# Use More Milk

### Would You Improve the Health of Yourself and Family?

Then put into practice these suggestions, which any physician or dietary expert will strongly endorse:

1. Cut down on the amount of eggs and meat you buy. Increase the quantity and variety of vegetables and cook them in Milk, serving the vegetables in their milk juices.
2. Substitute MILK for tea and coffee. Also drink half a glass to a glass of Milk on rising and retiring.

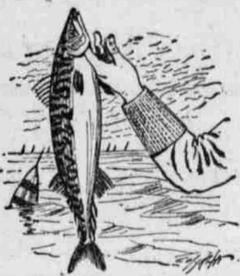

Then you will fully understand why authorities counsel you to "Use More Milk."

# Youngsters Like Our Soda

Why wouldn't they like our soda? It is just as pure and clean and wholesome as themselves. Good soda drinks are inviting, they are satisfying and they are healthful. Bring the youngsters along to have a good, cold drink. You will want to come with them and share the enjoyment, too.

Two large auto trucks conveyed the class to and from the pond, together with their refreshments. Four teachers acted as chaperons, LeRay Ryan, Miss Mary Tomasi, Miss Ruth Ladd and Miss Esther Houghton.

The orchestra will be present to dispense good music while the banquet is on and several other interesting features will be added to the program. **WAITSFIELD**  
Memorial Day Observance Especially Inspiring This Year.  
Memorial day was as nearly a perfect day as could be hoped for. The weather was unusually propitious, while the added meaning in the significance of the day to most hearts gave new life and zest to its celebration. The boy scouts assisted the G. A. R. in the grave decorations during the forenoon. The exercises of the day were held in the high school hall and were of a very interesting character. Headed by the band and escorted by the boy scouts, the parade left library hall at 1:30. About 30 soldiers and sailors of the G. A. R. and of the recent war marched with their country's flag. The children's part was exceedingly well rendered and they, with their teachers, deserve much credit. The speaker, Rev. Shaw of St. Albans, gave an inspiring and hopeful, helpful address.  
At the conclusion of the exercises, the town committee took the soldiers to the Congregational church, where all were treated to ice cream and cake. While they could not forget the lads who are still serving "across" and some are pressed with sorrow for those who sleep across the water and in soldiers' graves, yet they would not have us mourn. The nation's holiday has become a world holy day, indeed.
