HEADACHE FROM A COLD? LISTEN!

"Pape's Cold Compound" Ends Sore Throat, Colds or Grippe in Few Hours

Your cold will break and all gripe misery end after taking a dose of "Pape's Cold Compound" every two hours until three doses are taken.

It promptly opens clogged-up nostrils and air passages in the head, stops nasty discharge or nose running, relieves sick headache, dullness, feverishness, sore throat, sneezing, soreness and stiffness.

Don't stay stuffed-up! Quit blowing and snuffling! Ease your throbbing head—nothing else in the world gives such prompt relief as "Pape's Cold Compound," which costs only a few cents at any drug store.

It acts without assistance, tastes nice, and causes no inconvenience. Accept no substitute.—Adv.

QUICK RELIEF FROM CONSTIPATION

Get Dr. Edwards' Olive Tablets

That is the joyful cry of thousands since Dr. Edwards produced Olive Tablets, the substitute for calomel.

Dr. Edwards, a practicing physician for 17 years and calomel's old-time enemy, discovered the formula for Olive Tablets while treating patients for chronic constipation and torpid livers.

Dr. Edwards' Olive Tablets do not contain calomel, but a healing, soothing vegetable laxative.

No griping is the "keynote" of these little sugar-coated, olive-colored tablets. They cause the bowels and liver to act normally. They never force them to unnatural action.

If you have a "dark brown mud" now and then—a bad breath—a dull, tired feeling—sick headache—torpid liver and are constipated, you'll find quick, sure and only pleasant results from one or two little Dr. Edwards' Olive Tablets at bedtime.

Thousands take one or two every night just to keep right. Try them. 10c and 25c per box. All druggists.

FUTURE FOOD POLICY.

New Plans Formulated Since Mr. Hoover Returned from Europe.

The policy of the food administration for the future may be briefly defined as one of general food thrift. It is impossible for America to increase its food crops; in fact the season now finished marks the high tide of food production.

Next year and for several years following there is bound to be reduction of crops due largely to the inevitable shortage of farm labor. Then, too, there is the ever-present possibility of droughts and other adverse conditions that will cause crop shortage.

These facts make it imperative that this season's food crops be used as a food reserve because the greatest demand upon America is bound to come next summer and before another crop is harvested.

With these facts clearly in mind it is evident that every ounce of food must be given an abnormal importance. Nothing must be eaten "for fun" or to tickle the palate. Every article of food must be carefully chosen, wisely bought and economically prepared. And not a particle must be wasted.

Food that is raised in Vermont should be given the preference and staples that can be shipped abroad must be used sparingly or, if possible, not at all.

The Crucial Period.

The next year probably will be the most trying and also the most important in the matter of food. It is bound to be difficult for America to furnish sustenance for 120,000,000 people who are allies in the war for freedom. It can be done. And it can be done without rationing.

America's food policy is an ideal war campaign. It is an appeal to each person's individual intelligence and patriotism. But every Vermonter is asked to exercise self-control and reasonable self-denial as his just part in winning the greatest victory in all human history.

ARMY DOCTORS SAY: RADWAY'S READY RELIEF

Better Than ALL OTHER PAIN REMEDIES

A LETTER from Dr. Simpson of the Anderson Zouaves, N. Y. (62d Regt.), says:

"During the time our regiment was stationed on Riker's Island we were out of medical stores. I obtained some of RADWAY'S READY RELIEF and used it with greater success in the treatment of Bowel Complaint, Colds, Rheumatism, Chills, Pains, Aches and Soreness of the limbs than all other remedial agents."

This letter was also approved by Col. Riker, Lieut. Col. Tidale and Gen. Oscar V. Dayton of the same regiment.
