Mrs. E. E. Warner of Williamstown was a business visitor in Barre Saturday.
Mrs. John Callaghan and daughter, Beatrice, James Riley, and Mr. and Mrs. Frank Craddock and son went to Joe's pond yesterday, where they will camp for two weeks.
The Episcopal Sunday school and parish picnic was a very successful outing on Saturday. About 75 young and old enjoyed a very pleasant day in the woods at Benjamin falls. Many games were played, but it was so hot in the open that few contests, as racing, were arranged or carried out. Two ball games were the most interesting features of the day, in which the married men and the single men locked horns, once in the morning when the single men "walloped" the married men 7 to 0 and in the afternoon the married men came back with proper form and trimmed the single men so badly they won't be telling of the morning's game. The benefits won over the single men, 27 to 3. At noon a bountiful lunch was served and from time to time all were served ice cream and sodas. The usual park games were played by the tots and a general good time seems to be the resort from all.
