

Says Simple Remedy Prolonged His Life

Dr. Caldwell's Syrup Pepsin Effective as a Remedy for Constipation

Among older people the various organs of the body have a tendency to slow up and weaken, and this is usually first manifest in a pronounced inactivity of the bowels.

Good health is dependent on regularity in this important function; whenever there is the slightest indication of constipation a mild laxative should be taken to relieve the congestion and dispose of the accumulated waste. Cathartics or purgatives should not be employed, however; these are too violent in action and their effect is only temporary.

A mild laxative such as the combination of simple laxative herbs with pepsin, known as Dr. Caldwell's Syrup Pepsin, is the ideal remedy. It is gentle in its action, bringing relief in an easy, natural manner, without griping or other pain or discomfort, is pleasant to the taste, and can be obtained in any drug store.

Mr. Robert LeForgee, 918 Kirkwood boulevard, Davenport, Iowa, says he has always had a bottle of Dr. Caldwell's Syrup Pepsin in the house for the past eighteen years, and that by using it occasionally as the need arises, and in this way keeping his health good, it has pro-

longed his life, and brought ease and comfort.

Dr. Caldwell's Syrup Pepsin is sold by druggists everywhere, and costs only fifty cents a bottle. To avoid imitations and ineffective substitutes, be sure to get Dr. Caldwell's Syrup Pepsin. See that a facsimile of Dr. Caldwell's signature and his portrait appear on the yellow carton in which the bottle is packed. A trial bottle, free of charge, can be obtained by writing to Dr. W. B. Caldwell, 455 Washington street, Monticello, Illinois, for whom this advertisement is published.

A special school district meeting is called for next Monday evening, at which it is hoped final action will be taken regarding the purchase of a playground. There was a slight doubt as to the legality of the former vote on technical grounds and when the motion to rescind was before the house at a recent meeting John J. Wilson promised the voters that another meeting would be called to avoid any possible objection to the form of the original resolution.

DON'T HURT A BIT!

Lift your old, torturous corns and calluses right off with the fingers.

This tiny bottle holds the wonder of wonders. It contains an almost magical drug discovered by a Cincinnati man. It is called freezeone. It is a compound made from ether.

Apply a few drops of this freezeone upon a tender, aching corn or a hardened callous. Instantly the soreness disappears and shortly you will find the corn or callous so shriveled and loose that you just lift it off with the fingers. You feel no pain or soreness when applying freezeone or afterwards. It doesn't even irritate the skin.

Just as in any drug store for a small bottle of freezeone. This will cost but a few cents, but will positively rid your poor, suffering feet of every hard corn, soft corn, or corn between the toes, or the tough callouses on bottom of feet. Genuine freezeone has a yellow label. Look for yellow label—Adv.

Little Incidents Connected with Mrs. Maria Duke's 100th Birthday Anniversary.

May 12 was the day for some time past looked forward to by Mrs. Maria V. Duke and her large circle of friends with great interest. Early in the day, her daughter, Mrs. M. Kelly, with whom she resides, began to assist her mother entertain callers on the occasion of her 100th birthday.

Among the callers were Rev. and Mrs. A. W. Hewitt, accompanied by School Superintendent W. B. Lance. After receiving their congratulations and words of cheer, Mrs. Duke took up her Bible and read to them the 23d Psalm after which Rev. Mr. Hewitt offered prayer.

The W. C. T. U. sent their offerings of love, the ladies' aid of the M. E. church gave a beautiful rose plant, with 30 buds and blossoms, also fruit, dowers and cards of best wishes. A basket of fruit was also sent from the Sunday school. The ladies of the Village Improvement society gave her a birthday cake, beautifully decorated in centenary style, with a small-sized old glory waving about the figures of time. There was also a great crowd of callers, with other remembrances of fruit, cards, and a poem, entitled "Echoes from Those Who Have Gone to Other Lands." A purse of money from these societies, also money from other friends, helped to make this memorial of her 100th year very pleasant.

At 3:30 p. m., the pupils of the village school, with their teachers, marched up before the Kelly home and gave Mrs. Duke a real daylight serenade, singing three very appropriate songs, after which they passed through the doorway and leaving some token of love, while she spoke to each one.

The writer of this article was much impressed with the remarks Mrs. Duke was heard to make to a company of boys as they stopped before her, as follows: "You're a nice looking lot of boys. I hope you will grow up and make good men and do some good in the world. You will find it if you look for it. I hope you won't have to go to war, but you may." The teachers' basket of fruit was left, and the scholars did likewise.

More Rheumatism Than Ever Before

Chiropractors, Lawyers, Brokers, Mechanics and Merchants Stricken.

Our old friend Rheumatism is having his inning this year, and a few words of caution from one who knows all about it may not be amiss.

Wear rubbers in damp weather; keep your feet dry; drink plenty of lemonade, and avoid strong alcoholic drinks.

If rheumatism gets you, or sciatica, and you have sharp twinges, gnawing pain or swollen joints, or muscles, you can get rid of all agony in just a few days by taking one-half teaspoonful of Rheuma once a day.

All druggists know about Rheuma; it's harmless, yet powerful, cheap, yet sure, and a recent bottle will last a long time. Ask the Red Cross Pharmacy or any druggist.—Adv.

DROP your scrubbing brush and broom and call in the Bay State. He'll put everything to rights in three shakes of a lamb's tail. A little Agate Floor Varnish on the worn floors; a little bathtub enamel; some screen black; chair enamel and the rest—will make the place spick-and-span, before you know it. Just as if the house had stepped from the proverbial hand-box. Remember, too, this house-cleaning will last thru several springs and falls. Our booklet takes the lid off the paint mystery.
