

NERVOUS SICK HEADACHES

"FRUIT-A-TIVES" Brought Relief The First Day He Tried Them.

MR. C. E. BESWICK

160 Caroline Ave., Ogdensburg, N. Y.

"I suffered a great deal for three or four years with Nervous Sick Headache and Dyspepsia. Had to take two to four seidlitz powders every other day. Tried doctors—ate bran-gems—took all kinds of remedies—but nothing did me good until I used 'Fruit-a-tives', or Fruit Liver Tablets. I was relieved the first day I used them. They made me well and kept me well, and I am always glad to tell people of the great things 'Fruit-a-tives' have done for me.

I have many friends in Ogdensburg now using 'Fruit-a-tives' on my recommendation."

Orders Is Orders.

Strict orders had been given at a children's masquerade in Auckland that no adults were to be permitted to enter. Everything went well until an excited woman appeared and demanded admittance.

"No adults, ma'am," said the constable. "You can't go in."

"But I must go in," persisted the woman. "My little girl is taking the part of a butterfly and she's gone without her wings."

The constable wrinkled his forehead and tried to think if any official regulation covered a case like that.

"Orders is orders, ma'am," he said at last. "We'll have to let your little girl go on as a caterpillar."—Boston Transcript.

WHAT GOOD IS WEALTH if you are in poor health, if almost everything that you eat distresses you, frequent headaches, pains in the stomach, bad taste in the mouth, dark rings under the eyes, etc.? The fact is, life is not worth living if you are a chronic sufferer from indigestion and biliousness.

When the stomach is out of order, the liver not working properly, your heart is obliged to do so much extra work, that it causes palpitation, faintness, and if not checked becomes dangerous.

HEALTHY BOWELS

Nine-tenths of human sickness, from infancy to old age, comes from stomach or bowels being out of order.

Headaches, tired feeling, nervous depression, weakness, spots before the eyes, bad breath, sleeplessness, irritability, dizziness and many other signs of sickness stop, if you treat the stomach and bowels right and get them into working order.

The prescription, known as Dr. True's Elixir, has done wonders for sick people, men, women and children, because it is the one remedy that you can rely on to set things right in the stomach and bowels.

Sold by all druggists, big or little, everywhere. Druggists, as a rule, are very honest. They do not try to substitute something else for Dr. True's Elixir, because they know its value. Many druggists use it in their own families.—Adv.

Sanitary Soda Water

No beverage in the world is more wholesome or deliciously refreshing than bottled soda water if that soda water is pure and the bottles clean. Pure soda water means a beverage consisting of pure water, pure carbonic gas, pure sugar and pure, wholesome flavoring extract. Pure water is our first consideration. Every drop of water that goes into our goods goes through a filtration process which makes it safe for the public to drink. Some dealers are careless as to the quality and purity of the goods they sell. They place their business with the bottler who will quote them the lowest price, so they can make the largest profit for themselves, as they charge the public the same price as other dealers charge the public on first-class, clean, pure, sanitary goods. The public's greatest safeguard is to ask for Granite City Sodas and refuse to buy goods of any shops that do not measure up to the highest standard.
