Union Dry Goods Company

OUR FIRST ANNIVERSARY SALE

Begins To-morrow, Saturday, Oct. 7, and Continues Until Saturday Night, Oct. 14

When, last fall, we decided to open the New Union Dry Goods Store, we felt confident that the public would largely patronize us, but we never expected that it would be such a mercantile success as it proves to be to-day, after a year of thriving business.

Our idea to start a progressive, up-to-date store, based on entirely new, modern methods, giving the best economical values in Ladies' Garments and Dry Goods (only possible when the buying is done on a large scale and with the most particular care about prices and qualities), to display at disposition of the public an entirely new stock of all the latest novelties in Ladies' Fashions; that idea has won, enthusiastically, the Barre ladies, who have shown their valued appreciation by making of our New Store the center of the Ladies' Garment and Dry Goods shopping trade in the city.

We don't intend to rest on our success, after having established our reputation. We want to tighten more

and more the well-started links between our customers and our store. We will endeavor to reach promptly the most particular wishes of the trade; our efforts will be turned to give better service, to secure on the market the best values, so to keep up our name as the store of the best prices.

Foreseeing the continual rise prevailing on prices, we have secured, already, a full assortment of New Fall and Winter Merchandise that we're proud to show to the public, at prices that will defy any competition. Honest dealings, qualities and values will be in the future, as for the past, the fundamental basis of the Union Dry Goods Co.

To show our appreciation toward the public, who have made our store the most popular Dry Goods Store in the city, and to celebrate Our First Anniversary, we have decided to give to the trade the following values, which are really tempting, in every respect.
