MONTPELIER

Last Quarantined House to Be Fumigated To-day.

Dr. William Lindsay on Friday evening stated that this morning he would issue a statement through the press over his signature removing the quarantine which has been existing since the latter days in June preventing children under 16 years of age attending public gatherings. The board of health last week voted to do this providing no new cases developed in the intervening time and none having developed Dr. Lindsay will fumigate the Lapan house on Cummings street to-night, after which there will be no case of infantile paralysis existing in the city.

Clarence D. Wheelock was arrested Friday afternoon upon State Probation Officer W. H. Jeffrey's warrant, charging him with breach of his probation. He was brought into county court and bail fixed, after which he was allowed to go and the matter will be taken up with the other criminal states cases. Wheelock last May was found guilty of adultery after which he was placed on probation. The officer charges that he broke his probation.

When Patsie Cacicie was brought before Judge E. M. Harvey in city court Friday afternoon she waived examination on the charge of grand larceny of \$50 worth of goods which included \$44 in money, and was bound over to county court, with bail fixed at \$300, which he furnished. Cacicie is charged with stealing the money from George Wilkins' room in the Tomasi block Thursday night.

Clarence D. Wells, for many years the superintendent of the United States Clothes Pin factory here, left last night for Shirley, Mass., where he has been engaged as instructor in manual training in the industrial school for boys. He has spent most of the summer at Groton pond recovering his health. He does not plan to move his family to Shirley at present.

William Milo, jr., catcher of the Montpelier high school baseball team two years ago, was operated upon Friday afternoon at Heaton hospital for appendicitis. To-day he is as comfortable as can be expected. He came to work for C. W. Litch Friday morning and then went to his physician's office with the result that an operation seemed advisable as soon as convenient.

George McKee left this morning for Burlington, where, with Gordon Johnson, the professional golf player of that city Sunday, will meet Messrs. Johnson and Fraser of Barre in a return match for the one played here two weeks ago.

When Patsie Cacicie was brought before Judge E. M. Harvey in city court Friday afternoon she waived examination on the charge of grand larceny of \$50 worth of goods which included \$44 in money, and was bound over to county court, with bail fixed at \$300, which he furnished. Cacicie is charged with stealing the money from George Wilkins' room in the Tomasi block Thursday night.

CORN IN MEXICO

Natives Are Urged to Increase the Production.

Mexico City, Sept. 22.—The work of encouraging the planting of corn in Mexico and the increase of the corn crop has been placed in the hands of Zeferino Dominguez. He is quoted as saying that Mexico must abandon all idea of importing corn from the United States and must grow sufficient for her own needs, and that Mexico should be the greatest producer of corn in the world.

Good Attendance at Norwich.

The attendance at Norwich is very good this year. There are about 80 of the old men back, mostly from the junior and sophomore classes, and up to 9 o'clock Thursday morning, 87 new men had registered. It is expected that several more will register before the end of the month. The university authorities are very much pleased with the showing, as many of the upper classes have won their commissions or have enlisted in the regular army, and it was expected that a decided falling off in attendance would occur. But a very large percentage of the old men not entering the service have returned, mostly with the intention of perfecting their education, both academic and military, and then trying once more for the service. No falling-off in the registration of the new students is expected. The war has seemed rather to add interest in such institutions as Norwich where a thorough course in military training is part of the regular curriculum and where all students are subject to military discipline at all times.

WATERBURY

There being no services at the Congregational church to-morrow, the Methodist Episcopal church extends to all a cordial invitation to attend its services.

The pastor, Rev. Verne L. Smith, has for his subject, "The Call to the Colors." Silk American and Christian conquest flags recently presented to the church will be formally dedicated.

At St. Andrew's church, Rev. Robert Devoey, pastor, high mass and sermon will be at 10:30; catechism class at 3 o'clock, and the rosary and the benediction of the blessed sacrament at 7:30.

Rev. A. D. Page preaches at the Christian Advent church both morning and evening.

Remember the Duxbury town meeting will not be held next Monday, as first warned, but two weeks from that date, Oct. 8.

WEBSTERVILLE.

The ladies of the Episcopal church in Websterville will serve a corn supper in the vestry of the church Tuesday evening at 7 o'clock. Ladies connected with the church please bring cake or pie. Admission 25c and 15c.

Godard seminary offers special training in business, piano, voice and domestic science for unusually low prices. The equipment in each department is excellent. The same teachers who have been doing such fine work in these departments will conduct the work this coming year. Tuition for business and domestic science courses is \$17 a term. In either piano or voice, tuition for two lessons a week is only \$12 a term. Young people in this community who are interested in these special courses are asked again to consider the advantages offered. The expense of the training is one of the very few things that has not increased in these expensive times. School opens next Tuesday.—adv.
