

ONE OF "BOBS" OLD SOLDIERS

HALE and HEARTY—due to "Fruit-a-tives".

Most everybody in Chatham, knows Mr. George Walker. His romantic career in the British Army—during the Crimean War and later in the terrible Indian Mutiny under Lord Roberts—is known to many of the older residents of the city; while his erect, martial figure and vigorous health are in striking contrast to the average man of his years. What he says, carries conviction.

GEORGE WALKER Esq.

This letter of Mr. Walker tells how to help Rheumatism, but does not tell WHY "Fruit-a-tives" ends this trouble. Rheumatism is the result of poisoned blood, due to weakness or faulty action of the bowels, kidneys or skin. In Mr. Walker's case, Rheumatism was the result of continued Constipation. Waste matter remained too long in the system, was absorbed by the blood and inflamed the nerves and membranes in his legs. When he started to take "FRUIT-A-TIVES," these tablets immediately acted on the liver. More bile was given out to move the bowels. As the bowels were cleansed, the poisonous waste matter was removed, the blood became clear and the nerves were no longer irritated.

"Fruit-a-tives," the wonderful fruit medicine, is now prepared in the United States, as well as in Canada and England.

"FRUIT-A-TIVES" are sold at 50c. a box, 6 for \$2.50, trial size 25c.—by all druggists and medicine dealers, or they will be sent postpaid on receipt of regular retail price, by Fruit-a-tives Limited, Ogdensburg, New York.

CONQUERS RHEUMATISM IN A VERY FEW DAYS

It is an established fact that one-half teaspoonful of Rheuma taken once a day has driven the pain and agony from thousands of racked, crippled and despairing rheumatics during the last five years.

Powerful and sure; quick action, yet harmless; Rheuma gives blessed relief almost at once. The magic name has reached every hamlet in the land, and there is hardly a druggist anywhere who cannot tell you of almost marvelous cures.

If you are tormented with rheumatism or sciatica, you can get a bottle of Rheuma from the Red Cross Pharmacy or any druggist for not more than 25 cents, with the understanding that if it does not completely drive rheumatic poisons from your system—money back—Adv.

How to Heal Skin-Diseases

A Baltimore doctor suggests this simple, but reliable and inexpensive, home treatment for people suffering with eczema, ring-worm, rashes and similar itching, burning skin troubles.

At any reliable druggist's get a jar of resinol ointment and a cake of resinol soap. These are not at all expensive. With the resinol soap and warm water bathe the affected parts thoroughly, until they are free from crusts and the skin is softened. Dry very gently, spread on a thin layer of the resinol ointment, and cover with a light bandage—if necessary to protect the clothing. This should be done twice a day. Usually the itching and burning stop with the first treatment, and the skin soon becomes clear and healthy again.

Almost any soap will clean the skin and hair. But those who want a soap which not only cleanses but actually helps the complexion and hair are wise to choose resinol soap.

Colds Coughs Catarrh

A trinity of evils, closely allied, that afflict most people, and which follow one on the other, in the order named, until the last one is spread through the system, leading to many evils. But their course can be checked.

PERUNA CONQUERS

It is of great value when used promptly for a cold, usually checking it and overcoming it in a few days.

Ample evidence has proved that it is even of more value in overcoming chronic catarrh, dispelling the inflammatory conditions, enabling the diseased membranes to perform their natural functions, and toning up the entire system.

The experience of thousands is a safe guide to what it may be expected to do for you.

Liquid or tablets—both tested by the public and approved.

THE PERUNA COMPANY, COLUMBUS, OHIO
