SOLDIERS GOT RELIEF FROM SORENESS

Boys on the Border Relieved Their Pains and Aches with Sloan's Liniment

Once upon a time Norman Jones, serving in the National Guard at El Paso, returned to camp after a strenuous 15-mile hike foot-sore and leg-weary. He had not been long in active service, and his shoulders, back and limbs felt the after-effects of marching.

Remembering Sloan's Liniment, Jones applied it to the sore spots and went to bed. He writes: "I awoke next morning feeling fine; in fact, had entirely forgotten about the hike and went out for a four-hour drill in the sun as spry as ever."

Private Jones passed the experience along, and many a boy on the border relieved the agony of sprains, strains, bruises, insect bites, cramped muscles, rheumatic twinges, etc., by the use of Sloan's Liniment.

Easily applied without rubbing. At all druggists, 25c, 50c and \$1.00.

BROOKLYN OUTCLASSED

After the First Inning Was Helpless Before Leonard's Pitching

GARDNER'S HOME RUN TURNED TIDE FOR SOX

Brooklyn Tried Three Pitchers, Marquard Being Hit the Hardest

Brooklyn, Oct. 12.—Leonard's splendid pitching, almost faultless fielding, and hard, timely hitting gave the Boston Red Sox their third game in the world series yesterday afternoon by the score of 6 to 2, Brooklyn being hopelessly outclassed after the first inning in hitting, fielding and pitching. Manager Robertson tried three pitchers against the Red Sox, Marquard, Cheney and Rucker, the first two having poor success, while the veteran Rucker kept the visitors scoreless in two innings. After the first inning, when Brooklyn scored its two runs, Leonard held the Dodgers safely.

The feature hit of the game was a home run drive by Gardner of the Boston team in the second inning when with two men on the bases he slammed the ball to deep center field for the circuit. After that the home team seemed to lose its grip, while Boston grew better all the time. The score:

Score table for Brooklyn vs Boston Red Sox. Columns for Red Sox and Brooklyn with runs, hits, errors, and totals.

Retired for Marquard in fourth. Retired for Cheney in seventh. Retired for Rucker in ninth. Retired for Meyer in ninth.

Each of these departments is under the personal supervision of a trained expert, and all of these departments come under the jurisdiction of our Manager, H. D. Larrabee.

Mr. Larrabee has been manager of this company since its organization in November, 1912.

The success of his four years' administration is indicated by the vast improvement in the quality of Montpelier and Barre's Electric Service, which in turn has resulted in a large increase in the business of this company.

With the affairs of this Company under the direction of Mr. Larrabee, our patrons can confidentially rely upon a continuation of the policy of "the best possible service at the least possible cost to the customer."
