

BRADFORD

Pvt. Ira L. Parker Much Pleased with Gifts Received.

Fred Ellis recently received a letter from Pvt. Ira L. Parker of the 4th company, 101st ammunition train, as follows: Somewhere in France, Jan. 1, 1918. Mr. Ellis, Dear Friend: Received your box last night and was very much surprised when I saw who it was from.

Wasn't, after thinking it over, knowing you people as well as I do. Well, you don't know how thankful I was. Can't express my thanks. I have nine good pairs of woolen stockings. Guess I won't need to go with cold feet for some time.

The weather is getting very cold now, but was warm until two weeks ago we had a little snowstorm. The ground is frozen about four inches now. I got a box from the Red Cross with two pairs of stockings that Miss Helen Carleton sent and got another last night from the Red Cross, but don't know who sent it.

If you people will, ask her to find out for I should like to find out and thank them. Was very much pleased with the stockings and mitts, but think was more pleased with the pictures. Tell Bernard that I would be very glad to hear from him.

I picked some blackberries the second of November. Had two cards from Ruth Johnson and that is all I have heard from there. The Taylors wrote that they were going to leave the farm. I wonder who took their place.

I am well and comfortable here. Well, there isn't any more that would interest you that I can write. Will close with best wishes to you all and thanks again for the presents.

Hoping to hear from you again. Would like to hear from Maynard and all. Ira.

At the close of the prize speaking contest on Monday evening, John Billings, in a few well chosen words, presented Mr. Tuckerman a \$5 gold piece as a token of love and esteem from the pupils of the school.

Stop That Pain!

Pain is weakening. It disorganizes the functional efficiency of the body and general ill health follows.

Mysterious Pain Ease is a Godsend to all sufferers from Burns, Bruises, Sprains, Chills, Rheumatism, Toothache, Neuralgia, Lumbago, Headache, Cramps, etc.

For 30 years Mysterious Pain Ease has proven its superiority over every other liniment for the relief of pain, the soreness of strained muscles and the reduction of inflammation which causes pain.

Tells How to Stop a Bad Cough

Suppling results from this home-made syrup. Easily prepared and costs little.

If you have a severe cough or chest cold accompanied with soreness, throat tickle, hoarseness, or difficult breathing, or if your child wakes up during the night with cough and you want quick relief, just try this pleasant home-made cough remedy.

You can feel this take hold of a cough in a way that means business. It loosens and raises the phlegm, stops throat tickle and soothes and heals the irritated membrane that lines the throat and bronchial tubes with such promptness, ease and certainty that it is really astonishing.

There are many worthless imitations of this noted mixture. To avoid disappointment, ask for "2 1/2 ounces of Pinex" with full directions and don't accept anything else.

When in Chelsea, stop at Chelsea inn. One of the people who is determined to do her bit by aiding in other homes is Mrs. Henry Gabree of Duxbury, who was 82 years of age last Monday.

She was born in Swanton, the daughter of Mr. and Mrs. Edward Baker, and 66 years ago married Henry Gabree, who was killed on the railroad track near the Demeritt company's plant nearly three years ago.

For 44 years she has lived in her present home and nearly every home in the neighborhood and far outside has felt her helpfulness. In cases she has worked for both parents and even grandparents of parties.

In her own home she has reared not only her own children, but her grandchildren. Thirteen children were born to Mr. and Mrs. Gabree, four of whom are living; also five grandchildren and five great-grandchildren.

Mrs. Gabree is fortunate in her good health and walks off and works like a young woman. She is much interested in the present war and compares conditions with those of the times of the Civil war. She feels that no one should be inactive at this time and rejoices that she has the strength and the disposition to work.

W. J. Bruce arrived with the body of Mrs. Bruce's mother, Mrs. Susan Pickett, on the midnight train Monday night. Services were held in the chapel of the Congregational church Tuesday afternoon at 2 o'clock. Rev. H. W. Cummings officiating. The burial was in the family lot in the village cemetery, the bearers being E. E. Campbell, W. B. Clark, Herman Morse and Orlo Ayers.

Miss Judith Haines of the Barre schools was a week-end guest of Mrs. Roy W. Demeritt.

TUNBRIDGE

Tunbridge Boy Attending Night School to Learn French.

A Tunbridge boy, Frank Leon Folsom, of the 101st Machine Gun Battalion, somewhere in France, writes thus to his brother, Clarence Folsom, about learning French.

I am going to write you a few lines to let you know I am all right, only have feet most of the time. We are going to have hip boots. Some have them now. I have just been reading the Chelsea Herald that Grandma sent. I got them to-night.

I am going to school every night, trying to learn to talk French. It is hard at first, but I am going to stick to it and learn if I can. George Chase was over to see Clarence Halvorsen and me. We had to sleep three in a bed. Sunday we went over to see Fred Ransom. He is feeling fine. You ought to be here with us.

What is the news? Most every letter I get I hear of a marriage. How are Mrs. Plagg's folks? I would like to see them. I suppose it is dead around there. What is Charles West doing this winter? Is he on the hills? You tell Mrs. Smith and Mrs. Bicknell I got their cards the other night and was more than glad to get them. I want to hear and get letters from everybody.

I don't think of much more this time, so I had better close. Will write mother next week. Lots of love to all. Frank.

PLAINFIELD There will be a dance in the S. and D. of L. hall Friday evening, Feb. 15. Dancing from 8 till 1 o'clock.

On Friday evening, Feb. 8, a reception was given to the young people of several churches of the city. About 125 guests were present. A short program, consisting mostly of music, was given, and this was followed by games and refreshments.

The seminary basketball team is to play a return game with St. Johnsbury in Montpelier on the evening of Friday, Feb. 15, and during Monday, Tuesday and Wednesday of next week is to take a trip, playing Randolph high, Lebanon high of Lebanon, N. H., and Colby academy. Thus far the seminary team has lost to Spaulding and St. Johnsbury and has defeated Bethel high and Waterbury high.

On Tuesday evening Rev. C. A. Boyd, secretary of the state Sunday school association, addressed the student body on the subject of "Modern Religious Education," and outlined plans for a series of meetings at which the Christian associations will take up the study of some of the problems connected with the religious education. It is hoped that Mr. Boyd will be able to take charge of one or more of these meetings.

At the closing session of the Vermont ministers' conference held at Trinity church on Tuesday evening, the speakers were Amos L. Betts of Boston and Dr. C. E. Spaulding of Worcester, Mass., who is president of the first general district Epworth league. They spoke in the interest of an Epworth league institute similar in character to that which has been held annually at Laselle seminary, Auburndale, Mass., and several other educational centers throughout the country.

It is proposed to hold such an institute at Montpelier seminary immediately following graduation, which will continue one week. Rev. V. L. Smith of Waterbury has been elected dean and the various instructors will be persons of wide reputation and established ability, specialists in their line. It is expected that this will be a permanent annual feature of wide interest and much value to the whole state. It is probable that not less than 100 will register for this institute.

During chapel on Wednesday morning J. H. Gowdley, general manager of the New England Telephone company of Montpelier, addressed the student body on the subject of the thrift savings stamps and war certificate campaign. MOTHERS! Be Sure You Get Your Free Package Today

A Vapor Treatment in the Form of a Salve—Applied Over Throat and Chest, the Body Heat Releases the Ingredients in the Form of Vapors—Relieves Croup and Cold Troubles Without the Necessity of Internal "Dosing."

Barre Druggists Are Each Giving Away 60 Free Packages, 12 of Which Are Full 25-Cent Jars.

Fifteen years ago, in a little North Carolina town, a druggist discovered a process of combining the old-fashioned remedies—camphor, turpentine and menthol—with certain volatile oils such as eucalyptus, thyme, cubeb and juniper, so that, when applied externally, the body heat would vaporize these ingredients. These vapors, inhaled all night long, carry the medication, with each breath, direct to the air passages and lungs.

To-day this vapor treatment, Vick's VapoRub, is almost universally used throughout the South in preference to internal "dosing." It is quick in its action, and what is more important, particularly to mothers with small children, it is applied externally and hence does not disturb the most delicate stomach. Colds are easiest treated at the beginning and VapoRub makes the ideal preventive for the entire family.

This preparation comes in salve form, and its action is twofold. Externally, it is absorbed through and stimulates the skin, taking out that tightness and soreness in the chest. Internally, the vapors inhaled loosen the phlegm and clear the air passages. For croup or colds just rub a little over the throat and chest and cover with a warm flannel cloth. One application at bedtime prevents a night attack of croup.

For very severe chest colds, tonsillitis, bronchitis or incipient pneumonia, hot, wet towels should first be applied over the parts, to open the pores of the skin and then use VapoRub. For headaches, asthmatic or catarrhal troubles, a little VapoRub can be rubbed up the nostrils or melted in a spoon and the vapors inhaled.

The manufacturers know that an actual trial is the best way to prove how valuable VapoRub is in the home, and they have accordingly furnished each druggist in Barre with 60 free packages, to be given away on presentation of the coupon below.

GOOD AT YOUR DRUGGISTS For a free package of Vick's VapoRub, as long as the free supply lasts. Only one sample allowed to each family.
