The world owes thanks to the genius in Cincinnati who discovered freezezone, the new ether drug. Tiny bottles of the magic fluid can now be had at any drug store for a few cents. You simply apply a few drops of this freezezone upon a tender, aching corn or a hardened callous. Instantly the soreness disappears and shortly you will find the corn or callous so loose and shriveled that you lift it off with your fingers. Not a bit of pain or soreness is felt when applying freezezone or afterwards. It doesn't even irritate the skin or flesh. For a few cents one can now get rid of every hard corn, soft corn, or corn between the toes, as well as painful callouses on bottom of feet. Everyone who tries freezezone becomes an enthusiast, because it really doesn't hurt or pain one particle. Genuine freezezone has a yellow label. Look for yellow label.—Adv.

Are The Four Fruits Used in Making "Fruit-a-tives"

"FRUIT-A-TIVES" is the only medicine in the world that is made from the juices of fresh ripe fruits. Thus, it is manifestly unfair to say, "I won't take Fruit-a-tives because I have tried other remedies and they did me no good". On the other hand, the fact that "Fruit-a-tives" is entirely different from any other preparation in the world, is just why you should give it a fair trial, in any trouble of the Stomach, Liver, Bowels, Kidneys or Skin. "Fruit-a-tives" is composed of the active principle of fruit and the greatest nerve tonic ever discovered. 50c. a box, 6 for \$2.50, trial size, 25c. is sufficient to render a man uninsurable. Every insurable man in time becomes uninsurable. Insure now and be sure. 68th year. National Life Ins. Co. of Vt. (Mutual). S. S. Ballard, general agent, Rialto building, Montpelier, Vt.

Whereas, God, in His infinite wisdom, has thought it wise and best to remove from our midst a beloved sister and charter member of South Barre grange, No. 467, Sister Mary Knight, while we deeply feel the loss of one who was always interested in the welfare of our order, we can but feel that our loss is her gain. Hers has been a life of usefulness and her influence for good in this community has been far reaching. Her faithfulness to duty has been unexcelled and we marvel at the spirit which kept her in her post long after her physical strength was nearly exhausted. Therefore, be it Resolved, That a copy of these resolutions be printed in the Barre Daily Times, that they be spread upon our records and that the secretary of the grange be directed to send copies to the members of her family.

AMUSEMENT NOTES

Bob Ott Company Opens Well at Barre Opera House.

"Six Little Taylors," a musical comedy in two acts, was presented last evening at the Barre opera house before a large and appreciative audience by the Bob Ott company. The play was filled with wit, love and snappy singing all woven together in a most original way, and gives something entirely new in the way of light comedy, which is nothing less than thrilling to the listeners. "Bob" Ott, who took the leading part of Hans Wurst, a Hungarian, did some remarkable work in impersonating a foreigner in America, and making love to Lady Burton, a faker. Ed Howell, as HI Gear, a friend of Hans, was also very clever and was caught in his own trap by making love to the supposed Lady Burton's daughter, meeting with the same fate as the old man, they finding both mother and daughter penniless, after marriage, and the woman both playing the same game as the men, who were supposed to be men of the royal family in Hungary, but in reality both fakers. The singing was very good, there being a snappy chorus, and the singing of Mildred Vaughn, Bob Ott and Ed Howell was of especially high order.

Al H. Wilson in "My Killarney Rose."

Al H. Wilson, the celebrated singer dialect comedian, with present a new Irish song-play, "My Killarney Rose," at the opera house on Monday, Feb. 5, which is described as a comedy replete with romance, heart-interest and rollicking humor with a musical setting embracing a number of delightful song numbers written to suit the atmosphere of the story. The most prominent being "My Killarney Rose," "The Love I Give to You," "Where the Shamrock Grows," "Mary Houlihan," and "The Yodel That Stole My Girl Away."

As the curtain rises on a scene near Killarney, a band of traveling mountebanks are endeavoring to attract the villagers to witness their show. In the midst of their despair Tom Casey (Mr. Wilson), a roving Irishman joins them and by the display of his singing talents earns their gratitude—and assists them to gather a few pennies. While making himself agreeable he encounters a lady of high birth in great distress and by a strange freak of fate he marries her—which brings on him the wrath of her guardian.

Tom and his new found wife find themselves in considerable trouble for their rash act. But Tom by his native shrewdness and wit manages to overcome the snares laid for them and wins in the end the right to be his wife's protector for life.—adv.

Mr. and Mrs. Appleby—The Innocents. Sinclair Lewis' new novel, "The Innocents," begins in the February Woman's Home Companion. It will be completed next month. This will introduce the two main characters to you:

"Mr. and Mrs. Seth Appleby were almost old. They called each other 'Father' and 'Mother.' But they frequently were guilty of holding hands, or of curling together in corners, and father was a person of willful selfishness. A whiff of fluffy silver hair puffed out round faces, and an echo of delicate silver was on mother's rose-leaf cheeks.

"You know, of course, from the moment you heard that their names were Mr. and Mrs. Seth Appleby, that they lived in an apple-bordered grange, with golden meadows about them, rustic
