

ABOUT THE STATE

Happenings of Interest from Different Sections.

The college girls' conference and the Y. W. C. A. of Vermont are to have a joint meeting in Rutland from May 2 to May 4.

A. W. Peterson of St. Albans has been appointed manager of the Public Lighting company of that city, succeeded George A. Murch.

Lieut. John P. Lynch of Rutland, a reserve military aviator, has been engaged to give exhibition flights at the Rutland fair Sept. 1-5.

William Hill dropped dead in the barn at his home in Hardwick Center last week, after doing a few of the chores, death being caused by valvular heart disease. He was 84 years old.

John K. Hooper, the weather forecaster at the Burlington weather bureau, was stricken with a cerebral hemorrhage Monday. The stroke came when he was apparently in the best of health.

A railroad torpedo exploded and caused a severe wound in the right foot of nine-year-old Stanley McIntyre, son of Mr. and Mrs. D. W. McIntyre of Burlington, Tuesday. Several children were playing together and young McIntyre threw a torpedo to the ground. The pin which encloses the explosive torch that was pointed directly at him and which exploded, so that it tore a hole through the lad's shoe and inflicted a bad wound.

W. M. Kiley of St. Albans was badly burned recently in the Central Vermont railroad shops in that city when a fellow employe lighted a gasoline torch that was pointed directly at him and which exploded. But for the fact that he unconsciously put his hands in front of his face, he probably would have lost his eyesight, as his face was badly burned and both hands were blistered. His physician thought it would be a month before he could work again.

A young man employed as a blacksmith by the Deerpfield Lumber corporation at its upper camp in Searsburg was badly and probably fatally injured Monday by the explosion of a charge of dynamite. Both hands were blown off, one eye was destroyed and the other badly injured. One cheek was torn open and he was seriously hurt through the body. Dynamite was being used to break the ice in the pond preparatory to running the pulp wood down to the river. A charge failed to explode and the man was trying to remove the cap when the charge went off. It was not his work to handle dynamite, but as he was not

BAD BREATH

Dr. Edwards' Olive Tablets Get at the Cause and Remove It

Dr. Edwards' Olive Tablets, the substitute for calomel, act gently on the bowels and positively do the work.

People afflicted with bad breath find quick relief through Dr. Edwards' Olive Tablets. The pleasant, sugar-coated tablets are taken for bad breath by all who know them.

Dr. Edwards' Olive Tablets act gently but firmly on the bowels and liver, stimulating them to natural action, clearing the blood and gently purifying the entire system. They do that which dangerous calomel does without any of the bad after effects.

All the benefits of nasty, sickening, griping cathartics are derived from Dr. Edwards' Olive Tablets without griping, pain or any disagreeable effects.

Dr. F. M. Edwards discovered the formula after seventeen years of practice among patients afflicted with bowel and liver complaint, with the attendant bad breath.

Dr. Edwards' Olive Tablets are purely a vegetable compound mixed with olive oil; you will know them by their olive color. Take one or two every night for a week and note the effect. 10c and 25c per box. All druggists.
