

HOUSE ADOPTS NEW DRAFT PLAN

All Males Becoming 21 After June 5, 1917, Must Register

THEIR NAMES TO GO AT END OF LISTS

The Measure Has Not Been Finally Decided on, but Goes to Conference

Washington, D. C., April 26.—The House late yesterday adopted the Senate resolution for the registration for

Thoroughly Reliable Kidney Medicine

Dr. Kilmer's Swamp-Root has been a popular preparation with us ever since we have been in business, and we believe that it possesses great value in the ailments for which it is intended, as our customers always speak in grateful praise for the benefits derived. We believe it to be a good, reliable preparation.

MARS HILL DRUG COMPANY, June 5, 1916. Mars Hill, Maine.

Letter to Dr. Kilmer & Co., Binghamton, N. Y.

Prove What Swamp-Root Will Do for You.

Send ten cents to Dr. Kilmer & Co., Binghamton, N. Y., for a sample size bottle. It will convince anyone. You will also receive a booklet of valuable information, telling about the kidneys and bladder. When writing, be sure and mention the Barre Daily Times. Medium and large size bottles for sale at all drug stores.—Adv.

Soft White Hands

Follow use of Cuticura Soap and Ointment. At night bathe them with the Soap and hot water. Dry and rub in the Ointment. Wear old gloves during night.

SANFORDS GINGER

For Our Soldier Boys In Camp

For colds, chills and grip, cramps, pains, indigestion, touches of rheumatism and neuralgia, Sanfords is grateful and comforting and always healthful. It's the dose in time that saves nine.

BELL-ANS Absolutely Removes Indigestion. Druggists refund money if it fails. 25c

and constipation, headache, drowsiness, coated tongue, bad breath, bad taste in the mouth, quickly disappear if you take Hood's Pills. Many say these pills act better on the liver and bowels than anything else. Do not write for drug catalogues or by mail of C. I. Hood Co., Lowell, Mass.

military service of young men who have reached the age of 21 since June 5, 1917. The measure now goes to conference. The amendment, which was adopted by a vote of 119 to 81, provides that the men registered under the bill shall be placed at the bottom of the classes to which they may be assigned.

ONE LIFE WAS LOST

In Factory Fire at Chelsea, Mass., Yesterday.

Boston, April 26.—Fanned by the brisk wind, fire yesterday destroyed the wooden box factory and wharf of the Parsons Manufacturing company extending into Chelsea Creek from 157 Marginal street. A body was found in the ruins after the fire was extinguished. Owing to the wind and the rapid spread of the flames through the factory building, the fire for a time assumed a very threatening aspect. Factory buildings, an oil plant and a coal wharf are located on either side of it. The flames spread to Sorensen's wharf, which is located between the factory and the shipyard of the Richard T. Green company, but the damage here was comparatively light. In addition to all the Chelsea fire apparatus, help was called from Boston and Revere, and two Boston fireboats did effective work in attacking the fire from the water side.

The loss probably will amount to about \$80,000. Arthur J. Glick, the manager, placed the value of the buildings and machinery at \$50,000. A lot of wooden cases made for the government and valued at \$1,000, was destroyed, and so was a small building and the stock of the Boston Bag Wood company, dealing in kindling wood. Mr. Glick said that the manufacturing company has been in the hands of assignees for several months.

NORWICH GRADUATE MARRIED.

George Hayden Squires Soon Going to Training Camp.

Brattleboro, April 26.—Captain George Hayden Squires, son of Mr. and Mrs. Henry C. Squires of West Brattleboro, and Miss Clara Marian Warren, daughter of William B. Warren of Halifax, were married yesterday by Rev. D. E. Trout at the Universalist parsonage. They were unattended. A double ring service was used. Mrs. Squires wore a dark brown silver-tone traveling suit, with a brown hat. Captain and Mrs. Squires left to-day for a wedding trip to Montpelier and Northfield, and at the latter place they will attend the junior week festivities at Norwich university. Captain Squires has just graduated from Norwich university in the civil engineering course, with the degree of science. He will leave May 5 for Camp Lee, Petersburg, Va., to go into the officers' training camp in the civil engineering corps. He attended the Brattleboro high school, graduating in the class of 1912. Mrs. Squires, who has been employed several years as stenographer in the office of the Dunham Brothers' company, graduated from the Brattleboro high school in the class of 1913.

WORCESTER

The funeral of Horace Kellogg of Worcester, Mass., was held from the M. E. church Wednesday afternoon. Rev. S. F. Blomfield of Montpelier officiating. The bearers were his father, Edward Kellogg, Arthur Johnson, his brother, Chester Kellogg, and Ed Johnson. The flowers were many and beautiful. One wreath was sent by the boys in the shop where the deceased worked.

One of Worcester's choice young men was laid to rest, loved by everyone who knew him. The young wife and all relatives have the heartfelt sympathy of the whole community.

Those from out of town to attend the funeral were Mr. and Mrs. Chester Kellogg of Worcester, Mass., Mr. and Mrs. Edgar Cummings, Mr. and Mrs. Ellery Jacobs from East Montpelier, Mr. and Mrs. John Flint, Mr. and Mrs. Willis Cummings, Mrs. M. P. Lawrence and daughter, Sarah, from Montpelier, Mrs. Chapin from Middlesex, Mr. and Mrs. Fred Hith and Mrs. Esterbrook from Barre, Mrs. Bessie Carr, Montpelier, Mrs. Florence Kellogg Witham from Quebec, Horatio Kellogg and son, Carl, from Morrisville, Mason White and Hiram Curtis from Middlesex Center.

Rev. E. C. Clark closed his labor in the M. E. church here Sunday. He went from here to conference at St. Johnsbury. Mrs. Clark went to Plymouth, N. H., and later they will go to Boston. Their many friends were sorry to see them go and wish them success in their new field.

Mr. and Mrs. Freeman Rivers are rejoicing over the birth of a daughter, Dorothy Evelyn, born April 19. Mrs. Pickett from Pompanoosuc is caring for Mrs. Rivers.

George and Harry Hull from Montpelier were home with their mother, Mrs. Eva Hull, over Sunday.

Grover Templeton of Montpelier was with his mother, Mrs. Corrie Templeton, over Sunday. The Red Cross society met Tuesday, about 16 being in attendance. They were entertained by high school girls singing two selections and Ina Dodge and Lillian Holmes from the grammar school rendered two selections, which the society appreciated. The society thanks those who have donated money to the work.

A Monthly Income Policy will "keep the home fires burning" for your dependents as long as they live. Facts and figures furnished free. National Life Ins. Co. of Vt. (Mutual), S. S. Ballard, general agent, Rialto block, Montpelier, Vt.

William Pratt, who lives in a remote part of Stowe, known as Michigan, and who will be 74 years of age in July, has carried on a sugar place of 300 trees; this spring, doing all the work himself and making about 300 pounds.

AMERICAN LAUNCHES SAVE TWO HUNDRED FROM BLOCK SHIPS

Feat Accomplished in Less Than Five Minutes Under Heavy Fire at Bruges Canal, Zeebrugge.

Dover, England, April 26 (By the Associated Press).—One of the most thrilling incidents of the British naval raid on Zeebrugge last Tuesday was the rescue by two American-built motor launches of nearly 200 members of the crew of two block ships sunk at the entrance to the Bruges canal. The feat was accomplished under a heavy fire and the actual transfer was made in less than five minutes.

Two of the three block ships which passed inside the Mole reached their objective and swung broadside across the mouth of the channel. Then, according to plans, two motor launches dashed in from the sea through the enemy barrage at express train speed and drew up alongside.

All the time shells were falling, some striking the block ships and causing numerous casualties, but the crews upheld their traditions for coolness.

Jump from Bed in Morning and Drink Hot Water

Tells why everyone should drink hot water each morning before breakfast.

Why is man and woman, half the time, feeling nervous, despondent, worried; some days headachy, dull and unstrung; some days really incapacitated by illness?

If we all would practice inside bathing, what a gratifying change would take place. Instead of thousands of half-sick, anemic-looking souls with pasty, muddy complexions, we should see crowds of happy, healthy, rosy-cheeked people everywhere. The reason is that the human system does not rid itself each day of all the waste which it accumulates under our present mode of living. For every ounce of food and drink taken into the system nearly an ounce of waste material must be carried out, else it ferments and forms ptomaine-like poisons which are absorbed into the blood.

Men and women, whether sick or well, are advised to drink each morning before breakfast, a glass of real hot water with a teaspoonful of limestone phosphate in it, as a harmless means of washing out of the stomach, liver, kidneys and bowels the indigestible material, waste, sour bile and toxins.

Millions of people who had their turn at constipation, bilious attacks, acid stomach, nervous days and sleepless nights have become real cranks about the morning inside bath. A quarter pound of limestone phosphate will not cost much at the drug store, but is sufficient to demonstrate to anyone its cleansing, sweetening and freshening effect upon the system.—Adv.

Leroy H. Facer, a graduate of Cornell University, 1913, has been engaged to superintend the community gardens in Montpelier this summer.

Like Being Hit By Rattle Snake

Says that every time you cut or pick at a corn you invite lockjaw.

You reckless men and women who are pestered with corns and who have at least once a week invited an awful death from lockjaw or blood poison, are now told by a Cincinnati authority to use a drug called freezezone, which the moment a few drops are applied to any corn, the soreness is relieved and soon the entire corn, root and all, lifts right out with the fingers, without one particle of pain. This freezezone is a sticky substance which dries the moment it is applied and just loosens the corn without inflaming or even irritating the surrounding tissue or skin. He says a quarter of an ounce will cost very little at any of the drug stores, but this is sufficient to rid one's feet of every hard or soft corn or callous.

You are positively warned that cutting or picking at a corn is a suicidal habit.—Adv.

ACCEPT WOOL PRICE.

Growers in Conference at Washington Agree to Government Terms.

Washington, D. C., April 26.—Wool growers in conference here yesterday with the war industries board agreed to turn over to the government the entire wool output of the United States at

prices based on the price prevailing for washed wool on July 30 last.

In accepting the government's proposal the growers avoided having their product commandeered. The government will take all wool produced and now in warehouses and will distribute what is not required for the army and navy to dealers for civilian needs.

Look for this Sign

This sign will guide you to an authorized, dependable service station when you need expert advice, or service on the bearings in your car, truck or tractor.

We are the authorized agents for the Bearings Service Company, national service representatives for Timken, Hyatt and New Departure bearings. We have complete engineering data and immediate access to a complete stock of new bearings enabling us to satisfy your requirements promptly and efficiently.

Today Good Clothes Help You in Your Work

Do a patriot's duty to your country, your country's fighters and to yourself—

Buy a Liberty Bond

Any man who works for other people—most of us do—owes it to his employer to be well dressed; and to himself to do it as economically as he can.

The man you work for will have a better opinion of your business sense and good judgment if he sees you wearing HART SCHAFFNER & MARX clothes.

Because that's a sign to him of several things. First, it shows that you believe in good quality; second, that you believe in real economy; you're willing to pay the price of a good thing, and you see the value of it.

You may be one of the highest salaried men in the place; or one of the lowest; high-salaried men were low-salaried once; but if you're wearing such clothes as these you're a credit to the house, in looks, anyway.

Come in and see what we are talking about; we'll be glad to see and to show you.

V. S. A. NOTES

The sixth annual commencement exercises of the Vermont School of Agriculture at Randolph Center will be held Thursday and Friday, May 2 and 3. The graduating exercises will occur Thursday evening at 8 o'clock. At 10 a. m. on Friday an important alumni meeting will be held. The senior reception occurs at 8 o'clock Friday evening. Carroll's orchestra will furnish the music for both the graduating exercises and the senior reception. A class of 23 young men will go out from the school to do their "bit" for Uncle Sam. Every boy has already located a position and without exception expect to take up agriculture as a life work.

A list is being compiled from information secured from school superintendents of the state, naming young men interested in such an education as can be had at this school. Catalogues are being mailed out to these prospective students.

The new dormitory is being rapidly pushed forward to completion.

Mr. Abel reports a yield of 225 gallons of excellent maple syrup for the season.

The program of the graduating exercises, to be held Thursday, May 2, at 8 p. m., is as follows: Music; invocation; Rev. George Goodfellow; address of welcome; "Poultry for Profit" (valedictory); Clifton O. Chadwick; music; presentation of the diploma; "The Farmer's Part in Winning the War"; Walter H. Wheatley; "Sheep Raising in Vermont"; Ray H. Palmer; music; class history; James N. Burroughs; "Potato Growing in Vermont"; H. Wendell Hanna; class prophecy; Alfred J. Hall; music; "Poultry for Profit" (valedictory); Clifton O. Chadwick; music; presentation of the diploma; Prin. G. Leland Green; music.

The following are in this year's graduating class, the names marked * being those who won honors in scholarship: Regular course, James N. Burroughs; *Clifton Chadwick; *Russell G. Corwin; H. Howard Davis; James O. Dodge; Melbourne H. Fenn; Charles M. Grant; *Alfred J. Hall; H. Wendell Hanna; Carl A. Hitchcock; Harold C. Hubbard; *William M. Jackson; Harold L. Juckett; Oren M.

Kibbey, Frederick S. Ladd, Basil D. Lake, Martin L. Lashua, Milton P. Leonard, Philip R. McNeil, Ray H. Palmer, Ralph W. Perkins, Walter H. Wheatley. Special course, William Stokes.

store for a couple of years, and it is a matter of regret that the young ladies are to leave town.

Rev. and Mrs. Frederick Leeds, who have been with Mr. and Mrs. I. S. Chase for the last 10 days, will leave here the last of the week for Palmer, Mass., where Mr. Leeds is the rector of an Episcopal church.

E. H. Allis has so far recovered from his illness with the grip that he is able to assume his duties in the Half-Century store.

Mrs. W. W. Sprague, who for the last six weeks has been ill in Springfield, Mass., and who has been taken home, now remains about the same as ever.

Mrs. E. E. Nell is confined to her bed by severe heart trouble.

Mothers! Here's Something New For Croup and Cold Troubles

An External Treatment That Replaces Internal "Dosing." You Can Let the Children Run Outdoors in All Weathers and Get Their Needed Fresh Air and Exercise.

Growing children need plenty of fresh air and outdoor exercise, and this exposure is bound to cause some colds. These colds should not be neglected, and yet, mothers know that constant "dosing" is bad for the delicate stomachs of children. The best protection is plenty of fresh air in the bedroom, and at the first signs of trouble a prompt application of the southern external "vapor" treatment, Vick's VapoRub. You simply rub it over the throat and chest, and cover with a warm flannel cloth. Leave the covering loose around the neck, as the body heat releases medication vapors that are inhaled all night long, loosening the phlegm and opening the air passages. In addition, VapoRub is absorbed through and stimulates the skin, taking out that tightness and soreness in the chest. Usually croup is relieved within 15 minutes, and colds over night. The local druggists realize the value of an external treatment, especially in the case of small children, and in the interest of their customers are offering VapoRub in any of the three sizes—25c, 50c or \$1.00—on 30 days' trial. If you are not delighted with the results, the purchase price will be refunded. NO ADVANCE IN PRICE—25c, 50c, \$1.00.—Adv.
