Many of the stonewalls on Burnham's meadow were closed to-day, due to the excessive cold weather which prevailed this morning. The lack of heat in two sheds over the week end made it the more impossible for men to work. It is expected that work will be resumed tomorrow.

Lieut. Arthur H. Laroche, who was recently discharged from service in the medical department of the army at Fort Snoum, N. Y., is visiting at the home of his parents, Mr. and Mrs. Theodore Laroche of Railroad street. Before entering service he was practicing in Springfield, Mass.

Last evening at the Methodist church a two-weeks' series of special evangelistic meetings was commenced. Rev. B. G. Lipsey chose for his theme, "Lot's Wife, the Backslider." Rev. Mr. Lipsey is to conduct the services every evening at the church at 7:30 o'clock, except Saturday, when there will be no service. A special invitation is extended to all interested to attend.

No further reports of robberies since the break in the Red Cross Pharmacy Friday night have been reported to the Barre police department, and as yet no arrests have been made in connection with that robbery or with any of the series of robberies that have taken place during the last few weeks. It has come to light that numerous other robberies were made in the fall and early winter which were not reported to the police.

At one place a sum as large as \$146 is reported to have been taken and taken, too, during an interval of time which was only long enough for the office man to drive an automobile around a few streets. The office man says he was gone not much more than five minutes. A house on Averill street was robbed, and at least one store was broken into but nothing was taken. Men applying at houses under the claim of being meter men are said to have gained admittance to houses in some instances. As a means of precaution it would be well for householders to demand some convincing evidence that the applicants are really representatives of the gas or electric light company before admitting them to the houses.

A regular meeting of Ironquois tribe, No. 18, and will be held on Tuesday, Jan. 14, at 7 o'clock in Cian Gordon hall. After the meeting a joint installation of officers of the council and tribe will be held, to be followed by dancing and refreshments. Members of both council and tribe are allowed to invite a friend to the installation. Per order, chief of records.

Miss Elsie McDonald left to-day for Claremont, N. H., for a few days' visit before starting a journey to Baltimore, Md.

Miss Ida Moruzzi, a teacher of a school in Stowe, returned Saturday to resume her duties after visiting at her home at 21 Division street.

Dr. J. H. Woodruff has received his discharge from service and is relieved from all government work so that he can again give all his time to his private practice.

The civic department of the Barre Woman's club cordially invites you to attend a talk on "The Labor Laws of Vermont," by our commissioner of industries, R. W. Simonds, Tuesday evening, 8 o'clock, Howland hall.

Still another Barre boy who has seen some very active service in France returns home honorably discharged from the army. G. L. Gregoire of Newton street, who left for Camp Meade, Md., early last week, returned home Saturday accompanied by his son, Ernest Gregoire.

Private Gregoire left with a contingent of Barre men May 24 and trained at Camp Devens before going overseas with the 76th division. From this division he was transferred to the 4th and 39th companies of the regular army. With these organizations he has been in some of the thickest of the fighting which marked the advance of the American army. His first encounter was at the famous Chateau Thierry in the Alsace-Lorraine sector. On Sept. 27 he was wounded at the battle of Verdun. A machine gun bullet struck him in the calf of his left leg and from 4 o'clock that day until 8 o'clock the next night he lay on the field, his leg being in a paralyzed condition. In a hospital the wound was thoroughly cleaned and dressed. Nov. 13, the day after the signing of the armistice which was to stop further fighting, Mr. Gregoire started for America, landing at Hampton Roads. From there he was sent to a hospital at Fort McKinley and later to Camp Meade, Md., from which place he received his discharge.

Mr. Gregoire's leg is thoroughly healed and he is in the best of health. Previous to his entrance in the army he was employed by his father and at Jones Bros. He is 23 years of age.

## MONTPELIER

Nearly all of the pastors in Montpelier paid tribute to the late Theodore Roosevelt Sunday. At the Trinity church Rev. J. W. Mead spoke upon "Roosevelt, the Modern Prophet of National Righteousness." At the Baptist church, Rev. C. D. Piper spoke upon "The Death of America's Greatest Man." In other churches fitting expressions of memory to him were made.

The name of J. Ward Carver of Barre is being mentioned among the attorneys in the central part of the state as a possible candidate for superior judge to take the place of E. K. Waterman, who will not succeed himself. Mr. Carver is receiving considerable endorsement although it is understood that he is not making any effort for the honor, probably because of the feeling that another county may be drawn upon, there being two judges from Washington county at the present time.

The fact that General C. R. Edwards, commander of the northeastern department, will not come to Montpelier this week has materially changed the plans of the local committee relative to dedication of the honor roll which was to-day placed at the right of the front of city hall to pay respect and honor to those boys from Montpelier who have gone into service, some over 425. There will probably also be other names added to the list. However, Captain H. R. Sheldon of Fair Haven, who has returned home and who went to France as a lieutenant and was promoted to a captain is expected to be one of the speakers. The program in the dedication will be followed by addresses that will take place in city hall, it being too cold for outside speaking. Captain Sheldon was formerly a member of Co. A and was to have been aid to General Edwards while he was in Vermont. He will be able to tell interesting facts about the 29th division.

Mrs. George Barnes received a message from John Barnes, her son, Saturday, stating that he has arrived at a base hospital near New York and that he will be home in a few days, he expects. Private Barnes was a member of Co. H, 1st Vermont regiment, and went with it to Camp Bartlett, where he was transferred to the 101st ammunition train. He went to France in the 26th

division and was wounded. He is still lame, but has recovered enough so he is able to come home. Harold, his brother, is still in France. He has also been wounded. Their father and one brother have died since they left here.

Raymond Cullen, who had the influenza last October, is slowly recovering his health. He is now able to go out a little but has thus far confined his walking to the veranda of his home on Court street. He will be remembered as the fast all-round athlete for several years on the Montpelier high school team.

Clarence White, who was on Thursday appointed a second assistant clerk of the House of Representatives, has been taken to Heaton hospital suffering with influenza.

State Treasurer Walter F. Scott, who has been ill with bronchitis, was at his office for the first time Sunday and this morning left for his home in Brandon. He walked to the office, but rode back to the home of C. W. Scott, where he is stopping.

Miss Linda Crane, who has been suffering with influenza, resumed her work at the State House telephone exchange this morning. Miss Florence Teachout, the assistant operator, is recovering from the same malady.

Harold D. Hollister has arrived and this morning commenced his duties as secretary of the boys' and girls' club. This evening a meeting for organization will take place.

Mrs. Bertha Legro of Northfield is employed in the office of the secretary of charities and probation during the illness of Miss Ethel Butler.

Angelo Calderara has been appointed administrator of the estate of Aliza Grassi, late of Barre, in probate court. Clara Raffetsest of Northfield has been appointed guardian of Fred R. Raffetsest, a minor, living in Northfield. Alfrida Jenking of Waterbury has been appointed executrix of the estate of Charles H. Jenking, late of Waterbury.

Col. H. T. Johnson, adjutant general, has received 50 bronze medals which will be presented to those members of the Vermont volunteer militia who are able to qualify as experts in target practice. Those earning the medals will have to shoot 90 out of a possible 100 targets. These are very pretty and substantial medals that can be attached to the coat.

### His Choice of Work.

She—And would you be content to live a life of complete idleness?  
He—Oh, no. I'd like to have enough money so that I would be kept busy spending it.—Boston Transcript.
