During a short, sharp bombardment by electricity this morning a bolt of lightning entered the wires of the Montpelier & Barre Light & Power company on Washington street and burned out two plugs, causing puffs of smoke to rise at the corner of North Main and Washington streets and also in front of the Baptist church. A piano recital of considerable merit was given last night by Miss Hazel Mackay at the home of her teacher, Miss Gladys Gale. Mr. Mackay's fine baritone voice and his musically way in which he rendered his selections delighted the audience. Not the least pleasing of the songs was one written by Miss Gale, "Now the Day is Over." Miss Mackay's program was varied and difficult, but she played it in such a manner that reflected great credit to herself and her instructor.

This large tank truck, which will in a short time be able to cover all streets designated. The two men in charge of the work started out to oil Maple avenue this morning, but owing to the heavy rain were compelled to quit work until Monday.
