TO-DAY
Louis Bannison in
'SANDY BURKE OF THE U-BAR-U'

A virile western drama that is full of excitement and thrills. There are many little touches of comedy and heart appeal that add so much to its interest and hold your attention to the end. Louis Bannison brings an entirely different western character to the screen, and it is really enjoyable. Also a Lloyd comedy, "BILLY BLAZES, ESQ."

Saturday—Ethel Clayton in "VICKY VAN"

In a pleasing fashion Carolyn Wells' famous story has been turned into an entertaining screen story, and with the charming Ethel Clayton in the leading role it presents an evening's enjoyment that is refreshing and enjoyable. Also a comedy.

Everybody Likes Soda Water

No matter who calls or when, a glass of Bottled Soda is always welcome. It's a fine thing for the afternoon callers, for the evening guests, for the card party, for any of those pleasant, informal little neighborly events that do so much to make life worth living. Nothing is better for young or old after outdoor athletic sport, as it cools without danger of ill effects. Always have a few bottles on ice.
