Ella Sybil Barrett and Harold Carlton Keeler Married.

Again the wedding bells have rung, this time at the home of Mr. and Mrs. O. F. Barrett, announcing the marriage of their only daughter, Ella Sybil, to Harold Carlton Keeler of Morrisville, on Nov. 28, at 2 p. m., by Rev. Morton W. Hale, pastor of the Congregational church, of which Miss Barrett was a worthy member. The double ring service was used and the wedding march was played by Miss Inez Abbott, cousin of the bride. The bride was gowned in cream white and carried a bouquet of carnations. The couple stood beneath an arch of evergreen with bridal bells. They were attended by Mr. and Mrs. B. W. Barrett, brother and sister of the bride. The room was decorated with ropes of evergreen and white bells.

Immediately after the ceremony an informal reception was held, followed by refreshments of cake, sandwiches and cocoa. Two tables decorated with green and white and laden with gifts from relatives, friends and neighbors, consisting of silver, china and linen, testified to the esteem in which the bride was held. Conspicuous among the gifts was a pair of live geese feather pillows, decorated with red, white and blue ribbon, from the bride's Sunday school teacher.

The newly wedded couple were conveyed in an auto decorated for the occasion to the home of the groom's parents in Morrisville, where they spent Thanksgiving. After a short wedding trip they will reside at Torrington, Conn., where the groom has a position in a munition factory. The best wishes of their many friends are extended to them in their new home.

BETHEL

Whitcomb High School to Lose Another Principal Because of War.

Mason W. Huse, acting as principal of Whitcomb high school since Principal H. W. Haskins was called to the colors early in the fall, has been notified to hold himself in readiness to report at any time within 10 days as a clerk in the quartermaster's department of the army, in which he enlisted soon after this country entered the war. Although it was known when his services were secured that he was subject to call at any time, his success as a principal has been so great that widespread regret will be felt at his departure. The school board will fill the vacancy as soon as possible, several colleges and agencies having been appealed to in the emergency some time ago, but with very little encouragement, owing to the thinning of the ranks of male teachers by enlistments or other more attractive calls than that of the school. Whitcomb high school never was more efficient nor more popular than now and every effort will be made to maintain the high standard of the present. Acting Principal Huse is a graduate of Dartmouth college, taught last year in the Hanover, N. H., high school and his parents live at White River Junction.

Fire broke out at midnight Nov. 28 in the farm home of Mrs. Bess Aldrich, being discovered by her son, Roy, who had come from Springfield that day, when, awakened by crackling near his bed, he was astounded to see flames coming up through the floor of the room which he, his brother, John, and Robert Hoisington, who works there, occupied. Hastily rousing his roommates he led them to the barn, barefooted and in their night clothes, for pails of water with which the flames were subdued after an alarm had been given to neighbors by using the telephone at A. L. Lincoln's. The young men suffered no serious results of their exposure in the snow and chilly atmosphere. Besides damages to the house, several new or nearly new garments were destroyed, entailing a total loss estimated at \$200. The funeral of David G. Brown had been held that day in the house and as the day was cold, hot fires were kept which may have smoldered in one of the old-fashioned chimneys, bursting forth at midnight. The women of the household, including the widow of Mr. Brown, who is a cripple, after the fire were entertained over night at the home of Clyde W. Bowen across the road from the Aldrich house.

Twenty people attended a ball in Rochester Wednesday night, going by special train over the White River railroad.

Give The Stomach A Chance To Work

We can't expect the stomach to act normally if the natural avenues of elimination are blocked, so it cannot dispose of its refuse. When the bowels are constipated the stomach is called upon for work beyond its capacity and the result is bloat, belching, headache, and discomfort generally, and, unless the condition is promptly relieved, serious illness. An effective remedy for constipation is sold in drug stores under the name of Dr. Caldwell's Syrup Pepsin. It is a combination of simple laxative herbs with pepsin that acts on the bowels in a gentle, natural manner, without griping or other bad or discomfort, affording speedy relief. Get a bottle of Dr. Caldwell's Syrup Pepsin from your druggist and have it in the house when you need it; it costs only fifty cents and is the ideal family remedy, mild enough for children and old people yet sufficiently powerful for the strongest constitution. A trial bottle, free of charge, can be obtained by writing to Dr. W. D. Caldwell, 456 Washington St., Monticello, Illinois.
