several members of Company F residing here left for Chickamauga at the time of the Spanish-American war, and a few of the older people said that they were reminded of Civil war days. Sergeant Edmunds furnished the following list of the men for the Times: Roy Abbott, Leon Barnes, Charles M. Beckwith, David Bodner, W. R. Briggs, R. F. Brink, Myron J. Buck, Harold Bundy, George E. Burrelle, L. C. Cagne, Clark E. Davis, F. A. Edmunds, M. E. Gaskell, Ivers A. Hackett, W. H. Harlow, W. C. Harvey, H. L. Hassam, W. W. Hudson, Benjamin King (son of W. T. King), Maurice Lilley, Domenico Ma. cotrigiano, Robert Morrison, Eugene Barrott, C. S. Putnam, F. C. Putnam, D. F. Rice, Averill Rogers, P. M. Savage, C. J. Smith, Elmer H. Sturk, George Stackpole, Rae Washburn, Paul F. Wilson. The squadron will be further recruited as rapidly as possible. Lieutenants Kinsman and Milton spent part of the day here on their way to Rochester, where they hoped to find more men willing to join the cavalry. When the men took the afternoon mail train a crowd of several hundred people, including many women, saw them off. Some of the most prominent and active men in town are in the squad, including the pastor of the Universalist church, selectman, first constable, collector of taxes, assistant town clerk and several business men.

HEADACHES

Thousands of men and women suffer from headaches every day, other thousands have headaches every week or every month, and still others have headaches occasionally, but not at regular intervals. The best doctor is often unable to find the cause of many of these headaches, and in most other cases, knowing the cause, he does not know what will remove it to give a permanent cure. All he can do is to prescribe the usual pain relievers, which give temporary relief, but the headache returns as usual, and treatment is again necessary. If you suffer from headaches, no matter what the nature, take anti-kamula tablets, and the results will be satisfactory in the highest degree. You can obtain them at all druggists, 50c worth, 10c worth or more. Ask for A-K Tablets.

SICK-HEADACHES

Sick-headache, the most miserable of all sicknesses, loses its terrors when A-K Tablets are taken. When you feel an attack coming on take two tablets, and in many cases, the attack will be warded off. During an attack take one A-K Tablet every two hours. The rest and comfort which follow, can be obtained in no other way. Genuine A-K Tablets bear the K monogram. At all druggists.

WHY DANDRUFF

CAUSES BALDNESS

Some Facts That All Men and Women Should Learn Before It Is Too Late. Get rid of dandruff if you have it and the sooner the better. Dandruff causes baldness by choking the pores of the scalp so that the hair roots do not obtain proper nourishment. There is one delightful hair tonic so compounded that besides immediately ending itching scalp and quickly stopping hair from falling, will remove every particle of dandruff after just a few applications. Ask your druggist for a bottle of Parisian Sage, a hair beautifier, tonic and scalp invigorator that as every druggist knows always produces results. Thousands of women use it because nothing else makes the hair so soft, abundant, radiantly beautiful and fascinating. Red Cross Pharmacy always guarantees Parisian Sage.—Adv.

The worthy couple were attended by their son and his wife, Mr. and Mrs. Arthur Blake, and their little granddaughter, Miss Gertrude Blake, and Miss Helen Prouty acted as flower girls.
