ABOUT THE STATE Happenings of Interest from Different Sections.

Barbara Gore, the eight-month-old daughter of Mrs. Mildred Campbell of Milton, was christened at the United church Sunday morning and later, while playing with her neck chain, the locket became detached and the little one got it in her throat and nearly choked to death before it could be removed.

The First Congregational church of St. Albans has extended a call to Rev. Stanley Cummings of Plantsville, Conn., who has intimated that he will accept the call and assume the pastorate at St. Albans at once. He was pastor of a Congregational church in Sheffield, Mass., for three years previous to entering the navy as a chaplain.

Robert Edwin French, at one time one of the biggest cattle buyers in this section of the country, who shipped large consignments of cattle to New York and Boston, died at the home of Oscar Hornbeck in Orwell Tuesday. Mr. French was born in West Windsor, Feb. 26, 1853, the son of Robert E. and Lucia (Bagley) French. Mr. French lived until about two years ago in the town of Hartford, later going to Whiting to reside. He is survived by two sisters, Mrs. Helen M. Martin of Hartland and Mrs. Clara A. Dole of Woodstock.

Two cows were killed and five persons in the automobile of Park Newton of Georgia were badly shaken up Tuesday, when the auto ran into the cows on the highway between Georgia and St. Albans. The accident happened at night and it is alleged that the cows were being driven in front of a wagon which had no light and therefore the driver of the machine did not see them in time to avoid striking them. As the auto hit the cows, Mr. Newton lost control of the steering wheel and the car swung into a ditch, turning onto one side and throwing the occupants out. They were not injured, but the wind shield of the car and the running board were broken. The cows were the property of Fred Bombard of St. Albans, who was delivering them to Fred Lapan, who was to become their owner when they were delivered at his home. As they were killed on the road, it is said that Mr. Bombard must stand the loss.

Mr. and Mrs. C. C. Bingham observed the 40th anniversary of their marriage at their home in St. Johnsbury Thursday. For 50 years Mr. Bingham has been proprietor of one of the oldest business houses in St. Johnsbury, the Bingham drug store, which was founded by Dr. Luther Jewett and purchased in 1845 by J. C. Bingham, father of C. C. Bingham. It has been kept in the family ever since. C. C. Bingham selling last September to Shirley N. Brigham. During the Civil war Mr. Bingham became an expert telegrapher and has always kept up his interest in electrical developments, installing the first telephone in that section between his house and store. This was extended to include the St. Johnsbury physicians and later he established the St. Johnsbury exchange. He built lines to the surrounding towns, connecting at Walden with the Montpelier exchange. After his exchange was purchased by the New England Telephone company, he was retained as manager for several years of the Bradford, Newport and St. Johnsbury exchanges. One interesting feature of the wedding was that it had to be postponed several days, since Mr. Bingham could not get away from St. Johnsbury to go to the bride's home in Coloes, N. Y., because all train service in the vicinity of St. Johnsbury had been cancelled owing to the greatest freshet in the town's history. Mrs. Bingham was a clerk in a St. Johnsbury store before her marriage.

Child Almost Dead Grandmother Saves Life

Roxbury, Mass. A grandmother in Roxbury writes: "I put great faith in your medicine and one of my children was dying. The doctor said she could not live until morning, and I ran out to the drug store, got a bottle of Dr. True's Elixir, was so excited I gave her half of the bottle at once, and at night I gave her the other half. I thought it either killed or cured, for the doctor says she is dying anyway, but she did not die. She went to sleep, the first sleep for a week, and the next morning she passed two worms, red in color, six inches long. The doctor came to see if she was dead, but he ran out pretty quick, as she was sitting in her chair eating a bowl of oatmeal and milk. That was twenty-four years ago, and now she has a baby girl of her own, seven months old, who is also using Dr. True's Elixir." (Name on request.)

Constipation, headaches, tired feeling, weakness, spots before the eyes, bad breath, sleeplessness, irritability, dizziness, and many other signs of sickness, can be relieved, if you take the prescription known as Dr. True's Elixir. The Family Laxative and Worm Expeller. It has done much for sick people, men, women, and children, ever since 1851—over 65 years' reputation.

Take Dr. True's Elixir—give it to your children—The Family Laxative and Worm Expeller. At ALL DEALERS, Dr. J. F. True & Co., Auburn, Me.—Adv.
