 Granite Manufacturers Warned to Curtail Business.

A telegram has been received by the local Granite Manufacturers' association instructing all the firms to curtail their business as much as possible, as it is not regarded as essential to winning the war. Because of the shortage of cutters and difficulty of getting stock, the local sheds have been complying with this order for some time, but it looks as though the winter would bring a complete shutdown.

Death of Miss Mary Hall Was Due to Pneumonia.

Anxiety, which had held the people of this community tense for several days, was changed to sorrow Thursday morning, when it became known that Miss Mary Hall had passed away. She was taken ill early last week with grip, which developed pneumonia several days later. Although very ill from the first, her condition did not become alarming until Tuesday, when she lapsed into unconsciousness, from which she never rallied, the end coming at 7 o'clock Thursday morning. The funeral will be held at the home on Sunday at 11 o'clock. Mary Josephine Hall was the daughter of Mr. and Mrs. I. N. Hall and granddaughter of the late Judge Thomas B. Hall. Her age was 23 years on Sept. 27. Two years ago she completed a four years' course at Montpelier seminary and was graduated with honor. Since then she had passed much of the time at her home. Last year she was employed in the office of R. A. Davidson for some time. Early last spring she went to Greenfield, Mass., to train for a nurse, but the work proved too strenuous, and she was obliged to return home after a few months' trial. Miss Hall was an accomplished and lovable young lady, and her going is keenly felt by all, especially among the young people, with whom she was a general favorite. She was a member of the Methodist church and choir, where her musical talent was recognized and appreciated. Her loss will be most deeply felt in her home, where she was the loved companion of her mother and a help and inspiration to her father and only brother, Bartlett. Besides her immediate family, Miss Hall leaves a large circle of more distant relatives and friends, who extend sincere sympathy to the family in their bereavement.

A large crowd collected at the railroad station Tuesday afternoon, when it became known that the government war exhibit train was to pass through here and would make a brief stop. A soldier improved the few minutes of the stay in explaining the exhibits on the flat cars, and the people appreciated this brief glimpse of some of the implements of warfare.

**NEWBURY**

Newbury is the home of the secretary of the Orange county chapter, American Red Cross, Mrs. Charles H. Greer, an energetic young woman whose zeal is only exceeded by her patriotism. She has issued the following call for 2,000 women to do canteen work in France: An urgent cable from France has come, calling for 2,000 women for canteen and but service, to be sent in the next six weeks. Every chapter, not branch, is expected to furnish one candidate. This is a rush order. The women must be between 25 and 35 years of age, very strong physically, and of attractive personality. No woman can be considered who has a father, son or husband in the United States army or navy, or in the foreign service of any relief organization. They should be typically American. The living conditions are hard and uncomfortable, with long, difficult hours. Each woman must have the spirit of service and co-operation. Anyone wishing to become a candidate for this foreign service work will please communicate with the chairman of the chapter, Judge Stanley C. Wilson, Chelsea, or the secretary, Mrs. Chas. H. Greer, Newbury.

As a precautionary move, the schools in this place have been closed. Also there will be no services in the Congregational church to-morrow.
