THIS WOMAN ESCAPED AN OPERATION

By Taking Lydia E. Pinkham's Vegetable Compound. Many Others Have Done the Same.

Troy, N. Y.—"I suffered for more than seven months from a displacement and three doctors told me I would have to have an operation. I had dragging down pains, backache and headaches and could not do my housework. My sister who had been helped by Lydia E. Pinkham's Vegetable Compound asked me to try it. I have taken several bottles and am now entirely well—I do all my work—and not a trace of my old trouble. I have told many of my friends what wonderful results they will get from its use."

Women who are in Mrs. Semler's condition should not give up hope or submit to such an ordeal until they have given Lydia E. Pinkham's Vegetable Compound a trial. For suggestions in regard to your condition write Lydia E. Pinkham Medicine Co., Lynn, Mass. The result of their 40 years experience is at your service.

EAST CORINTH

The shower of Friday caused more or less excitement among the timid ones and some of those not timid got a little startled. The first shower in the early morning was not hard, but in the afternoon a sudden hailstorm came up that lasted some minutes. One horse left the field without stopping to ask leave, and the owner ducked to cover under the wagon. About 6:30 a still worse shower came up, with a rather unusual amount of electricity, putting all telephone lines out of commission, and Charles Jewell had a new dish pan, because three big holes were burned in the old one when his ground wire was burned out and a tree struck a little way from the house. Several old buildings had their roofs blown off and trees were blown down.

Rev. and Mrs. F. J. Malard are spending this week in Cooville, doing pastoral work. Several from this place were in St. Johnsbury Tuesday night to attend the Shrine meeting held there.

Dr. and Mrs. Hudson are in Middletown this week.

Mrs. Morrison, who has been visiting in Topsham, has returned.

L. L. Worthley and Leonard Thompson spent a day fishing at Lake Morey recently, bringing home a good string.

Charles McDonald has a tractor to use on his farms.

The farmers are getting their crops in, quite a number sowing wheat as well as other grain. Help is scarce.

RANDOLPH

Mrs. Harry Allen left on Thursday for Springfield, Mass., where she will visit relatives, and for Winchendon, where she will be with her son for a time.

Mrs. Nellie Banyea, former matron at the sanatorium, arrived here on Thursday from Barre and is the guest of Miss Winnifred Richardson, another trained nurse.

Mr. and Mrs. F. A. Salisbury, Mrs. Edna Fairbanks, Misses Helen Davis and Maude Johnston left on Thursday for Barre. Others who went were O. E. Greene and John Ford, the entire party going to attend the Rebekah assembly and the Odd Fellows' meeting in session in that city.

Mr. and Mrs. Flynn Ford and Mrs. Robert Ford of Granville were entertained on Wednesday by Mr. and Mrs. John Ford.

Mrs. C. J. Rumrill left on Monday morning for Lowell, Mass., and other places in Massachusetts, accompanying Mr. and Mrs. W. C. Emerson, the latter going prospecting for a business opening.

Mrs. S. N. King, who has been ill for weeks with erysipelas at the home of her daughter, is yet very ill, and her two daughters, Miss Sadie King of Gardner, Mass., and Mrs. A. T. Cobb of Island Pond, are both here to assist the family. Mrs. King is being cared for at present by the nurse, Mrs. Moore.

Mrs. J. B. Adams, who underwent a severe operation on Monday at the sanatorium, is making a good recovery, she having gained steadily since that time, and it is hoped that it will be permanent. Her daughter, Miss Mary Adams, has returned to North Adams to resume her teaching.

Gilman M. Gay, eldest son of Dr. and Mrs. A. B. Gay, and Miss Helen Irmitage, daughter of Mr. and Mrs. Thomas F. Coyne of New Haven, Conn., were married Feb. 12. Mr. Gay is a graduate of Randolph high school, class 1911. Previous to the present war he was employed by the Winchester Arms company at New Haven. He enlisted in the navy and for a time was in the submarine chaser service. Following this he went to Annapolis academy, graduating with the rank of ensign. At this time he is receiving instructions in submarines in New London, Conn.

Rev. Frazer Metzger is speaking at war councils in Massachusetts and Connecticut this week, leaving here Tuesday.

A daughter was born Tuesday to Mr. and Mrs. John Wood of West Lebanon, N. H., former residents in town.

A son, Richard Wendemuth, was born May 4 to Mr. and Mrs. Lewis Townley of Groton, N. Y. Mrs. Townley will be remembered here as Miss Eloise Wendemuth, instructor of music and elocution in the schools here.

Raymond A. Briggs, who graduated last week from the University of Vermont, left on Sunday for Burlington and Monday started for Camp Grant, Ill., to enter the officers' training school.

BRADFORD

Word has been received that Cadet Harold Haskins arrived safely in France the last of April.

Leslie Norcross and Harry Worthley were business visitors in St. Johnsbury Tuesday.

Several of the young people of the village were the guests of Miss Florence Ellis and brother, Warren, last Monday evening, as they were sent to leave for their new home in Woronoco, Mass.

Mrs. Charles Craig underwent an operation at Hanover hospital last week and is reported as doing well.

Col. Johnson, his daughter, Miss Ruth, and son, Edward, of Montpelier were visitors in town Wednesday.

Harold Avery was a very warm Dartmouth college the first of the week. An auto brought the household goods of Orris Flint, who is employed at Stone-cliff farm, from Montpelier, his former home, to one of the tenements on the farm last Wednesday; and also carried back to Montpelier some of Col. Johnson's goods, which have been stored at his former home here.

WATERBURY

A pleasant surprise was found in the pledge cards for the Red Cross from the Waterbury inn this month. When the cards were checked up by the chairman, A. H. Smith, a new one was found signed by "Miss Cash Register," Waterbury inn, pledging \$10 each month "if she could save this." On the back of the card was \$7 credited for April. We wish Miss Register much success in her saving for so worthy a cause.

Rev. Verne L. Smith was in Barre Wednesday night and Montpelier seminary last night in the interests of the state Epworth league institute, of which he is dean.

More encouraging news comes from James Stewart, who is in the hospital at St. Albans.

Mrs. Helen P. Lathrop, parish worker, represents the Congregational church as assistant pastor and Mrs. Edwin L. Palmer as delegate at the Vermont state conference of Congregational churches in Lyndonville next week.

PLAINFIELD

Come early and stay late to the Nellie Gill show to-morrow night, and secure your seats in advance. There will be splendid music in addition to a bright and snappy performance by these popular favorites. All adults, 35c; children, 25c, unless they occupy a reserved seat. All reserved seats are 35c. Prices include war tax. Dancing till 12 o'clock at 25c per couple.—adv.

WEBSTERVILLE

Saturday, "The Hidden Spring," in five acts, Harold Lockwood, also a good comedy.—adv.

GRANITEVILLE

Saturday, Gilbert's hall, "The Peddler," in five acts, Joe Welch, one comedy.—adv.

TO BE WELL AND HAPPY BUILD UP A RESERVE OF STRENGTH AND VITALITY

A Method of Tonic Treatment for the Blood and Nerves That Is Making Men and Women Strong and Energetic Wherever It Is Being Tried

Most people who have but a small reserve of strength feel better in summer than in winter. The vitality gained during the out-of-door season carries them through the trying weather of winter and early spring until there comes a time when the stored-up reserve strength is not sufficient. How, then, shall we keep and add to the reserve of strength that means so much? By taking Dr. Williams' Pink Pills, the blood and nerve tonic, to strengthen and sustain the system so that it can keep all the strength that it has gained and gain more. Dr. Williams' Pink Pills build up the blood and enable it to carry nourishment to every part of the body. Many disorders that have proved stubborn for years have been reached by this tonic treatment.

Build Up Her Strength. Miss Sadie McKay of 12 Smith street, Lynn, Mass., heard Dr. Williams' Pink Pills spoken of so highly that she decided to try them when her friends began to comment on her run-down condition. "About four months ago I caught a severe cold," says Miss McKay, "and it seemed to take away my strength. I was very tired and had little ambition. I felt miserable. I began to lose weight and my cheeks were drawn in. My girl friends noticed that I did not look right. After I had taken the first box of Dr. Williams' Pink Pills, I felt so much better that it encouraged me to continue using them. Now I can eat well, and feel fine. I shall always keep these pills in my home for I know they strengthened me and built me up."

When a Tonic Is Needed. When you feel badly all over but with no particular organ of your body noticeably out of order you need a tonic for the blood. You require a medicine that will benefit the whole system. The blood reaches every part of the body and when it is built up the whole system quickly benefits. Dr. Williams' Pink Pills are a non-alcoholic tonic that build up the blood, making it rich and red and able to supply to the tissues of the body the nourishment they need to keep them in health. "For two years I suffered from nervous debility," says Mrs. Fred A. Hampson, of Pleasantville, Ohio. "I was treated by a physician but did not get as strong as I thought I should, had no ambition, lost in flesh and was very weak. I had no appetite, my complexion was

sallow and I was irritable and miserable all the time. I had severe pains in the back of my neck, like something pressing against it, and when these attacks came on I would have to lie down. A neighbor urged me to try Dr. Williams' Pink Pills and I did so. "I experienced relief after taking the first box and took about six boxes in all. I am now enjoying the best of health. I never have a headache now nor any nervous spells." Most general debility results from thin blood. Every part of the body suffers and you "feel badly" all over. When the blood is restored and a health-giving stream is going to every part of the body you soon see the result in a better appetite, an improved digestion, brighter eyes, better color in cheeks and lips.

Do Not Neglect Thin Blood. In no disease is delay or neglect more dangerous than in anemia, or poverty of the blood. It is common in young girls and persons who are overworked or confined within doors and makes its approach in so stealthy a manner that it is often well developed before its presence is recognized. But taken in time there is a specific, a tonic medicine which increases the number of red blood corpuscles thus enabling the blood to carry the life-giving oxygen to all the tissues of the body. Dr. Williams' Pink Pills have had unbounded success in the treatment of this stubborn disease because of this wonderful property. The correction of anemic conditions by Dr. Williams' Pink Pills is as certain as anything in medical science.

Mrs. B. G. Goodwin, of No. 391 Elm street, Gardner, Mass., was suffering with anemia—lack of blood. She says: "I lost color and strength and became so weak that my husband had to help me around. Very often I would get dizzy and seem to see floating specks before my eyes. I would wake up through the night and be so numb all over that it seemed my blood would never start circulating again. My hands and feet would actually pain when the circulation began. This numbness would last for an hour. My digestion was poor and I couldn't breathe well. "My doctor treated me for anemia but I finally stopped taking his medicine. I heard of Dr. Williams' Pink Pills and felt some better after I had taken them only a short time. I gradually grew better and got so that I didn't need medicine any more. My health is good now

and I have had no serious sickness since. I gained in weight also." Why Good Blood Is Red. Why are we continually being told that good blood must be bright red? What has color to do with the quality? Just this. The oxygen in the air is the great supporter of animal life. One business of the blood is to take oxygen from the air (which it meets in the lungs) and deliver it to the tissues of the body. When the blood, filled with life-sustaining oxygen, is sent out by the heart it is bright red. When it returns, filled with impurities, and deprived of its oxygen, it is dark.

From this it is clear that there are two prime requisites of health, pure air and bright red blood—the pure air to furnish the oxygen, the rich blood to carry it where it is needed. Dr. Williams' Pink Pills make the blood rich and red because they increase its power to carry oxygen, actually making it so much more able to carry increased life and strength to every organ of the body. Mrs. Hazel M. Cole, of 67 Washington avenue, Haverhill, Mass., has great faith in Dr. Williams' Pink Pills which she has used as a tonic whenever needed ever since her girlhood. "I was very nervous and run down in health," she says, "and had terrible headaches. I was white, had no color at all. I suffered from hot flashes and it would seem as if I was going to die. I had dull aching pains across the back. Any little thing would make me extremely nervous and I could not get a full night's rest. "My mother suggested that I take Dr. Williams' Pink Pills as we had used them at different times in the family for many years. I could soon see that they were helping me. The pills strengthened my nerves and built me right up. "When I was a young girl I had St. Vitus' dance and after I had partly recovered my nerves were in a terrible condition. My mother had me use Dr. Williams' Pink Pills and they benefited me right away."

What Weak Nerves Need. We do not give much thought to our nervous system when it is working all right but when it goes wrong nature has a way of calling it forcibly to our attention by something that we cannot overlook—pain. Try to reach a painful nerve with medicine of any sort and you are confronted with a fact that every doctor knows, that the only way to reach the nerves is through the blood.

You see now why Dr. Williams' Pink Pills, the great tonic for the blood, are also a great nerve builder. When a nerve becomes inflamed and painful it is—unless caused by an accident—because the blood was not giving it the elements of nourishment it needed. Dr. Williams' Pink Pills build up the blood, the nerves are strengthened, the inflammation subsides and the pain vanishes. Miss Dossa Smith, of No. 22 North Buckeye street, Wooster, Ohio, says: "I suffered with sciatica in my left leg and hip for over a year. There were sharp pains in the knee joints and a dull aching pain in my hip. Whenever I sat down, I would be afraid to get up, for the pain would be almost unbearable when I moved my leg. It would often seem as though it was stiff. I dreaded to go to bed for then the pain would be worse. I became very nervous and lost weight. "I was under the care of a doctor for some months but I could not see that he helped me in the least. I saw Dr. Williams' Pink Pills recommended so highly that I thought I would try them. I bought a few boxes and began to gain in flesh at once and the stiffness left me. Gradually the pains disappeared and I was entirely well. I have had no return of the trouble and can be on my feet all day."

By keeping the blood rich and red by the use of Dr. Williams' Pink Pills the danger of nervous breakdowns, insomnia, nervous indigestion and other disorders caused by ill-nourished nerves is greatly lessened. In children the use of Dr. Williams' Pink Pills deface the danger of St. Vitus' dance.

Send for This Blood Book. The purpose of Dr. Williams' Pink Pills is to build up the blood. They do this one thing and they do it well. They are for this reason an invaluable remedy in disease arising from bad or deficient blood, such as rheumatism, neuralgia, after-effect of the grip and fevers. The pills are guaranteed to be free from opiates or any harmful drug and cannot injure the most delicate system. There has been no increase in the price of Dr. Williams' Pink Pills. Your own druggist sells them or they will be mailed postpaid on receipt of price, 50 cents per box, six boxes for \$2.50 by Dr. Williams' Medicine Co., Schenectady, N. Y. Write to-day for a copy of the booklet "Building Up the Blood." It will be mailed free to any address on request.—Adv.

WHEN WEAK OR RUN DOWN by chronic cough, throat, and lung troubles which often degenerate into asthmal and menace life itself, try ECKMAN'S ALTERNATIVE.
