AFTER MEAL A POISONOUS INJECTION

Few folks suffering from kidney and bladder troubles ever think that the meals which they are taking are hastening their death. Every morsel of food taken gives up its quantity of uric acid. This uric acid is taken into the system through a diseased condition of the kidneys. In the healthy man nature provides an outlet for this poison. Those in ill-health must take a medicinal food to drive this death-dealing poison from the system. For over 200 years GOLD MEDAL HAARLEM OIL Capsules have been doing this work. Their effect prompts relief in all diseases arising from kidney and bladder troubles. Don't put off this vital matter of attending to your health until it is time to make arrangements for the hereafter. Get a box of GOLD MEDAL HAARLEM OIL Capsules today. Look for the genuine. with probable internal injuries, and his son, James, Jr., is in the same institution and thought to be fatally injured. Mr. and Mrs. Clark, their little son, and F. Murphy, a cousin, were in an auto accident Saturday night at South Charles-town, N. H., when the car went off the road and for some distance across a ploughed field and into an apple tree. It is supposed that a low hanging branch of the tree struck the boy in the forehead, for his skull was crushed and a piece of bone sticking into the brain was removed at the hospital. The father was thrown so that he struck on his stomach, where the internal injuries seem to have developed. Mrs. Clark and Mr. Murphy were uninjured. The car was completely wrecked.
