Discovers drug that loosens sore, touchy corns so they lift out

A noted Cincinnati chemist discovered a new ether compound and called it frezone and little quarter ounce bottles can now be obtained from any drug store for a few cents.

No pain, not a bit of soreness, either when applying frezone or afterwards and it doesn't even irritate the skin.

THE BEST TEST

Is the Test of Time

Years ago M. I. Spaulding, painter, of 33 Branch street, Barre, told of good results from using Doan's Kidney Pills. Now Mr. Spaulding confirms the former statement—says there has been no return of the trouble.

Can Barre people ask for more convincing testimony? "I had kidney trouble for five years, brought on by the fumes of turpentine," says Mr. Spaulding. "My back ached so that I could hardly sleep at night. Dark spots floated before my eyes, and my kidneys acted irregularly. I got Doan's Kidney Pills at E. A. Drown's drug store, and they worked wonders."

SEVEN YEARS LATER Mr. Spaulding said: "The cure Doan's gave me has lasted a long time." Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Spaulding had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.—Adv.

Red Cross "Drive" at Williamstown.

The Red Cross drive is ended. For the present, in our place. And we take a pride in knowing we are winners in the race. That we have raised the quota. To Williamstown assigned. Is a source of satisfaction. That is felt in every mind.

At first it seemed impossible. That we'd be successful. In raising so much money. The reason, plain to see. Was apportioning the quota. From census nineteen ten; Not considering how much smaller is our number now than then.

But bravely the committee. Set out this sum to raise. And faithfully they labored. At the task for many days. While often quite discouraged. By successes that they met. Of nine hundred sixty dollars. Seventy-five was lacking yet.

This must be raised in some way. And so they labored still. With no idea of leaving. The task they must fulfill. But with a determination. That would not let them stop. They strove until they reached it. And then—went over the top.

This duty, now accomplished. We must, each and all, prepare. For other calls to follow. That we may do our share. We certainly have proven. If unitedly we will try. The hated name of "Slacker". To our town will never apply.

On returning from an automobile trip last Saturday evening, Miss Edith L. Goodrich was taken by complete surprise on finding her home invaded by about 80 of her friends and relatives, who had gathered there for the purpose of celebrating her eighteenth birthday. The evening was spent in a social way, which was interspersed with games, and also vocal selections, which were rendered by Miss Arlene Jeffords, also by Miss Goodrich, by the request of those present, which was responded to by an encore, after which Rev. John Irons of the Congregational church gave a reading and also addressed the audience with a few well chosen remarks and in behalf of those present, presented Miss Goodrich a birthday cake with 18 candles and several useful and valuable presents, which included a purse of money, in which Miss Goodrich is held by her large circle of friends. These remarks were followed by a response from Miss Goodrich, who, although somewhat overcome, found appropriate words of thanks to express to those present for their kindness and for the gifts received. Refreshments of ice cream, cake and wafers followed, the company dispersing at a late hour, wishing Miss Goodrich many more happy birthdays.

Leon Seaver returned last Friday from a two weeks' visit to friends and relatives at New Britain, Conn.

The Red Cross society appreciates the receipt of the following letter from one of our boys: Dear Friends—I am very thankful for the things I received from your branch. They are a great comfort to me. The American Red Cross is a great and grand organization. At three or four places where we stopped on our way out here they gave us sandwiches and coffee, besides papers, books, candy, gum and cigarettes to those who wanted them. They cheered the boys a great deal too. Here at the post there is an ambulance handy if it is needed at any time. There is a great deal of good done in this country as well as on the other side. I am now out in Wyoming at a permanent camp. I was transferred to the cavalry after I got to New York. Bernard L. Hayward.

The Red Cross yarn has come and it is hoped the knitters will call for it as soon as possible, so that we may be able to meet our quota for June.

Mrs. L. D. Gale has been appointed chairman of the food conservation committee in this town and Mrs. John Irons chairman of the child welfare movement.

Conference begins at 10:30 a. m. and another session at 1:30. The grocers and feed men, as well as the food committee, are required to attend.

A New, Harmless Way to Banish Hairy Growths (Beauty Topics.)

By following this suggestion, any woman can, in the privacy of her own home, remove every trace of hair or fuzz from her face: With powdered delatone and water mix enough paste to cover the not wanted hairs; apply and in two or three minutes rub off and wash the skin. This method is unfeeling, harmless and quick in results, but care should be employed to get the genuine delatone.—Adv.

J. A. Dimock Lost Seven Acres of Beans by Recent Frost—Has Replanted.

J. A. Dimock lost seven acres of beans and five acres of potatoes in the recent frost, but Mr. Dimock is not discouraged, he has planted again.

Last Sunday was children's day at the United Presbyterian church. The exercises passed off very pleasantly. After singing by the children and a select reading, Rev. Lay gave a short address which was very excellent, containing words of wisdom for both parents and children. Mr. Lay's addresses are always inspiring and helpful; those who fail to hear him miss much. In the evening, Rev. David Kilburn spoke from the words, "Submit yourself therefore to God." It was a most excellent sermon. Mr. Kilburn is making a flying call on the old friends of other days. He was pastor of the M. E. church here 34 or 35 years ago.

Of course the hard frost and freeze of Wednesday morning struck us here. Struck us hard, too, but most people are planting again
