WHY DANDRUFF CAUSES BALDNESS Some Facts That All Men and Women Should Learn Before It Is Too Late. Get rid of dandruff if you have it and the sooner the better. Dandruff causes baldness by choking the pores of the scalp so that the hair roots do not obtain proper nourishment. There is one delightful hair tonic so compounded that besides immediately ending itching scalp and quickly stopping hair from falling, will remove every particle of dandruff after just a few applications. Ask your druggist for a bottle of Parisian Sage, a hair beautifier, tonic and scalp invigorator that as every druggist knows always produces results. Thousands of women use it because nothing else makes the hair so soft, abundant, radiantly beautiful and fascinating. Red Cross Pharmacy always guarantees Parisian Sage.—Adv.

RANDOLPH Patriotic Services Were Held Yesterday and Were Largely Attended. There was a patriotic service on Mari-Castle park on Sunday afternoon, which was largely attended and enjoyed by all. The procession started from the Bethany parish house at 2:30 in the afternoon, headed by the Green Mountain band, and followed by several of the organizations and citizens in town and marched to the park. Flags without number were in the hands of those who participated in the march, and the scene was a pleasant one. The speakers were Dr. E. C. Angell and L. B. Johnson, Rev. Fraser Metzger conducting the service. At the Methodist church in the morning there was a service, combining children's day, Vermont day, and also patriotic selections were given and the sermon by the Rev. G. E. Crawford was on "Freedom and Unity." The decorations in the church were largely of wild flowers, and the order of worship for Vermont Sunday, as suggested for use in the churches by the Greater Vermont association was observed. RESISTANCE TO DISEASE Debility is a loss of vitality, not affecting any one part of the body particularly, but the system generally. It is dangerous because it reduces the body's resistance to disease. When debility follows acute diseases, convalescence is slow and the strength does not return as it should. An attack of the grip often results in debility that persists for months. Everybody recognizes that the remedy for debility is to build up the blood because the blood goes to every part of the body and an improvement in its condition is quickly felt throughout the system. The problem in every case is to find something that will enrich the blood. Dr. Williams' Pink Pills suit most people's need because they are non-alcoholic and they really build up the blood and strengthen the nerves. Dr. Williams' Pink Pills are useful for growing children and for men and women whose nervous energy has been overdrawn. Try them whenever your blood is thin. Your druggist sells Dr. Williams' Pink Pills or they will be sent by mail postpaid, on receipt of price, 50 cents per box, six boxes \$2.50 by the Dr. Williams' Medicine Co., Schenectady, N. Y.
