STOPS ANY COLD IN A FEW HOURS

"Pape's Cold Compound" Opens Clogged Nose and Head and Ends Grippe. Relief comes instantly. A dose taken every two hours until three doses are taken will end grippe misery and break up a severe cold either in the head, chest, body or limbs. It promptly opens clogged-up nostrils and air passages in the head, stops nasty discharge or nose running, relieves sick headache, dullness, feverishness, sore throat, sneezing, soreness and stiffness. Don't stay stuffed-up! Quit blowing and snuffing! Ease your throbbing head! Nothing else in the world gives such prompt relief as "Pape's Cold Compound," which costs only a few cents at any drug store. It acts without assistance, tastes nice, causes no inconvenience. Be sure you get the genuine.—Adv.

KEEP LOOKING YOUNG

It's Easy—If You Know Dr. Edwards' Olive Tablets. The secret of keeping young is to feel young—to do this you must watch your liver and bowels—there's no need of having a sallow complexion—dark rings under your eyes—pimples—a bilious look in your face—dull eyes with no sparkle. Your doctor will tell you ninety per cent of all sickness comes from inactive bowels and liver. Dr. Edwards, a well-known physician in Ohio, perfected a vegetable compound mixed with olive oil to act on the liver and bowels, which he gave to his patients for years. Dr. Edwards' Olive Tablets, the substitute for calomel, are gentle in their action yet always effective. They bring about that exuberance of spirit, that natural buoyancy which should be enjoyed by everyone, by toning up the liver and clearing the system of impurities. You will know Dr. Edwards' Olive Tablets by their olive color. 10c and 25c per box. All druggists.

WAS CO. C BOY

Edward T. Ward enlisted in Company Recruited in Barre. Edward T. Ward, who was reported in Sunday's casualty list, is a Marshfield boy who went into service shortly after the war broke out, enlisting in Co. C, which was recruited mostly from Barre men. He was first a member of the Vermont regiment and then was transferred to the 103d infantry. He was reported slightly wounded. His mother is Mrs. Lilla Ward of Marshfield. Edward R. Santaw of North Troy, mentioned as having died of wounds in to-day's casualty list, has been in service since Feb. 21, this year, having enlisted as a result of the drive made by Captain E. W. Gibson. He went to Camp Green and was there assigned to the 58th infantry, going overseas last summer. John C. Holbrook of South Wallingford, who was mentioned in Sunday's list, was a selective service man who went into service last April and was assigned to the 23d company, 6th battalion, depot brigade, at Camp Devens, and went to France. He died of disease. A recuperative diet in influenza. Horlick's Malted Milk, very digestible.—adv.

RANDOLPH

The marriage of Lieut. Raymond A. Briggs, youngest son of Mr. and Mrs. E. F. Briggs, and Miss Carolyn H. Chamberlin, daughter of Mrs. Anna H. Chamberlin of 162 South Union street, Burlington, took place on Saturday morning at St. Paul's chapel in that city. Rev. George W. Davenport performing the ceremony. Only the immediate families witnessed the ceremony, owing to the recent death in France of the bride's brother, First Lieutenant Guy R. Chamberlin. Both bride and groom graduated from the University of Vermont in the class of 1918. The couple left on the noon train for Camp Grant, Wockford, Ill., where Lieut. Briggs is now stationed.

The union church service at the Baptist church was largely attended on Sunday morning, when Rev. R. H. Moore delivered the sermon, and Rev. F. S. Tolman conducted the service. The next service will be held in the Methodist church next Sunday, following the churches in order as they come. The death of Mrs. Ellen Carter took place on Friday at the home of her son, George Carter in Bethel (Gilead), after only a couple of days of illness. Wednesday her daughter, with whom she lived most of the time, Mrs. Roy Thayer, of this place, was called down here, where she had been passing a few days, but she grew worse steadily, and died on Friday. The funeral was held from the home of her daughter, Mrs. Thayer, on Howard street Sunday afternoon, Rev. R. H. Moore officiating, and interment was in the Thayer lot in Southview cemetery. Mrs. Carter is survived by her daughter, Mrs. Thayer, her son, George Carter, and Rev. John Wesley Carter of Racine, the latter being a clergyman and writer of much prominence. The latter was not able to be present at the funeral. Mrs. Annette Brown of Bethel, who has been passing several days here with her sister, Mrs. Louvan Rogers, at the home of John W. Rowell, left on Saturday for her home in Bethel. Miss Winnifred Richmond went to Royalton on Saturday to pass Sunday with her uncle and aunt, Mr. and Mrs. George Laird. Mr. and Mrs. Wilbur Fitts, after a few days' stay here with relatives and friends, left Saturday for their home in South Reading, Mass. Mrs. G. O. Howe went to Rochester

WEAK, RUN-DOWN WOMEN

This Letter Will Show You How Other Women Keep Up Strength. Cleveland, Ohio.—"I keep house for my husband and myself and got into a weak, run-down condition, no strength, languid and no ambition. After doctoring for a while and getting no better, I tried Vinol, and to my surprise it built me up and strengthened my whole system."—Mrs. Wm. D. Dawson. The reason we guarantee Vinol is because it is a constitutional remedy containing beef and cod liver peptones, iron and manganese peptonates and glycerophosphates, the most successful tonics known. Red Cross Pharmacy and druggists everywhere. P. S.—If you have eczema, try our Saxol Salve. We guarantee it.—Adv.

Hot Water for Sick Headaches

Tells why everyone should drink hot water with phosphate in it before breakfast. Headache of any kind, is caused by auto-intoxication—which means self-poisoning. Liver and bowel poisons called toxins, sucked into the blood, through the lymph ducts, excite the heart, which pumps the blood so fast that it congests in the smaller arteries and veins of the head, producing violent, throbbing pain and distress, called headache. You become nervous, despondent, sick, feverish and miserable, your meals sour and almost nauseate you. Then you resort to acetanilide, aspirin or the bromides, which temporarily relieve, but do not rid the blood of these irritating toxins. A glass of hot water with a teaspoonful of limestone phosphate in it, drunk before breakfast for a while, will not only wash these poisons from your system and cure you of headache, but will cleanse, purify and freshen the entire alimentary canal. Ask your pharmacist for a quarter pound of limestone phosphate. It is inexpensive, harmless as sugar, and almost tasteless, except for a sourish twinge, which is not unpleasant. If you aren't feeling your best, if tongue is coated or you wake up with bad taste, foul breath, or have colds, indigestion, biliousness, constipation or sour, acid stomach, begin the phosphated hot water cure to rid your system of toxins and poisons. Results are quick, and it is claimed that those who continue to flush out the stomach, liver and bowels every morning never have any headache or know a miserable moment.—Adv.

Moore & Owens

Barre's Leading Clothiers. Saturday for a few days' stay with her sister, Mrs. Emily Stockwell, before going to their winter home in Florida. Their going is somewhat delayed this fall by the prevalence of the influenza in Florida. Mr. and Mrs. Ed. S. Hatch and son left here on Saturday for Enfield, N. H., where they expect employment and will remain there for the present and possibly will make a permanent home. Mrs. Gordon Bundy has closed her visit with her parents, Mr. and Mrs. D. B. Cassidy, and gone to St. Johnsbury to meet her husband, who came from Camp Devens for a few days' stay. Mr. and Mrs. W. C. Emerson, after passing the week here, attending to business, went to Lisbon, N. H., Sunday to resume business for the present. A very pleasant gathering was held on Friday night in the Rebekah hall in honor of Mr. and Mrs. Emerson, who are both members of the order. A supper was served and following this a pleasant social hour was observed with cards for the amusement. Mr. and Mrs. Emerson expect to be in Lisbon during the winter, but hope to return here sometime in the future.

Gloves

They are the finishing touch of the well dressed man.

You may be "fussy" about the gloves you wear—like a certain shade or finish of skin. Ten to one, we have just what you want, because we aim to have enough variety to suit every taste.

A Splendid Hair Grower and Wonderful Beautifier

When your hair becomes faded, dry, streaked and scraggy, when it falls out badly and new hair cannot grow, the roots should be immediately vitalized and properly nourished. To do this quickly, safely and at little expense, there is nothing so effective as Parisian sage (liquid form), which you can get at E. A. Brown & Co.'s and all good druggists. It's guaranteed to abolish dandruff—stop scalp itch and falling hair and promote a new growth or money refunded. It's in great demand by discriminating women, because it makes the hair so soft and lustrous and appears heavier than it really is. A massage with Parisian sage is a real delight—easy to use, not sticky or greasy, and delicately perfumed. If you want good-looking hair and plenty of it, use Parisian sage—a little attention now insures beautiful hair for years to come.—Adv.

No papier-mache scenery, no studio "props," no supers, no artificialities of any kind figured in filming this wonderful new Griffith masterpiece.

The greatest achievement in Mr. Griffith's entire career, even surpassing "The Birth of a Nation" and "Intolerance."

"A story so sweet it turns the heart to tears; so strong and virile it fires the brain with an amazing fervor; so realistic and terrible that it strikes terror to the very marrow of the bones."

HEARTS OF THE WORLD

A LOVE STORY OF THE GREAT WAR
Battle Scenes on the Battlefields of France (Under auspices British War Office)

"Hearts of the World" is more than a picture play; it is a world drama; it goes straight to the heart. It is this human quality that makes 'Hearts of the World' as big as mankind."
—Charles Darnton, N. Y. Evening World.
