Fear is entertained in St. Johnsbury that Harper D. CONFESSED FORGERY. Ira Youth Admitted Wrongdoing Before Rutland Judge.

Rutland, March 22.—Frank Foulsoi of Ira, aged 19 years, pleaded guilty in Rutland county court yesterday to the charge of forgery in uttering a false check and on request of his counsel, B. H. Stiekney, that be placed on probation, Judge Zed S. Stanton ordered the case referred to Probation Officer John J. Hickey for full investigation, the county officer to report to the court in the near future.

About two months ago Foulsoi went into the store of Frank X. Nobert in West Rutland, ostensibly to use the telephone. While in the office alone he took a blank check from Mr. Nobert's check-book and filled it in for \$45 payable to "William Boutney," signing Mr. Nobert's name. Foulsoi tendered the check, which was a crude instrument, in payment for merchandise bought at the Wilson Clothing company store in this city. It was discovered that the check was false before any money had been advanced on it but Foulsoi made his escape temporarily, being arrested a few days later. He has been in jail since the occurrence.

Attorney Stiekney, in asking for probation, commented on the fact that the respondent had been a steady workman and a young man of good character before he got into the present scrape. He is needed at home to help his mother support five fatherless children. State Attorney C. V. Poulton, who appeared for the state, opposed the probation because he thought it would not have the moral effect on the community that a sentence

BURLINGTON STORES DAMAGED.

Loss Was About \$10,000 in Candy and Dress Goods Places.

Burlington, March 22.—A fire which started in the basement of the Vermont Candy Kitchen at 39 Church street worked through a partition into the McConnell Dress Goods store early yesterday morning, causing a loss which is estimated at \$10,000.

Smoke and water contributed to the loss to a great degree. Seven streams were necessary before the blaze was under control, and the fire was very difficult to fight.

Three firemen were overcome by smoke and had to be dragged out of the building. William Snow, Frank Breen and Joseph Gonyeau were the men affected. They soon revived, however, upon being brought out into the air and returned to their duties.

Allies Niles, a call man, was also badly choked up by smoke. The damage was greater because of the fact that both stores had just stocked up with spring goods.

Mr. McConnell's will be larger through smoke and water. Although the fire did come into his store on the main floor the tons and tons of water and the dense smoke badly damaged the handsome new spring garments and other goods with which the store was filled.

JUST WALKED AWAY. Rutland County Jail Prisoner Was Unloading Coal.

Rutland, March 22.—William Demick, formerly a state worker at Poulton, who was serving a short sentence at the Rutland county jail for breach of the peace, escaped yesterday morning about 8:30 o'clock while unloading coal from freight cars at the Temple siding on West street. He had worked about an hour, in company with another prisoner, transferring the fuel from cars to the prison wagon, when he tired of his job and walked away. He was clad in the garb of a prisoner when he eloped.

Demick was sentenced from West Rutland on March 8 to serve 60 days for breach of the peace and thus he had only 43 days left. The fugitive is a native of Hungary. He is 40 years old and about five feet and seven inches tall.

This Corn Will Peel Right Off!

"Gets-It" Makes Corns Come Off the "Banana-Peel" Way!

Why have to flou on the floor, squeeze yourself up like the letter "Z," and with bulging eyes draw your face up into a wrinkly knot while you gouge and pull at the "quicks" of a tender corn? That's the old, savage way.

"Gets-It" is the modern, painless, simple way. Lean over and rub no drops of "Gets-It" on the corn, put your stocking and shoe right on again, and forget the corn. Pain is eased.

"Gets-It" has revolutionized the treatment of corns. It never irritates the true flesh. You'll stop limping on the side of your shoe, and do away with greasy salves, bandaging bandages, thick plasters and painful methods. Use "Gets-It." It's common sense.

"Gets-It" is sold by all druggists who sell pay no more than 25 cents, or it will be sent direct by E. Lawrence & Co., Chicago, Ill.

Sold in Barre and recommended as the world's best corn remedy by Cummins & Lewis—Adv.
