

THIS WEEK, NERVOUS MOTHER

Tells How Lydia E. Pinkham's Vegetable Compound Restored Her Health.

Philadelphia, Pa.—"I was very weak, always tired, my back ached, and I felt sickly most of the time. I went to a doctor and he said I had nervous indigestion, which added to my weak condition kept me worrying most of the time and he said if I could not stop that, I could not get well. I heard so much about Lydia E. Pinkham's Vegetable Compound my husband wanted me to try it. I took it for a week and felt a little better. I kept it up for three months, and I feel fine and can eat anything now without distress or nervousness." Mrs. J. WORTHLINE, 2842 North Taylor St., Philadelphia Pa.

The majority of mothers nowadays overdo, there are so many demands upon their time and strength; the result is invariably a weakened, run-down, nervous condition with headaches, back-ache, irritability and depression—and soon more serious ailments develop. It is at such periods in life that Lydia E. Pinkham's Vegetable Compound will restore a normal healthy condition, as it did to Mrs. Worthline.

NUXATED IRON

"Say, Doctor, This Prescription Works Like Magic."

Physician Says Nuxated Iron Quickly Puts Astonishing Strength and Energy Into the Veins of Men and Brings Roses to the Cheeks of Nervous, Run-Down Women.

"Ask the first hundred strong, healthy people you meet to what they owe their strength and see how many reply 'Nuxated Iron.' Dr. James Francis Sullivan, formerly physician of Bellevue Hospital (Outdoor Dept.), New York, and the Westchester County Hospital, says: 'Thousands of people suffer from iron deficiency but do not know what to take. There is nothing like organic iron—Nuxated Iron, to enrich the blood, make beautiful, healthy women, and strong, vigorous iron men. To make absolutely sure that my patients get real organic iron and not some form of the metallic variety, I always prescribe Nuxated Iron in its original packages. Nuxated Iron will increase the strength and endurance of weak, nervous, run-down folks in two weeks' time in many instances.'"

MANUFACTURERS' NOTE: Nuxated Iron recommended above by Dr. Sullivan can be obtained from any good druggist with or without a physician's prescription on an absolute manufacturers' guarantee of success or money returned.

The guilty parties should be made to feel the hand of the law, even if they did think it was a deer, and there should be more wardens appointed in this locality during the fall at least, to better enforce the closed season on partridges, because there is no question but what these birds are being shot every day and brought home in game bags.
