"DEFENDING ITALY'S RIGHTS"

Declared Premier Orlando to Immense Throng at Turin

BIG DEMONSTRATION GIVEN IN HIS HONOR

When He Appealed to Crowd to Say What He Should Have Done

Turin, Friday, April 25.—When Vittorio Orlando, the Italian premier, reached this city to-day on his way from Paris to Rome, he was greeted by an immense throng. Standing in an automobile, the premier spoke briefly to the crowd.

"For the past six weeks," he said, "I have been defending Italy's rights, but at last I was conscious that my responsibility had to end with a 'No.' (great cheering). Doubt has been expressed whether this monosyllable truly corresponds to the thoughts behind it and whether it has echo in your hearts. How should I have answered?"

Thereupon there rose a great united shout of "No," the crowd waving flags, hats and handkerchiefs. The demonstration lasted for ten minutes. Similar enthusiasm followed speeches by Signor Barzilani and General Diaz. At the prefecture, to which the premier and his

That Morning Lameness

If you are lame every morning, and suffer urinary ills, there must be a cause. Often it's weak kidneys. To strengthen the weakened kidneys and avert more serious troubles, use Doan's Kidney Pills. You can rely on Barre testimony.

Mrs. J. F. Robbins, 38 Summer street, Barre, says: "My experience with Doan's Kidney Pills leads me to give them a high recommendation. I used them for a severe case of backache. I was so run down that it was hard for me to walk, and mornings my limbs were very lame. One box of Doan's Kidney Pills, which were procured at Cummings & Lewis' drug store, entirely rid me of the complaint."

VILLA GETTING READY TO STRIKE

Is Concentrating All of His Troops in the State of Chihuahua

TO EXTORT MONEY FROM FOREIGNERS

His Idea Is to Set Up Government Like That of 1915

El Paso, Tex., April 26.—Francisco Villa is concentrating all the troops under his control in the state of Chihuahua in an effort to wrest control of the state from the Carranza government, re-establish a provisional rebel government similar to the Villa government of 1915, and try to rally the various rebel bands throughout Mexico to his banner. This became known to-day with the arrival of refugees from Parral.

To finance his revolutionary movement, Villa plans, it is said, to force the foreign mining, smelter and milling companies in northern Mexico, especially corporations, to pay heavily in return for protection.

Villa is reported to be making plans to attack Chihuahua City soon, as a part of his campaign for the conquest of Chihuahua state.

SHOE CONSERVATION

W. H. Kelley, a lumber salesman, of Omaha, found Neolin Soles so tough and durable that one pair of soles served on a second pair of uppers after the first pair of uppers had worn out in ten months of hard walking.

And he says, "Those same soles will stand another ten months of constant daily wear."

This is unusual service even for Neolin Soles but Mr. Kelley's experience should indicate to you a method of cutting down those rising shoe bills you have to meet. Simply make sure the new shoes you buy are Neolin-soled and have worn shoes repaired with these soles which are scientifically made to be comfortable, waterproof and exceedingly long-wearing. They are made by the Goodyear Tire & Rubber Company, Akron, Ohio, who also make Wingfoot Heels, guaranteed to outwear any other heels.

GIRL INJURED BY AUTO.

Ada Allen of Rutland Is in Hospital—Her Uncle Also Bruised.

Rutland, April 26.—Ada Allen, eight-year-old daughter of Mr. and Mrs. Charles Allen of Grove street, is at the Rutland hospital, seriously injured, and Benjamin Seabury, her uncle, is also at the institution, suffering from bruises, as result of being run down at the corner of Merchants Row and West street on Thursday evening by a five-passenger Buick automobile, driven by Giovanni Barbaggio of Union street. Mr. Barbaggio was before City Judge George M. Goddard yesterday on the charge of driving a car without a chauffeur's license. He pleaded not guilty and was permitted to go on his own recognizance, the case being held open until May 1 to determine the outcome of the little girl's injuries.

The injured girl was crossing the street with Mr. Seabury and her brother, George, aged 10 years, when the automobile rounded the corner, coming from the east. The machine was not running fast, witnesses say, but the pavement was slippery. Neither the driver nor the pedestrians saw each other in time to avoid the collision. Opinions differ as to whether any of the wheels passed over the child's body. There are severe bruises on her abdomen which may result in internal injuries, her back is injured and she has bruises elsewhere. Mr. Seabury has a cut on his head and confusions on his back. The boy, George, was unharmed.

GETS \$20,000 DAMAGES.

Miss Anna C. Dyer Wins Suit from Charles H. Lalor.

Rutland, April 26.—Miss Anna C. Dyer of this city, formerly a music teacher, was awarded \$20,000 damages yesterday from Charles H. Lalor, also of Rutland, and a well-known ex-hotel man, by a Rutland county court jury which found that Mr. Lalor had broken a contract to marry her. After they had listened to evidence for two days the jurors required only an hour and a half to arrive at this decision. Miss Dyer sued for \$30,000.

Miss Dyer is 39 years old and Mr. Lalor is 40. It was shown by his own testimony that he was worth over \$37,000.

Miss Dyer testified that she first met Mr. Lalor in 1900 and that he kept company with her until 1918, calling as often as twice a week and sometimes more frequently. He showed his affection, she said, at the very first call, and afterwards made her many expensive presents and told her that he could not live without her. In 1901 she promised to marry him, at his request, she testified, and she was ready to do so at any time afterwards. She knew nothing of his apparent change of heart until she learned of his marriage to Miss Margaret Sullivan of this city in October, 1918, she told the jury.
