

TAKE HAIR OUT NOT OFF THE SKIN

Hair is bound to grow out coarser and stiffer when merely removed from the surface of the skin. The only common-sense way to remove hair is to attack it under the skin. DeMitracle, the original sanitary liquid, does this by absorption.

President of Winoski Savings Bank Dead.

Ormond Cole, president of the Winoski Savings bank and for 60 years closely identified with the business life of that section, died at his home in Burlington Monday. He had been totally blind for some time. He was able, however, to attend to business affairs until recently.

Mr. Cole's record is unique in that for half a century, while trustee of the bank, he missed only four meetings and one of these he was in the West in the interest of the bank. He was the only surviving member of the original incorporators of the institution.

The deceased was born in Calais Sept. 1, 1839, and was therefore in his 80th year. He was the son of Thomas and Florina (Perry) Cole. His education was obtained in the schools near his birthplace and later he taught school. When a young man he went to Burlington and entered into business in that city and Winoski. He engaged in the manufacture of wagon spokes and axle handles in the days when wagons were not made in a factory, as now. On the organization of the Winoski Savings bank, he became interested in banking and after serving on the board of trustees for a number of years, he was elected treasurer, in which capacity he served for considerably more than a quarter of a century. He was later elected president and held that position at the time of his death.

In 1853 he married Miss Adeline Slater of Essex, whose death occurred seven years ago. He is survived by one daughter, Mrs. J. D. Tanner, a granddaughter, Mrs. Harrison A. Cooke and two great-grandchildren, Harrison A. Cooke, Jr., and James Henry Cooke.

Mr. Cooke was a prominent Mason and had held the highest offices within the gift of the different organizations. He belonged to Webster lodge, No. 61, F. and A. M., of Winoski; Burlington chapter, No. 3, R. A. M., Burlington council, No. 5, Royal and Select Masons, and Burlington commandery, No. 2, Knights Templar. He was also a member of the Sons of the American Revolution.

FORGET YOUR RHEUMATISM

Not Necessary to Have Your Troubles with You Any Longer.

Don't suffer from what you can get "Neurone Prescription 99."

Rheumatism, one of the most common ailments, is one of the hardest to cure, because of its being a blood disease. Any remedy to be effective must purify the blood and kidneys; common sense teaches you this.

That is why "Neurone Prescription 99" is so successful. It is a combination of blood-purifying agents prepared from the prescription of a specialist.

It relieves those sore, inflamed joints and muscles, "it puts out the fire." It does all these things, restores your health, makes you happy and free from pain.

Go to your druggist to-day and get a 50c or \$1.00 bottle, then say, good-bye, Rheumatism. Mail orders filled on \$1.00 size.
